Une plongée dans un monde contemporain, et pourtant des plus étranges... Les éditions Ofelbe proposent un titre plus axé mystère et thriller fantastique que fantasy, mais qui se déroule tout de même à notre époque ! Dans *Durarara!!*, on ne suit pas la vie d'un seul héros, mais de plusieurs personnages aux caractères bien trempés pour certains ! Si le point de départ de l'histoire est l'arrivée d'un jeune lycéen, celle-ci va vite être éclipsée par des événements et des individus extraordinaires. Tissant un complexe réseau relationnel entre les habitants d'Ikebukuro, Ryôgo Narita s'amuse ainsi à nous balader de personnage en personnage, mais aussi aux quatre coins d'un quartier qui cache bien des secrets ! En effet, nul n'ignore la légende urbaine qui fait parler d'elle dans le coin : une certaine motarde sans tête qui rôde sur les routes... En parallèle, l'auteur n'hésite pas à aborder certaines dérives d'Internet à travers le gang des Dollars, ce groupe formé sur le web, aux membres anonymes et utilisé par certains pour commettre des actions plus ou moins répréhensibles dans la vraie vie. On y voit là des ressemblances avec le collectif des Anonymous, mais cantonnées aux guerres entre bandes rivales à Ikebukuro. Derrière cet immense puzzle relationnel et social qu'est *Durarara!!* se cache une histoire actuelle, agrémentée d'une petite touche de surnaturel vue à la sauce japonaise ! **THE GOOD, THE BAD, AND THE DOWNRIGHT WEIRD**. The Ikebukuro district in Tokyo is full of interesting people. A boy longing for the extraordinary. A hotheaded punk. An airheaded pseudo-stalker. An information broker who works for kicks. An underground doctor who specializes in truly desperate patients. A high school student infatuated with a monster. And a headless rider on a pitch-black motorcycle. Their story may not be a heartwarming one, but as it turns out, even weirdos like these sometimes fall in love. **NEW YORK, 1930** Three years after the Phantom Father incident, Firo is about to get a promotion within the Martillo Family. But the intricate web of fate has other plans in store for him as the elixir of immortality nears its completion, setting off a chain of events that brings together gangsters, alchemists, and everyone in between! Let the crazy ruckus continue! In the sequel series to the urban fantasy *Durarara!!*, Yahiro Mizuchi has come to Tokyo in the hopes of starting a new life (and maybe seeing the Headless Rider), but the famous Dullahan hasn't been seen in half a year-and neither has anyone who's gone to find her! **EVERY PIKE** is a commodity. No, more than a commodity. Her existence is guarded at all costs. She's a water Elementalist, the strongest of her dwindling kind. She creates steam to provide energy to fuel Dome Four: the only thing standing between humanity and an earth ravaged by World War III. No steam, no Dome. No Dome, no life. Or so she thinks. That is, until a mysterious man offers her a way out of having to donate steam. A way to escape the corrupt government of Dome Four. While the offer seems too good to be true, Avery is intrigued. But when she arrives to her new home, she realizes the grass isn't any less dead on this side of the fence. Instead, the lies are just hidden better. ...Which means digging deeper. When Avery enlists the help of her friends to uncover the truth, she learns that while some secrets are better left concealed, humankind was never meant to live in a cage. And when you can control the most sought after resource, you can learn to control anything...including the fate of your world. "I'm not doing anything. All the Dollars did that together..." The holiday isn't over yet. The day after Izaya was stabbed, the scars of the recent incident are still fresh in the city. An eccentric couple wanders the town together as a sister keeps an eye on the girl hanging around her brother. Two women--one a child, one an adult--pursue the meaning of strength, focusing their attention on the strongest man in town. A set of mischievous twins don't bother to care about their brother. A yakuza clings to his past. Meanwhile, an underground doctor just wants to enjoy a vacation with a recently relaxed headless dullahan... Ikebukuro is going to be busy! (Volume 7) "I'm not doing anything. All the Dollars did that together..." The holiday isn't

In the sequel series to the urban fantasy Durarara!!, Yahiro Mizuchi has come to Tokyo in the hopes of starting a new life (and maybe seeing the Headless Rider), but the famous Dullahan hasn't been seen in half a year--and neither has anyone who's gone to find her! Megahit idol Ruri Hijiribe is suffering at the hands of a stalker, and his obsession with her is growing by the day. In order to see how she reacts, he becomes more strident in attacking and hurting those around her. One of the innocent (?) victims is the doctor and love of Celty the Headless Rider, Shinra Kishitani. As she clutches his wounded body, Celty loses her head with rage! (Literally.) And you just know who else is gonna show up behind the scenes...It's Ikebukuro, after all! Accused of a crime he didn't commit, Kyosuke Kamiya is sent to Purgatorium Rehabilitation Academy. Suddenly, he's surrounded by a variety of fetching lasses--each one a murderer! Worse, he's famous for being the "Dozen Demon," a killer responsible for twelve deaths! When the busty, gas mask-wearing beauty Renko Hikawa approaches him, the difference between death and desire becomes very narrow indeed. How is Kyosuke gonna graduate alive? The serial slashings in Ikebukuro have come to an end, and Anri is steadily recovering from her injuries. But life is far from "back to normal" for Kida. Enraged at the random violence that has shattered the peace of his neighborhood, Kida and his middle school crew, the Yellow Scarves, reunite to address the rise of organized gangs in town--the Dollars, the followers of Saika, and now the Yellow Scarves. When all is said and done, who will hold the power on the streets of Ikebukuro? Jeane Smith's a blogger, a dreamer, a dare-to-dreamer, jumble sale queen, CEO of her own lifestyle brand and has half a million followers on Twitter. Michael Lee's a star of school, stage and playing field. A golden boy in a Jack Wills hoodie. They