Outside - a Post-Apocalyptic Novel Feb 16 2022 A post-apocalyptic romance thriller. The future is divided by Perimeters: high-security gated communities where life goes on as normal. If you're inside you're lucky. If you're outside, life expectancy takes a nose dive. Riley is fortunate to have been born on the right side of the fence. But her cosseted life of privilege comes crashing down when someone breaks through and murders her sister. She forsakes her own safety to go in search of the killer. Luc decides to go with her otherwise she'll be dead before she's past the security gate. But what awaits her outside is more unbelievable than she ever imagined.

The Day of the Triffids Feb 28 2023 The classic postapocalyptic thriller with “all the reality of a vividly realized nightmare” (The Times, London). Triffids are odd, interesting little plants that grow in everyone’s garden. Triffids are no more than mere curiosities—until an event occurs that alters human life forever. What seems to be a spectacular meteor shower turns into a bizarre, green inferno that blinds everyone and renders humankind helpless. What follows is even stranger: spores from the inferno cause the triffids to suddenly take on a life of their own. They become large, crawling vegetation, with the ability to uproot and roam about the country, attacking humans and inflicting pain and agony. William Masen somehow managed to escape being blinded in the inferno, and now after leaving the hospital, he is one of the few survivors who can see. And he may be the only one who can save his species from chaos and eventual extinction . . . With more than a million copies sold, *The Day of the Triffids* is a landmark of speculative fiction, and “an outstanding and entertaining novel” (Library Journal). “A thoroughly English apocalypse, it rivals H. G. Wells in conveying how the everyday invaded by the alien would feel. No wonder Stephen King admires Wyndham so much.” —Ramsey Campbell, author of *The Overnight* “One of my all-time favorite novels. It’s absolutely convincing, full of little telling details, and that sweet, warm sensation of horror and mystery.” —Joe R. Lansdale, author of *Edge of Dark Water*

[Safe Haven](#) Apr 06 2021 The planet has succumbed to a monstrous virus. Those who die from the infection return as savage predators hell-bent on spreading the virus to the rest of the human population. The UK and Ireland are the last hold-outs, but when the infrastructure supporting their self-imposed quarantine collapses, it's everyone for themselves. Mike Fletcher and his sister Emma live in Leeds. With the city's streets overrun by the dead, their only option is to flee. They take their younger siblings and set off to find their last remaining relative in the far north-west of Scotland. As they travel north they encounter other survivors - but who can they trust? Their terrifying journey will require them to confront horrors both human and inhuman, in the outside world and

within themselves. Will they ever find a safe haven?

THEM Incursion May 07 2021 When former Army Ranger Scratch Sullivan is tipped off to a zombie incursion into the safe zone he protects, he's forced to head into the heart of the badlands to save his town from annihilation. The threat he's up against is unlike anything he's faced before, but Scratch won't turn back until the mission is complete and his people are safe.

36 Hours Dec 14 2021 WHAT WOULD YOU DO if a voice was screaming in your head - GET READY . . .for a catastrophic event of epic proportions . . .with no idea where to start . . .or how, or when? This is a true story, it just hasn't happened yet. A new dystopian, post-apocalyptic fiction series from six-time best-selling author Bobby Akart (The Boston Brahmin series and the Prepping for Tomorrow series). The characters depicted in The Blackout Series are fictional. The events, however, are based upon fact. This is not the story of preppers with stockpiles of food, weapons, and a hidden bunker. This is the story of Colton Ryman, his stay-at-home wife, Madison, and their teenage daughter, Alex. In 36 Hours, the Ryman family and the rest of the world will be thrust into the darkness of a post-apocalyptic world. A catastrophic solar flare, an EMP--a threat from above to America's soft underbelly below--is hurtling toward our planet. The Rymans have never heard of preppers and have no concept of what prepping entails. But they're learning, while they run out of time. Their faith will be tested, their freedom will be threatened, but their family will survive. An EMP, naturally generated from our sun in the form of a solar flare, has happened before, and it will happen again, in only 36 Hours. This is a story about how our sun, the planet's source of life, can also devastate our modern world. It's a story about panic, chaos, and the final straws that shattered an already thin veneer of civility. It is a warning to us all ...never underestimate the depravity of man. What would you do when the clock strikes zero? Midnight is forever. Note: This book does not contain strong language. It is intended to entertain and inform audiences of all ages, including teen and young adults. Although some scenes depict the realistic threat our nation faces from a devastating solar flare, and the societal collapse which will result in the aftermath, it does not contain graphic scenes typical of other books in the post-apocalyptic genre.

