FILÓSOFO PRESOCRÁTICOS. ESCUELA DE MILETO. TALES DE MILETO. Aug 21 2022 TALES DE MILETO, matemático, astrónomo, ingeniero, comerciante, consejero político y "sabio", es considerado como un innovador revolucionario que se atrevió a prescindir de los dioses para explicar el origen del universo. Mediante el ejercicio de "pensar razonando" (significado que tomará más tarde la palabra "logos"), llegó a la conclusión de que el elemento capaz de explicar

"el origen de todo" había que buscarlo en la NATURALEZA considerada como el conjunto de todo cuanto existe. El recorrido del pensamiento y del discurso de TALES DE MILETO, observando y escudriñando la naturaleza, le permitió concluir que ese elemento primordial y único, capaz de revestir formas diversas, fue el "agua", origen y constitución de todo y en lo que todo finalmente se transforma. Dado que su actividad intelectual se centró en la naturaleza, Aristóteles lo distinguió con el nombre de "físico o fisiólogo" en el sentido de estudiante de la "Physis"/Naturaleza. Este libro presenta anécdotas de la vida de TALES DE MILETO, así como sus afirmaciones sobre los orígenes y constitución de todo lo existente. Para ello, el autor utiliza los textos recopilados por Diels/Kranz en su obra DIE FRAGMENTE DER VORSOKRATIKER, traducidos y comentados con el soporte de una bibliografía que comprende más de cuatrocientas obras (griego, latín, castellano, francés, inglés, italiano) que se encuentran relacionadas y, en parte, comentadas en las últimas setenta y cinco páginas del libro.

Calitati psihologic-sufletesti ale profesionistului in asistenta sociala umanista

Mar 24 2020 This book, "Psycho-Spiritual/Soulful Qualities of the Professional in Humanistic Social Work", is part of the HUMANISTIC SOCIAL WORK Project, which promote Humanistic Social Work as THE THIRD WAY in theory and practice. At a first glance, social work, as theory, is dominated by two, relatively opposed, major ways, forces, orientations, paradigms, namely Traditional/Conventional Social Work and Critical/Radical Social Work. But, major social, political and economic events have heavily impacted the ontological and ideological foundation of Traditional Social Work (economic crisis), and of Critical Social Work (anti-communist revolutions). Such, has been greatly affected the policies /practices of helping the vulnerable groups, individuals and people in need through welfare state mechanisms and social solidarity, within the capitalist society, promoted by Traditional Social Work, and the projects of some radical structural changes, the aspirations to build a better society, without oppression, social injustice, inequality, discrimination and poverty, especially through social and political reforms and progress, promoted by Critical Social Work. In this context, another orientation, in a subtle manner, gradually, seems to advance, with increasing force. It's about the Humanistic Orientation and its logical expression: Humanistic Social Work - syntagma, philosophy, theory and methodology that are in process of establishing, and remains to be seen whether it will get to sit alongside Traditional Social Work and Radical Social Work, alongside their theories and methods, and especially if it will imposes, in a coherent way, in the current practice of the professionals and agencies. * (English-language readers may find in the book a sufficiently elaborated presentation of the humanistic social work theory and methodology, in the section - from Appendix - with the title: HUMANISTIC SOCIAL WORK: THE THIRD WAY IN SOCIAL WORK

THEORY AND PRACTICE - pp. 338-361) * Primul capitol al lucrării - Asistența socială umanistă - a treia cale în teoria și practica asistenței sociale - este consacrat prezentării conceptului și specificului asistenței sociale umaniste, cu accent pe principalele sale surse, valori, teorii, practici și metode. Capitolul al doilea - Personalitatea umană - sfera/dimensiunea ontologic-spirituală - prezintă ceea ce s-ar putea numi sursele psihologic-ontologice ale calităților sufletesti ale profesionistului, în principal sufletul afectiv/social și sufletul spiritual (mistic, ludic, estetic, moral, intelectual). În capitolul al treilea - Personalitatea umană și calitățile psihologic-sufletesti ale profesionistului în asistența socială umanistă - se ajunge efectiv la conținutul tematicii propusă de titlul cărții, abordându-se tema calităților psihologic-sufletesti ale profesionistului pornindu-se de la categoria de personalitate umană a profesionistului, și insistându-se pe necesitatea definirii acesteia în raport de modul umanist-spiritual de reprezentare a clientului. În capitolul al patrulea - Calități psihologic-sufletesti și conduite ale profesionistilor în "sistemul" asistenței sociale umaniste - se încearcă o prezentare a calităților psihologic-sufletesti ale asistentului social, psihologului/psihopedagogului, profesionistului din cadrul personalului de îngrijire, educație, terapii de recuperare, ale asistentului maternal profesionist, angajatului din aparatul de conducere, funcționare și de deservire, ale voluntarului, lucrătorului din organizații neguvernamentale, umanitare. Capitolul al cincilea - Asistența socială umanistă a copilului și familiei. Calități psihologic-sufletesti și conduite ale profesionistilor - are rolul de a operaționaliza majoritatea tezelor teoriei și metodologiei asistenței sociale umaniste, afirmate în lucrare, cu focalizare pe calitățile psihologic-sufletesti ale profesionistului necesare cu precădere practicienilor care se află în contact direct prelungit cu copilul și/sau familia.

