If You Had Controlling Parents If He Had Been with Me 'If I Had a Son'

A spunky and imaginative little girl dreams of the best pet everNa fuzzy baby raptor to

snuggle. Readers may notice striking similarities between the raptor's behavior and that of a more common house pet. Full color. As read by Eddie Redmayne for CBeebies Christmas Day Bedtime Story WINNER of the 'Best Preschool Book' - Made For Mums Awards 2018

A little girl dreams of having her very own pet. But what kind of animal would make the best companion? A mouse is too small; a cat is too ordinary; and a fish is too... wet! As she plays with her toy dinosaur, inspiration strikes. What about a real, live dinosaur? She could ride it to school. It would need lots of food to eat, a swimming pool to drink from, and a dino flap so it could come and go. At the end of a day spent busily imagining, the girl trudges up to bed with her little plastic dinosaur. As she falls asleep, the dinosaur from her daydreams stands in the garden with its head poking through the bedroom window, making her dreams come true.

With the divorce rate soaring at a dizzying 60 percent, young couples and experienced partners may lack the skills and understanding to sustain a committed relationship. Linda and Charlie Bloom present 101 nuggets of wisdom that deliver practical guidance and make it clear that regardless of past experience anyone can develop the basic strengths, skills, and capacities needed for a great relationship.

Each lesson is presented as a simple, one-sentence thought followed by an explanation using real-life examples. This book demonstrates how couples can enrich their own relationships by working through love's challenges. If he had been with me everything would have been different... I wasn't with Finn on that August night. But I should've been. It was raining, of course. And he and Sylvie were arguing as he drove down the slick road. No one ever says what they were arguing about. Other people think it's not important. They do not know there is another story. The story that lurks between the facts. What they do not know—the cause of the argument—is crucial. So let me tell you... "If I Had Eleven Toes" is the first book in a poetic, whimsical, laugh out loud children's series about what life would be like with an extra body part. What if I had eleven toes? Would I swing like a monkey in a zoo? Jump higher than a kangaroo? Would that little piggy go to the market (or eat roast beef)? Would my socks and shoes still fit? The book aims to promote positive body image and self-esteem through playful banter and visual delight. Milton Glaser's first children's book--a book about language, play, and the relationship between words and images--is back in print for the first time in 40 years. Language and thought

come to life as counterfactuals and possibilities are conjured and proposed. Full color. His friends called George Zimmerman Tugboat, the one who always came to the rescue. An Hispanic-American civil rights activist, he helped a black homeless man find justice. He helped guide two black teens through life. He helped a terrified mother secure her house. He helped his wary neighbors secure their community. For horse-loving readers of all ages, a lyrical and exquisitely illustrated picture book following the relationship between a boy and a horse, separated then reunited. This is a story about enduring friendships and how language is shaped by our experiences. The foal is born on a spring morning of sunshine and snow melt. If she had words, she would say willow, crocus, puddle and sky . . . Red Badger is a newborn foal learning to stand when she slips and gets stuck in a muddy badger hole. It is a young boy who frees her, and his kindness and gentleness mark the beginning of their friendship -- though she will always be wary of the ground that briefly trapped her. As the seasons pass on the ranch, Red Badger learns more about her world: Fall is leaf rustle and fence posts. Winter is white hills and long nights. The boy is hay, a gentle touch, playing in the snow and the sweet smell of

peppermints. If a horse had words, the word would be . . . friend. This is a beautifully written and heartwarming story told from the horse's point of view that follows her relationship with a boy from the day she is born, to when she is sent to auction, to the day she and the boy are reunited at a rodeo where she has become a bronc and he a cowboy. This is a story about how the world works, concentrating on the special relationships between parents and children--Backcover description. If he had been with me, everything would have been different... Autumn and Finn used to be inseparable. But then something changed. Or they changed. Now, they do their best to ignore each other. But Autumn has her boyfriend Jamie, and her close-knit group of friends. And Finn has become that boy at school, the one everyone wants to be around. That still doesn't stop the way Autumn feels every time she and Finn cross paths, and the growing, nagging thought that maybe things could have been different. Maybe they should be together. And as time passes, Autumn realizes she might not get another chance to make things right before it's too late. A riveting, feminist debut about four women navigating contemporary South Korea, a world of strict social hierarchies, extreme plastic surgery and K-pop fan mania. "Even as a girl,