Beautiful Disaster Signed Limited Edition Oct 12 2021 Abby Abernathy is re-inventing herself as the good girl as she begins her freshman year at college, which is why she must resist lean, cut, and tattooed Travis Maddox, a classic bad boy.

Families First Jan 15 2022 When a devastating Electromagnetic Pulse is detonated over the USA, it leads to a total loss of power and a complete and catastrophic breakdown of everyday society. As the country descends into chaos and anarchy, one man makes an epic decision in order to save his loved ones and find a place of safety. From their home in McKinney, Texas, Lance prepares to lead his wife and three young sons, along with an assorted group of friends and neighbors, on a long and treacherous journey across the country, towards the only point on the map he can think of that will provide them with the security they need. Their journey promises to be long and arduous, and Lance will discover more about life than he ever thought possible as they find that desperate circumstances most often bring out the best, and sometimes the worst, in human nature. But the sprawling Saddle Ranch is in the Colorado Rocky Mountains and between them lies over 800 miles of harsh terrain, now filled with desperate and wretched hostiles. Can Lance navigate a safe passage to the promise of a better life for them all? Or has he taken on much more than he bargained for?

A Quiet Apocalypse May 27 2020 The end is hear... A mutant strain of meningitis has wiped out most of mankind. The few who have survived the fever are now deaf. Bitter with loss and terrified to leave the city known as Cathedral, the inhabitants rely on The Samaritans, search teams sent out into the surrounding countryside. Their purpose, to

hunt down and enslave the greatest commodity on Earth, an even smaller group of people immune to the virus, people who can still hear. People like me. My name is Chris. This is my story. "A Quiet Apocalypse is told from the perspective of ex-schoolteacher Chris, a hearing survivor. He has lost everything, including his freedom, and through his eyes we learn of what it is like to live as a slave in this terrible new world of fear and loss. I was keen to write a piece that preyed upon people's traditional misconceptions of deafness as an illness, and the imposition of 'hearing' norms. It is a story that has poignancy in any understanding of the struggles of minority groups." - Author, Dave Jeffery (Cover by Adrian Baldwin; original artwork by Roberto Segate)

Hell Divers II: Ghosts Aug 10 2021 The New York Times and USA Today bestselling series Betrayal and sacrifice in the skies ... Ten years ago, Hell Diver Xavier "X" Rodriguez fell to Earth. Those he left behind went on without him aboard the airship he once called home. Michael Everhart—the boy once known as Tin—has grown into a man and the commander of Hell Diver Raptor Team. While Michael dives to help keep the Hive in the air, Captain Leon Jordan rules with an iron fist at the helm of the ship. But unrest stirs under his strict leadership as a prophecy of hope sweeps the lower decks. When a mysterious distress signal calls the Hell Divers to the surface, Michael and his loyal team begin to uncover long-buried truths and the secrets Captain Jordan will do anything to keep. They dive so humanity survives ... but will they survive the ultimate betrayal? Nicholas Sansbury Smith delivers another heart-pounding thriller in Hell Divers II: Ghosts, the second book in the acclaimed science fiction series.

The Last Escape Mar 05 2021 They were dead. All of them. In the wake of a massacre, Ella, Bray, and William flee into the wild, hoping to escape the brutal vengeance of an unforgiving leader. In Brighton, political and economic tensions boil. Famine is approaching. The monsters are amassing. And a costly decision must be made, one that will threaten the lives of humanity's last survivors...