Her Wicked Marquess Dec 13 2021

Above the Battle Oct 31 2020 In April 1943, a young officer arrived at Penshurst to join C Flight, 653 Squadron. He was no ordinary pilot and this was no ordinary RAF outfit. Lyell Munro was a soldier and 653 was an Air Observation Post Squadron whose pilots were Royal Artillery and whose ground crew were RAF. AOP pilots were expert gunners, skilled flyers and incurable rule breakers. Flying from airstrips just behind the front lines, without armament and often with no parachute, they controlled the fire of hundreds of guns and their enemies learnt to dread the sight of the little green Austers in the skies above the battlefield. An incautious movement, a puff of smoke or a chance flash of reflected sunlight could bring tons of high explosives raining down. They flew alone without ground control, scanning the skies constantly while they directed the guns. Closing at over 250mph, an attacking ME 109 left no time for indecision. Reactions had to be instinctive and evasive action instant. Failure was fatal. After the War ended, the survivors went back into civilian life and few histories mention them or what they did. Lyells is one of only two personal accounts that are known to exist and it is likely that there will be no more. Written for his family and his comrades in C Flight it is a story told without heroics, but with a deep affection for the men with whom he flew and worked.

To Sir Phillip, with Love Jul 08 2021 A New York Times Bestseller From #1 New York Times bestselling author Julia Quinn comes the story of Eloise Bridgerton, in the fifth of her beloved Regency-set novels featuring the charming, powerful Bridgerton family, now a series created by Shondaland for Netflix. **ELOISE'S STORY** Sir Phillip knew that Eloise Bridgerton was a spinster, and so he'd proposed, figuring that she'd be homely and unassuming, and more than a little desperate for an offer of marriage. Except . . . she wasn't. The beautiful woman on

his doorstep was anything but quiet, and when she stopped talking long enough to close her mouth, all he wanted to do was kiss her . . . and more. Did he think she was mad? Eloise Bridgerton couldn't marry a man she had never met! But then she started thinking . . . and wondering . . . and before she knew it, she was in a hired carriage in the middle of the night, on her way to meet the man she hoped might be her perfect match. Except . . . he wasn't. Her perfect husband wouldn't be so moody and ill-mannered, and while Phillip was certainly handsome, he was a large brute of a man, rough and rugged, and totally unlike the London gentlemen vying for her hand. But when he smiled . . . and when he kissed her . . . the rest of the world simply fell away, and she couldn't help but wonder . . . could this imperfect man be perfect for her?

A Handbook of Media and Communication Research Apr 05 2021 Thoroughly revised and updated, this third edition integrates perspectives from the social sciences and the humanities, focusing on methodology as a strategic level of analysis that joins practical applications with theoretical issues. The Handbook comprises three main elements: historical accounts of the development of key concepts and research traditions; systematic reviews of media organizations, discourses, and users, as well as of the wider social and cultural contexts of communication; and practical guidelines with sample studies, taking readers through the different stages of a research process and reflecting on the social uses and consequences of research. Updates to this edition include: An overview of the interrelations between networked, mass, and interpersonal communication. A new chapter on digital methods. Three chapters illustrating different varieties of media and communication research, including industry-academic collaboration and participatory action research. Presentation and discussion of public issues such as surveillance and the reconfiguration of local and global media institutions. This book is an invaluable reference work for students and researchers in the fields of media, communication, and cultural studies.

Attitude and Stance in Discourse Dec 25 2022 Stancetaking is inherent in verbal communication, as it is connected with the expression of subjectivity and the

construction of intersubjectivity in discourse. This book presents theoretical findings in this field and their practical implications, exploring the variations in time and space of meaning negotiation processes in a large variety of communicative forms, including political and judicial discourse, journalism, fiction, private letters, informal conversations, and school debates. Some articles refer to events with a strong impact on social and political life, such as the COVID-19 pandemic or Ceau?escu's trial. The volume's approach is mainly pragma-rhetoric and interactional, but also interdisciplinary, promoting dialogue between stance researchers in different fields. There is a specific focus on possible applications of some key findings of stance research in improving inter-ethnic communication and the teaching of foreign languages, as well as students' communicative abilities.