I knew the only chance I had was to change my face. When I looked into the mirror, I knew everything in it had to change, even before a fortune-teller told me so." This utterly compelling novel follows the interconnected lives of four young women balancing on the edge of survival in contemporary Seoul, Korea. Kyuri is a heartbreakingly beautiful woman with a hard-won job at a "room salon," an exclusive bar where she entertains wealthy businessmen while they drink. Though she prides herself on her cold, clear-eyed approach to life, an impulsive mistake with a client one evening suddenly threatens her livelihood. Her roommate, Miho, is a talented artist who grew up in an orphanage but won a scholarship to study art in New York. Returning to Korea after college, she finds herself in an impossible relationship with the super-wealthy heir to one of Korea's biggest companies. Down the hall from their apartment building lives Ara, a hair stylist whose obsession with a boy-band pop star drives her to desperate extremes. And Wonna, on the floor just below, is a newlywed trying to get pregnant with a child that she and her husband will not be able to afford to raise and educate in the cutthroat economy of Seoul. Together, they give us a gripping picture of their unfamiliar world of cultural

hierarchies, yet unmistakably universal in the ways their tentative friendships will prove their saving grace. The idea of the pre-existence of the soul has been extremely important, widespread, and persistent throughout Western history--from even before the philosophy of Plato to the poetry of Robert Frost. This book offers the first systematic history of this little explored feature of Western culture. Terryl Givens underscores how durable (and controversial) this idea has been throughout history, highlighting the theological dangers it has represented, and revealing how prominently it has featured in poetry, literature, and art. "These letters of two poets and solitaries betray a giddy delight in wordplay, unconstrained by rules of grammar or conventions of spelling. Puns, portmanteaus, and inside jokes abound. The thirty-year exchange began when Merton dashed off a note on June 17, 1938, after spending a week with Lax's family. The final epistle in their correspondence was written by Lax on December 8, 1968. Merton died in Bangkok five days later and never received it." "Arthur Biddle spent nearly ten years collecting every letter known to exist between Merton and Lax, a total of 346, two-thirds of which have never been published. Biddle provides chronologies of

their lives and, through unobtrusive notes, places events and people in context within the letters. This volume also includes the text of a rare interview with Lax."--BOOK JACKET.

Longlisted for the 2020 National Book Award for Fiction Finalist for the 2021 Aspen Words Literary Prize Mingling the earthy with the otherworldly, these ten stories chronicle ineffable events in ordinary lives. In Kenan's fictional territory of Tims Creek, North Carolina, an old man rages in his nursing home, a parson beats up an adulterer, a rich man is haunted by a hog, and an elderly woman turns unwitting miracle worker. A retired plumber travels to Manhattan, where Billy Idol sweeps him into his entourage. An architect who lost his famous lover to AIDS reconnects with a high-school fling. Howard Hughes seeks out the woman who once cooked him butter beans. Shot through with humor and seasoned by inventiveness and maturity, Kenan riffs on appetites of all kinds, on the eerie persistence of history, and on unstoppable lovers and unexpected salvations. *If I Had Two Wings* is a rich chorus of voices and visions, dreams and prophecies, marked by physicality and spirit. Kenan's prose is nothing short of wondrous. If you could have any animal's hair, whose would you choose? If you had a polar bear's double coat, you would never have to

wear a hat when playing in the snow. If you had reindeer hair, it could help you stay afloat in water. And if you had a porcupine's hair, no bully would ever bother you again!

WHAT IF YOU HAD ANIMAL HAIR? is a follow-up to the adorable WHAT IF YOU HAD ANIMAL TEETH? Each spread will feature a photographic image of the animal and its hair on the left and an illustration of a child with that animal's hair on the right. As in ANIMAL TEETH, the illustrations will be humorous and will accompany informative text. This charming and imaginative story in the bestselling If I had... series imagines life with an octopus as a pet. I really want a clever pet, a pet with many charms. The sort of pet with talents, and a large amount of arms Have you ever thought about what the best aquatic pet would be? It's an octopus, of course! Playing different ball games simultaneously and staying camouflaged when it's bedtime is eight times the fun - just watch out for the ink... With vibrant illustrations and playful rhymes, If I Had an Octopus is a delightful bedtime story that follows a little girl's flight of fancy as she imagines the advantages and disadvantages of having an octopus for a pet. Today's hottest rapper' the enigmatic Eminem' delivers a provocative collection of his uncensored lyrics, complete with personal commentary on

each controversial song. *Angry Blonde* is the only official Eminem book on the market, done with the complete authorisation and support of the rap superstar. Eminem is a multi-platinum recording artist whose albums *The Slim Shady LP* and *The Marshall Mathers LP* have sold nearly nine million copies combined. Eminem's most recent release, *The Marshall Mathers LP*, made music history as the fastest-selling album from a solo act in Billboard history' it sold 1.76 million copies in its first week and has netted 6 million copies to date. ?