The Road Mar 17 2022 The post-apocalyptic modern classic with an introduction by novelist John Banville. In a burned-out America, a father and his young son walk under a darkened sky, heading slowly for the coast. They have no idea what, if anything, awaits them there. The landscape is destroyed, nothing moves save the ash on the wind and cruel, lawless men stalk the roadside, lying in wait. Attempting to survive in this brave new world, the young boy and his protector have nothing but a pistol to defend themselves. They must keep walking. Winner of the Pulitzer Prize for Fiction, *The Road* is an incandescent novel, the story of a remarkable and profoundly moving journey. In this unflinching study of the best and worst of humankind, Cormac McCarthy boldly divines a future without hope, but one in which, miraculously, this young family finds tenderness. An exemplar of post-apocalyptic writing, *The Road* is a true modern classic, a masterful, moving and increasingly prescient novel. This edition is part of the Picador Collection, a series of the best in contemporary literature, inaugurated in Picador's 50th Anniversary year.

Rising Jan 27 2023 BATTLE IS BACK He survived The Scourge, defeated The Cartel, and escaped The Dwellers. Now he wants revenge. After a brutal attack on his homestead, Marcus Battle seeks to find the men who took away his second chance at life in a post-apocalyptic world. When he does, they'll wish they'd left him alone.

No Direction Home Mar 25 2020 Ordinary People Surviving Extraordinary Times A college student in Knoxville. An Irish couple on their dream vacation in Orlando. A bank robber in an Atlanta prison...what do they all have in common? They are survivors of vPx073, the most deadly virus ever to be unleashed on the planet. One that has brought civilization to a standstill. Haunted by the tragic death of his Gulf War veteran father, Cody Parsons is a struggling student at UTK when the pandemic hits Knoxville. Soon the

sharpshooting skills his father taught him as a fourteen-year-old are put to good use --- especially when an ex-US army combat engineer takes him under his wing. As food and water runs out, and roving gangs take over the cities, the paths of some very determined survivors are destined to meet...with surprising consequences. With strong, original characters that jump off the page, this is a fast-paced story that fans of post-apocalyptic survival fiction will appreciate.

The Extinction Trials Feb 04 2021 The end... is only the beginning. After a mysterious global event known only as 'The Change', six strangers wake up in an underground research facility where they learn that they're part of the Extinction Trials - a scientific experiment to restart the human race. But the Extinction Trials harbours a very big secret. And so does the world outside. From A.G. Riddle, the Amazon and Wall Street Journal bestselling author with nearly five million copies sold worldwide in twenty languages, comes an epic standalone adventure with a surprise ending unlike anything you've ever read before.

The Last Book in the Universe Apr 18 2022 This fast-paced action novel is set in a future where the world has been almost destroyed. Like the award-winning novel *Freak the Mighty*, this is Philbrick at his very best. It's the story of an epileptic teenager nicknamed Spaz, who begins the heroic fight to bring human intelligence back to the planet. In a world where most people are plugged into brain-drain entertainment systems, Spaz is the rare human being who can see life as it really is. When he meets an old man called Ryter, he begins to learn about Earth and its past. With Ryter as his companion, Spaz sets off an unlikely quest to save his dying sister -- and in the process, perhaps the world.

The Alpha Plague May 19 2022 When everything goes to hell, just one thing matters to Rhys ... getting to his six-year-old son before the virus does. *The Alpha Plague* is a post-apocalyptic survival thriller.