have nothing in common but a pair of cheating exes. So why can't they stop snogging? "Do you enjoy being the Black Rider who's been spotted all over Ikebukuro over the past few years now? Why is it that you're riding such a dangerous bike all over the place? Are you aware that you're violating the law?!" Ikebukuro, Tokyo. A place full of fires waiting to be lit and plenty of people ready to light a match: Twins who are the perfect opposite of each other. An idol who's nothing like her older brother. A girl with a crush on her senior in the Dollars. And a headless rider with a bounty on her...uh, head. Keeping the peace is probably not gonna happen. Trouble stirs in the city that never sleeps as fate links these individuals together like a chain of falling dominos... Welcome to Ikebukuro, where Tokyo's wildest characters gather!! Meet an ordinary boy who daydreams about the extraordinary. A naive stalker girl. The strongest man in Ikebukuro. A shut-in doctor with questionable credentials. A hedonistic informant...and the "headless rider" astride a pitch-black motorcycle!? As their paths cross, this eccentric cast weaves a twisted, cracked love story... New York, 1931. The manufacture and sale of alcoholic beverages is prohibited by law, but behind this prohibition, organized crime flourishes--so, too, do bank robbers, bootleggers, assassins, and homunculi. Some want money, some are chasing the secret to immortality, and others just want to have a really good time. You know what they say, though: You can't always get what you want. Ikebukuro has a slashing problem. Ikebukuro, Tokyo. A place where the clumsy and inept at love gather. A high school girl worried about her status. A third-rate magazine reporter covering the Ikebukuro beat. A teacher suspected of sexual harassment. A thug wearing a yellow bandanna, who is said to be the toughest around. A young man who deals in all manner of sensitive information. And a headless rider on a coal-black motorcycle. As these individuals and more are drawn into a whirl of unlucky incidents, Ikebukuro itself will begin to crumble...! "Could you kill someone? Working as an information broker in Shinjuku, just toying with all those people... But could you, Izaya Orihara, kill someone? Directly, by your own hand? Not stabbing someone with your knife just right to keep them from dying while you keep dodging the question, I mean. Well, whatever... In the end, you're the kind of guy who uses other people to do your dirty work. You're hilariously cowardly." Tokyo, Ikebukuro. Loads of baggage from the past are starting to turn up: A boss trying to escape the past. A pair of high school girls with consciences. A boy unaware of his friend's feelings for him. A man planning a takeover. A boy who uses information to manipulate others. And a headless rider on a pitch-black motorcycle--all headed on a collision course that will decide who will overcome their past and who will become nothing more than a memory... As a founding member of the Dollars color gang, Mikado Ryuugamine methodically purges those unharmonious from its ranks. Kida attempts to rein in his friend's madness and begs Kadota's group of core Dollars members to leave, but they refuse. However, when calamity befalls Kadota, the spark of a new disaster catches flame... Meanwhile, in the hospital, Shinra tells Cely of his middle school days with Izaya Orihara...! Twenty years ago, animated features were widely perceived as cartoons for children. Today, though, they encompass an astonishing range of films, styles and techniques. There is the powerful adult drama of *Waltz with Bashir*; the Gallic sophistication of *Belleville Rendez-Vous*; the eye-popping violence of Japan's *Akira*; and the stop-motion whimsy of *Wallace & Gromit in The Curse of the Were-Rabbit*. Andrew Osmond provides an entertaining and illuminating guide to the endlessly diverse world of animated features, with entries on 100 of the most interesting and important animated films from around the world, from the 1920s to the present day. There are key studio brands such as Disney, Pixar and Dreamworks, but there are also recognised auteur directors such as America's Brad Bird (*The Incredibles*) and Japan's Hayao Miyazaki (*Spirited Away*). Technologies such as motion-capture, used in films such as *Avatar*, blur the distinctions between live-action and animation. Meanwhile, lone artists such as Nina Paley (*Sita Sings the Blues*) and Bill Plympton (*Idiots and Angels*) make entire films by themselves. Blending in-depth history and criticism, *100 Animated Feature Films* balances the blockbusters with local success stories from Eastern Europe to Hong Kong. There are entries on Dreamworks' *Shrek*, Pixar's *Toy Story*, and Disney's *The Jungle Book*, but you will also find pieces on Germany's silhouette-based *The Adventures of Prince Achmed*, the oldest surviving animated feature; on the thirty year production of Richard Williams' legendary opus, *The Thief and the Cobbler*; and on the lost work of Argentina's Quirino Cristiani, who reputedly made the first animated feature in 1917. As shadow envelops the city, all hell's about to break loose. The chaos of Ikebukuro, Tokyo, has ensnared everyone who lives there, and all the people connected to the Headless Rider are about to come together. Two boys who used to stand side by side as close friends now face each other, at an impasse. Two men who have been at each other's throats for years are likely to kill each other in their rage. The girl who once felt trapped beyond the picture frame is desperate to be accepted. The odd couple who could have been happy now find their love tested. And through it all, the dullahan resumes its true form. As everyone gathers in the place where the Dollars first met, the curtain will fall on this twisted love story. NEW YORK, 1930 Firo's big day has come, and everyone's enjoying the celebration--Isaac and Miria so much so that they've had a bit of a change of heart! If one criminal syndicate is just too nice to rob, then surely another will do... Meanwhile, Szilard learns that the object of his search is right under his nose. Soon nothing will stand between him and ultimate knowledge...! The crazy ruckus comes to a close!