Entertainment Weekly called *The Marshall Mathers LP* "The first great pop record of the 21st Century." Eminem is everywhere. His face has graced the covers of *Rolling Stone*, *Entertainment Weekly*, and *Spin*, among other magazines; he has a Pay-Per-View special slated for Christmas 2000; and he will be performing at the MTV Video Music Awards this September. Eminem's personal life is also garnering him a lot of media attention: he's currently being sued for defamation of character by his mother and faces two separate assault charges. Along with his controversial lyrics and Eminem's own commentary on them, *Angry Blonde* will feature never-before-published photos. A young woman's search for home and belonging This luminous debut follows a young woman from her childhood

in Vietnam to her life in the United States – and her necessary return to her homeland. As a child, isolated from the world in a secretive military encampment with her distant mother, she turns for affection to a sympathetic soldier and to the only other girl in the camp, forming two friendships that will shape the rest of her life. As a young adult in New York, cut off from her native country and haunted by the scars of her youth, she is still in search of a home. She falls in love with a married woman who is the image of her childhood friend, and follows strangers because they remind her of her soldier. When tragedy arises, she must return to Vietnam to confront the memories of her youth – and recover her identity. An inspiring meditation on love, loss, motherhood, and the presence of a past that never dies, *If I Had Two Lives* explores the ancient question: do we value the people in our lives because of who they are, or because of what we need them to be? It is good to see this book back in print . . . a distinguished contribution to the canon of alternate histories. Gary Sheffield in *Military History* The question what if Germany had invaded the British Isles has long preoccupied writers, but none have dealt with the subject as comprehensively and effectively as Norman Longmate. Based on a classic

television film of the same name, *If Britain Had Fallen* covers every phase of the subject, from the German pre-invasion maneuvering and preparations, the landing of troops, to the German seizure of power. What follows is a fascinating contemplation of what it would have been like to live day to day under German occupation, creating a new reality that is thoroughly believable and thus all the more frightening. What would have happened to the King and the Government? Would America, Canada or Australia come to the rescue? Would the British people have come to accept the occupation? Would the deportation of friends, the flying of the swastika from Buckingham Palace incite passive compliance, or brave resistance? All these questions and more are explored to their full in this thought provoking and chilling pastiche of the centuries most enduring and darkest episodes. This is a classic book, with fresh material from Norman Longmate. "As a child dreams of all the things in her world that make her happy, she realizes how fortunate she is to live in the world she does"-- The bestselling workbook and grammar guide, revised and updated! Hailed as one of the best books around for teaching grammar, *The Blue Book of Grammar and Punctuation* includes easy-to-understand rules, abundant examples, dozens of

reproducible quizzes, and pre- and post-tests to help teach grammar to middle and high schoolers, college students, ESL students, homeschoolers, and more. This concise, entertaining workbook makes learning English grammar and usage simple and fun. This updated 12th edition reflects the latest updates to English usage and grammar, and includes answers to all reproducible quizzes to facilitate self-assessment and learning. Clear and concise, with easy-to-follow explanations, offering "just the facts" on English grammar, punctuation, and usage Fully updated to reflect the latest rules, along with even more quizzes and pre- and post-tests to help teach grammar Ideal for students from seventh grade through adulthood in the US and abroad For anyone who wants to understand the major rules and subtle guidelines of English grammar and usage, The Blue Book of Grammar and Punctuation offers comprehensive, straightforward instruction. THE TIME HAS COME...for a new era of exploration. With the Dominion War behind them, the crew of the U.S.S. Defiant journeys through the wormhole as Commander Elias Vaughn leads a "corps of discovery" to blaze new trails into the unexplored reaches of the Gamma Quadrant. THE TIME HAS COME ...for a civilization to reach a crossroads. As political forces throughout the