Surviving the Fall Sep 23 2022 The Critically Acclaimed Surviving the Fall Series, Now in One Complete Edition! Surviving the Fall is an epic survival/thriller post-apocalyptic series that asks the "what if" question that lurks in the back of everyone's mind. When a devastating attack cripples and destroys every Internet-connected device in the country, Rick Waters is stranded a thousand miles from his wife, Dianne, and their children. To get back home he'll have to draw on every survival instinct he has as he's pulled into a web of lies and conspiracy that threaten not just his survival but that of the entire world. Surviving the Fall is a thrilling post-apocalyptic episodic series that focuses on Rick and Dianne Waters and how they each deal with the apocalypse. Stranded across the country away from his family, Rick must travel from California to Virginia to reunite with his wife and children, all while struggling to comprehend and deal with the horrors along the way. At home with her three children when she experiences the beginning of the end in a dramatic and deadly fashion, Dianne Waters has experience as a prepper and survivalist, but not even years of training and preparation have readied her for the darkness that comes with the end of the world. Now she must draw upon those skills to protect her loved ones and fight back against those who come against her and her family. This complete edition of Surviving the Fall features all twelve books in the series, each one full of action, suspense and drama as Rick and Dianne struggle to survive the end of days.

The Passage Dec 02 2020 The Andromeda Strain meets The Stand in this startling and stunning thriller that brings to life a unique vision of the apocalypse and plays brilliantly with vampire mythology, revealing what becomes of human society when a top-secret government experiment spins wildly out of control. At an army research station in Colorado, an experiment is being conducted by the U.S. Government: twelve men are exposed to a virus meant to weaponize the human form by super-charging the immune system. But when the experiment goes terribly wrong, terror is unleashed. Amy, a young girl abandoned by her mother and set to be the thirteenth test subject, is rescued by Brad Wolgast, the FBI agent who has been tasked with handing her over, and together they escape to the mountains of Oregon. As civilization crumbles around them, Brad and Amy struggle to keep each other alive, clinging to hope and unable to comprehend the nightmare that approaches with great speed and no mercy. . .

The Stand Aug 22 2022 Stephen King's apocalyptic vision of a world blasted by virus and tangled in an elemental struggle between good and evil remains as riveting and eerily plausible as when it was first published. Soon to be a television series. 'THE STAND is a masterpiece' (Guardian). Set in a virus-decimated US, King's thrilling American fantasy epic, is a Classic. First come the days of the virus. Then come the dreams. Dark dreams that warn of the coming of the dark man. The apostate of death, his worn-down boot heels tramping the night roads. The warlord of the charnel house and Prince of Evil. His time is at hand. His empire grows in the west and the Apocalypse looms. When a man crashes his car into a petrol station, he brings with him the foul corpses of his wife and daughter. He dies and it doesn't take long for the virus which killed him to spread across America and the world.

Eden Rising Nov 25 2022 "The Earth died in less than a minute. Maybe that's an exaggeration. It's not like the planet ceased to exist altogether. It just seemed like it. Cities were reduced to rubble. Millions of people died that day. I've since been told that 95% of the Earth's human population was wiped out. I don't know if that's true-I mean, who can know that for sure? It's not like we still have any of the technology that we once used to determine such things. But I do know that it was almost empty of people-live ones, that is..." Thus begins the journey of Ben and Lila, two ordinary teenagers forced to rise to extraordinary heights when faced with a world that has suddenly and inexplicably died. Dealing with the sorrow of all they have lost, but the love they have found in each other, they set off on an odyssey that will bring them to the limits of human endurance and face to face with the frailty of their very existence. From the extreme violence of many of the surviving humans toward one another, to a world physically falling apart at the seams, Ben and Lila are determined to make it through the devastation in their quest for a place to quietly share their life together. In the process, they have to become as violent as the world around them in order to survive, while struggling to hold onto the humanity that will keep them sane. *Eden Rising* is a survival tale and a love story, but it is also a book that delves deeply into the human psyche to discover just how far we would go to survive, and how much inner strength can be found when things are at their absolute worst.

Boneshaker Nov 01 2020 WINNER OF THE LOCUS AWARD FOR BEST NOVEL Ezekiel Blue's father committed a crime, unleashing a deadly menace into steampowered Seattle. And his bereaved family has paid the price. Now, Ezekiel is determined to clear his father's name, risking death and the undead in the attempt. Sixteen years ago, as the American Civil War dawned, gold brought hordes to the frozen Klondike. Fanatical in their greed, Russian prospectors commissioned Dr Leviticus Blue to create a great machine, to mine through Alaska's ice. Thus the Incredible Bone-Shaking Drill Engine was born. But the *Boneshaker* went awry, destroying downtown Seattle and unearthing a subterranean vein of blight gas. Anyone who breathed its fumes turning into the living dead. The devastated city is now walled in to contain the blight. But unknown to Briar, his widowed mother, Ezekiel is going in. His quest will take him into a city teeming with ravenous undead, air pirates, criminal overlords, and heavily armed refugees. And only Briar can bring him out alive. 'Adventure of rollicking pace and sweeping proportions ... this book is made of irresistible' Scott Westerfeld, 'This is a hoot from start to finish' Cory Doctorow, 'Intelligent, exceptionally well written and showcasing a phenomenal strong female protagonist' Publishers Weekly

[American Cities in Post-Apocalyptic Science Fiction](#) Jun 20 2022 Visions of the American city in post-apocalyptic ruin permeate literary and popular fiction, across print, visual, audio and digital media. *American Cities in Post-Apocalyptic Science Fiction* explores the prevalence of these representations in American culture, drawing from a wide range of primary and critical works from the early-twentieth century to today. Beginning with science fiction in literary magazines, before taking in radio dramas, film, video games and expansive transmedia franchises, Robert Yeates argues that post-apocalyptic representations of the American city are uniquely suited for explorations of contemporary urban issues. Examining how the post-apocalyptic American city has been repeatedly adapted and repurposed to new and developing media over the last century, this book reveals that the content and form of such texts work together to create vivid and immersive fictional spaces in ways that would otherwise not be possible. Chapters present media-specific analyses of these texts, situating them within their historical contexts and the broader history of representations of urban ruins in American fiction. Original in its scope and cross-media approach, *American Cities in Post-Apocalyptic Science Fiction* both illuminates little-studied texts and provides provocative new readings of familiar works such as *Blade Runner* and *The Walking Dead*, placing them within the larger historical context of imaginings of the American city in ruins.

Into Twilight: An Apocalyptic LitRPG Feb 22 2020 Seek out new life and civilizations. Kill them for their mana. Aliens are blown away by science. Daniel Thrush is the only known human with the ability to learn the magic which runs the various empires of the universe. Earth is in the crosshairs of the Tellask Empire, a race that discovered magic millennia before humanity even mastered fire. All known aliens focus on the arcane. Upon learning of magic, their technological progress all but halted as great voidships spread their colonies across the galaxy. For all of Earth's military might, their only hope is to incorporate the alien's magic into technology, to use the enemy's own tools to fight them. The government is dead-set on transforming magic into a standard-issue weapon. That means finding monsters and harvesting their mana, usually after sticking them with a sword. Despite his better judgement, and the world on his shoulders, Daniel leaves Earth behind to bring them back a future.

The End Dec 22 2019 A man fights to protect his family in this postapocalyptic survival novel—the first in the New World series. Young Gordon Van Zandt valued duty and loyalty to country above all, so after 9/11, he dropped out of college and joined the Marine Corps. This idealism vanished one fateful day in a war-torn city in Iraq. Ten years later, he is still struggling with the ghosts of his past when a new reality is thrust upon him and his family: North America, Europe and the Far East have all suffered a devastating Super-EMP attack, which causes catastrophic damage to the nation's power grid and essential infrastructures. Everything from cell phones to cars to computers cease to function, putting society at a standstill. With civilization in chaos, Gordon must fight for the limited and fast dwindling resources. He knows survival requires action and cooperation with his neighbors, but as the days wear on, so does all sense of civility within his community—and so he must make some of the most difficult decisions of his life in order to ensure his family's safety.