Alpha Quadrant intersect at Deep Space 9™ to determine the future of Bajor, the planet's theological unity threatens to shatter. And for Colonel Kira Nerys, the path of the Prophets may become a road to ruin. THE TIME HAS COME...for a father and daughter to confront their past while a mother and son fight for the future, for lovers to be tested and for friendships to transform, and for worlds on opposite ends of the galaxy to face the dusk...or the dawn. TWILIGHT 'The satanic sex ring takes place around a quarry, near your friend's house. As well as your family there are four others, so far that we know of, involved.' When her dad was arrested and imprisoned for violently abusing his 15 children, Esther thought her life could begin at last. She couldn't have been more wrong. Another man was ready to take advantage of this vulnerable girl. Social services stepped in again, but this time they made things much, much worse . . . If Only I Had Told is Esther's personal and very brave memoir that tells the truth about Orkney's 1991 satanic sex scandal. It is a shocking account of how two evil men and a flawed system let down not just a young girl but a whole community. If you could have any animal's feet, whose would you choose? WHAT IF YOU HAD ANIMAL FEET? is the next book in the successful WHAT IF series

by Sandra Markle, illustrated by Howard McWilliam, following the very popular WHAT IF YOU HAD ANIMAL TEETH? and WHAT YOU IF HAD ANIMAL HAIR? This latest edition will teach kids about the amazing variety of feet in the animal kingdom and their specialty functions! From cheetahs' fast feet to mountain goats' nimble climbing hooves, to flies' sticky feet! Each animal profile will include a photo as well as illustrations of kids with animal feet that are sure to make kids laugh! This book offers a rich, insider's viewpoint of the lived experience of brain injury. Sherry, a survivor of brain injury himself, uses a cross-disciplinary theoretical approach (drawing upon the social and medical models of disability and combining them with lessons from feminism, queer theory, postcolonial and postmodern literature) to frame an enriching narrative about the lived experience of brain injury. From three bestselling authors comes an interwoven tale about a trio of World War II nurses stationed in the South Pacific who wage their own battle for freedom and survival. The Philippines, 1941. When U.S. Navy nurse Eleanor Lindstrom, U.S. Army nurse Penny Franklin, and Filipina nurse Lita Capel forge a friendship at the Army Navy Club in Manila, they believe they're living a paradise assignment. All three are seeking a way to

escape their pasts, but soon the beauty and promise of their surroundings give way to the heavy mantle of war. Caught in the crosshairs of a fight between the U.S. military and the Imperial Japanese Army for control of the Philippine Islands, the nurses are forced to serve under combat conditions and, ultimately, endure captivity as the first female prisoners of the Second World War. As their resiliency is tested in the face of squalid living arrangements, food shortages, and the enemy's blatant disregard for the articles of the Geneva Convention, the women strive to keep their hope—and their fellow inmates—alive, though not without great cost. In this sweeping story based on the true experiences of nurses dubbed “the Angels of Bataan,” three women shift in and out of each other’s lives through the darkest days of the war, buoyed by their unwavering friendship and distant dreams of liberation. “Three of the biggest powerhouses in historical fiction come together to pen this breathtaking story of three nurses serving in the Philippines during the Second World War.” —PAM JENOFF, New York Times bestselling author of *The Woman with the Blue Star* World War II historical fiction Stand-alone novel Book length: approximately 128,000 words Includes discussion questions for book clubs As read by David Schwimmer on

CBeebies Bedtime Story, now available as a board book. In this charming trip of the imagination, a little girl delights in experiencing life at a slower pace as she shares her day with a sleepy sloth who moves so slowly, moss grows in his fur! This sloth may be sleepy but it's a champion on the jungle gym, thanks to its super gripping skills. And climbing trees has never been so easy! But the little girl's hairdresser is less than impressed to find not just moss but also moths in its fur - and by the time our sleepy sloth has finished its morning walk, the day is almost done. Through rollicking rhymes and bold, graphic illustrations, *If I Had a Sleepy Sloth* imagines the positives and negatives of having a sloth for a pet and provides a welcome alternative to the fast pace of modern life by creating the time for readers to simply b-r-e-a-t-h-e. If you could have any animal's front teeth, whose would you choose? *WHAT IF YOU HAD ANIMAL TEETH?* takes children on a fun, informative, and imaginative journey as they explore what it would be like if their own front teeth were replaced by those of a different animal. Featuring a dozen animals (beaver, great white shark, narwhal, elephant, rattlesnake, naked mole rat, hippopotamus, crocodile, and more), this book explores how different teeth are