Serious Crimes Oct 24 2022 Policing Post-Apocalyptic Britain. Strike A Match They called them Artificial Intelligences. Sentient viruses were closer to the truth. They spread throughout the world until every networked circuit was infected. Then they went to war. Millions died in the nuclear holocaust that brought an abrupt end to the AI's brief reign of terror. Billions more succumbed to radiation, starvation, and disease. But millions survived, and they rebuilt. Serious Crimes Twenty years later, a ceremony is being held to mark the first transatlantic broadcast since The Blackout. The Prime Minister of Britain and two of the Presidents of the United States will speak to an audience of nearly ten million people. Not all are celebrating. Crime is on the rise, and power is once again a prize worth murdering for. Ruth Deering, a new graduate from the police academy, doesn't care about ancient history or current affairs. She only joined the force to escape the smog-infested city. Those hopes are dashed when she is assigned to the Serious Crimes Unit, commanded by the disgraced Sergeant Mitchell. Her first case seems like a simple murder, but the investigation uncovers a counterfeiting ring and a conspiracy that threatens to destroy their fragile democracy. Serious Crimes is a transatlantic thriller set in a world of rationing and ruins, democracy and despotism, steam trains and smart phones. This is not the story of how the apocalypse is survived, but of what happens next. (77,000 words). The investigation continues in Counterfeit Conspiracy.

Life as We Knew it Sep 11 2021 I guess I always felt even if the world came to an end, McDonald's still would be open. High school sophomore Miranda's disbelief turns to fear in a split second when an asteroid knocks the moon closer to Earth, like "one marble hits another." The result is catastrophic. How can her family prepare for the future when worldwide tsunamis are wiping out the coasts, earthquakes are rocking the continents, and volcanic ash is blocking out the sun? As August turns dark and wintery in northeastern Pennsylvania, Miranda, her two brothers, and their mother retreat to the

unexpected safe haven of their sunroom, where they subsist on stockpiled food and limited water in the warmth of a wood-burning stove. Told in a year's worth of journal entries, this heart-pounding story chronicles Miranda's struggle to hold on to the most important resource of all--hope--in an increasingly desperate and unfamiliar world. An extraordinary series debut Susan Beth Pfeffer has written several companion novels to *Life As We Knew It*, including *The Dead and the Gone*, *This World We Live In*, and *The Shade of the Moon*.

Two years later, Bryce still haunts the city's most notorious nightclubs - but seeking only oblivion now. Then the murderer attacks again. And when an infamous Fallen angel, Hunt Athalar, is assigned to watch her every footstep, Bryce knows she can't forget any longer. As Bryce and Hunt fight to unravel the mystery and their own dark pasts, the threads they tug ripple through the underbelly of the city, across warring continents and down to the deepest levels of Hel, where things that have been sleeping for millennia are beginning to stir ... Perfect for fans of Jessica Jones and True Blood, this is a blockbuster modern fantasy set in a divided world where one woman must uncover the truth to seek her revenge. With unforgettable characters and page-turning suspense, this richly inventive new fantasy series by #1 New York Times bestselling author Sarah J. Maas delves into the heartache of loss, the price of freedom - and the power of love.

CONTAIN (BUNKER 12 series pilot) Three years. That's how long Finnian Bolles has been hiding inside the impregnable walls of the hydroelectric complex known as Bunker 8. Three years, with enough resources to last him and the other thirty survivors three more. But then a series of disturbing events culminates in the sudden appearance of a stranger at their door. Before he too falls victim to the mysterious sickness known as the Flense, he warns them of a fate more horrific than the one they've been avoiding. But to prevent it, they must leave and seek a place many insist doesn't exist, a mythical twelfth bunker.

SERIES DESCRIPTION: Requiring no more than the slightest skin-to-skin contact, the Flense spreads with ruthless speed and stealth, decimating mankind before it's even aware of it. The infected are turned into soulless creatures, Wraiths, which wreak destruction upon anyone and anything in their path. Secure inside ten isolated bunkers are Humanity's tattered remains, each working tirelessly to unravel the mystery of the scourge. But the bunkers were never meant to protect forever. In fact, they were never meant to protect at all. CONTAIN is the first book in the new thriller cyberpunk series BUNKER 12. Future installments scheduled for Nov '15, May '16, and Nov '16