especially adapted for an animal's survival. At the end of the book, children will discover why their own teeth are just right for them. And they'll also get a friendly reminder to take good care of their teeth, because they're the only teeth they'll ever have. Each spread features a photograph of the animal using its specialized teeth on the left and a humorous illustrated image of a child using that animal's teeth on the right. Ortberg, in his engaging and humorous style, reflects on the biblical story in Matthew 14 and applies it to our lives today. He helps us recognize what boat we're in--the comfortable situation where we're hiding--and encourages us to face our fears and embrace the unique calling of God in our lives. if i had a dragon, playtime would be great... wouldn't it? If Hovercraft Can Go Anywhere, How Did We End Up Here? tells the stories of two hovercraft fixers who gave up some of the best years of their lives to repair and commission hovercraft all over the world. Unfortunately, the places that need hovercraft are tough, rugged, god-forsaken and not in the least bit glamorous - just like John and Russ, in fact. Whether impounded in the docks, in pieces in a hanger or strapped to a stranded lorry, as John once put it, "There's always a bloody hovercraft waiting to be fixed." From the duo behind the best-

selling *If I Had a Dinosaur* comes this humorous and imaginative celebration of unicorns. Have you ever given any thought to what the perfect magical pet would be? Giants are far too big, and dragons are way too hot, but what about a unicorn? It might eat all your ice cream for breakfast, but if you get upset about that, it will feed you cotton candy! It can sprinkle star dust on grumpy siblings, carry you to soccer practice on a rainbow, and make sure you dream nothing but sweet and fluffy unicorn dreams. In this playful tale, a little girl finds out firsthand what it's like to have a magical creature as a pet. "A little boy speculates on the wonderful and courageous things his dog would do--if he had one. Our heroine can't think of anything better than bringing home a baby raptor - all teensy and tiny, fluffy and funny. It would cuddle and play, stalk birds and dust bunnies, and curl up on laps. In short, it would be the perfect pet. Readers may notice striking similarities between the raptor's behaviour and that of a more common house pet. But whether their first love is dinosaurs or kittens, little people with big imaginations will definitely warm to this perfect picture book. "Dan Neuharth's book demystifies much within our pasts that can hurt our intimate relationships in ways we may

not even realize. If You Had Controlling Parents helps spark understanding and acceptance across generations." — John Gray, Ph.D., author of Men Are from Mars, Women Are from Venus

Do you sometimes feel as if you are living your life to please others? Do you give other people the benefit of the doubt but second-guess yourself? Do you struggle with perfectionism, anxiety, lack of confidence, emotional emptiness, or eating disorders? In your intimate relationships, have you found it difficult to get close without losing your sense of self? If so, you may be among the fifteen million adults in the United States who were raised with unhealthy parental control. In this groundbreaking bestseller by accomplished family therapist Dan Neuharth, Ph.D., you'll discover whether your parents controlled eating, appearance, speech, decisions, feelings, social life, and other aspects of your childhood—and whether that control may underlie problems you still struggle with in adulthood. Packed with inspiring case studies and dozens of practical suggestions, this book shows you how to leave home emotionally so you can improve assertiveness, boundaries, and confidence, quiet your "inner critics," and bring more balance to your moods and relationships. Offering compassion, not blame, Dr. Neuharth

helps you make peace with your past and avoid overcontrolling your children and other loved ones. From the award-winning duo behind *If I Had a Dinosaur* comes this humorous and imaginative celebration of kangaroos. Have you ever given any thought to what the perfect jumping pet would be? Wombats are cute, and koalas can cling, but what about a springy kangaroo? Being an ace on the trampoline is a breeze when you have a kangaroo for a pet, but hold on to your stomach during the school run—it's pretty bumpy being bounced around in a pouch. In this charming, rhyming bedtime story, a young protagonist imagines what it would be like to have an outrageously impractical pet. Laugh-out-loud details in Alex Barrow's bold, graphic illustrations, along with Gabby Dawnay's sweet text, make *If I Had a Kangaroo* a soon to be favorite in the *If I Had A...* series. If you could have any dinosaur body part, which would you choose? What if you woke up one morning and you had sprouted a dinosaur body part overnight? What if you had T. rex Teeth? -- the next imaginative book in the *What If You Had* series -- explores what would happen if you looked in the mirror and saw that you had become part dino! From a Velociraptor's sharp sickle-tipped toes to a T. rex's giant curved teeth, and from the body armor of an Ankylosaurus to

the long neck of a Brachiosaurus -- discover what it would be like if you had one of these wild dinosaur parts! Readers will also learn what makes a dinosaur a dinosaur and why they aren't still around today.
