Women Writers of Great Britain and Europe Apr 04 2021 First Published in 1997. Routledge is an imprint of Taylor & Francis, an informa company.

Lies Behind the Family Sep 09 2021 This story takes place in a typical small college town in Illinois that holds a long time dark secret. By a mere chance several college students are connected in a way they would never have thought possible. As a string of "accidents" occur that are soon to be discovered murders, the secrets and lies begin to unravel the small town and some of its oldest residents. New relationships are beginning to form as old ones are revisited or tested. Among the fight, confusion, truth and lies a struggle to save lives, may cost more than anyone is willing to give.

Human Development and Performance Throughout the Lifespan Mar 23 2020 Human Development & Performance Throughout the Lifespan, 2nd Edition is ideal for occupational therapy, physical therapy, and other rehabilitation disciplines. It provides a broad, occupation-based viewpoint of development and performance throughout all life stages with an emphasis on the factors that influence daily participation and optimal performance of desired daily life tasks. The authors use a life course conceptual model as an organizational foundation for clinical reasoning to help readers understand how to implement the activity- and participation-based goals and outcomes for therapy. Written by an occupational therapist and a physical therapist, the book incorporates chapters by leading experts in human development, giving users cutting-

edge information and a wide range of perspectives. By integrating information from the International Classification of Function and Disability (ICF) with a developmental life-task perspective, the book gives both newcomers and experienced professionals an essential, contemporary frame of reference. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The Future of Zero Tolerance Sep 28 2020 Absurdity, social realism, and the indepth examination of the human condition are but a few of the themes that comprise the contents of the seventythree short stories breathing menacingly between the covers of this book. Humor attacks surrealism on a landscape sun-saturated with saintly thought and intense clarity creations first simple act of pure effervescence getting drowned.

The Ambassador's Wife Jun 25 2020

The Last Saint Feb 14 2022 After spending her whole childhood fighting her father's claim that she was born in evil, Mariella thought she had set up the perfect life with the perfect husband and perfect children. One night, when her husband Dominic comes home covered in blood, Mariella's life changes forever. Triggered by the traumatic event, she plunges into a terrifying psychological decline that threatens her life as well the lives of her family. With her family oblivious to her declining state, can her long lost sister Helen reach out to her before it's too late?

The Angel Tasted Temptation Mar 03 2021 Shirley Jump dishes up a red-hot romance in the third installment of her Sweet and Savory Romances series. Exotic food and a no-strings attached hunk top Meredith Shordon's "I-Want" list when she leaves her life behind in Indiana and heads for Boston to experience big city life. At the top of her list? Losing her virginity to Mr. Right Now, without getting tangled up with Mr. Right. Reformed party animal Travis Campbell won't be tempted--until he meets the determined Indiana farm girl and realizes taking a bite of temptation only leaves him wanting more. He's just sworn off women for thirty days, but Meredith is doing her best to tempt him into her bed, before he captures her heart. *Special bonus material: Recipes written by the characters inside!* The original version of this eBook was published in 2005, and titled as The Angel Craved Lobster

For students on a wide range of courses, this sourcebook offers the essential stepping-stone from a basic reading knowledge to an advanced understanding of Hardy's best-known novel.

Welcome to My Family Sep 21 2022 FLINTRIDGE, MICHIGAN. It's Kathleen O'Halloran's hometown. It's also Slater Kowalski's. And it's a town divided. Kat and her exuberant family live in the part of Flintridge known as the Hill; Slater is from the Ridge. Slater is the president of Flintridge Motors; Kat's family works for his rival. Ridge and Hill have always functioned as almost separate communities, but the boundaries start to blur when Kat goes to work for Slater's company—and even more when she falls in love with him. Still, the course of love is far from smooth. Slater's exciting new project is being sabotaged. From within or without? He needs to know, and so does Kat. Then there's the strange behavior of Kat's father and Slater's dad, who have unexpectedly become allies. And what about Kat's brothers, who are determined not to welcome Slater to the family? Sabotage and secrets, old rivalries and new hopes. Can two people in love create one town...and one family?

Diana Nov 11 2021 An intimate portrait of the Princess of Wales describes her public and private life, reveals details about her marital problems, and discusses her attitudes toward motherhood and public service.

In to Her Feb 26 2023 In To Her is a whole lot of sexy, suspenseful MFM and MMF romance and an angst-y HEA that will leave you guessing until the very last sentence. (This is not a love triangle).

Meet Me in Barcelona Jul 07 2021 A surprise trip to Barcelona with her boyfriend, Jake, seems like the perfect antidote to Grace Sawyer's current woes. The city is dazzling and unpredictable, but the biggest surprise for Grace is discovering who arranged and paid for the vacation. Carrie Ann wasn't just Grace's foster sister. Clever, pretty, and mercurial, she was her best friend--until everything went terribly wrong. Now, as she flees an abusive marriage, Carrie Ann has turned to the one person she hopes will come through for her. Despite her initial misgivings, Grace wants to help. But then Carrie Ann and Jake both go missing. Stunned and confused, Grace begins to realize how much of herself she's kept from Jake--and how much of Carrie Ann she never understood. Soon Grace is baited into following a trail of scant clues across Spain, determined to find the truth, even if she must revisit her troubled past to do it. . . Mary Carter's intriguing novel delves into the complexities of childhood bonds, the corrosive weight of guilt and blame, and all the ways we try--and often fail--to truly know the ones we love. Praise for Mary Carter "A touching novel." --Publishers Weekly on *The Things I Do For You* "This is guaranteed to become one of the books on your shelf that you'll want to read again." --The Free Lance-Star on *The Pub Across the Pond*

Bound by Danger Feb 20 2020 Army officer Deidre Roux has hidden her psychic abilities until now. But ominous visions plague her and between the martial arts tactics her twin brother taught her and the hand-to-hand combat she learned in the Army—she's realizing just how important these skills are for her well-being. When a reporter moves in next door, she's not sure just what to think. Dave Carter owns a gun—it is Texas—and comes to her rescue when her brother suddenly drops into her life again. From there it's the normal stuff that women and men tend to do when they're getting to know each other—boating, swimming, dancing—except for one thing...she's trying to keep her secret under wraps at all costs, which is difficult to do when she's under surveillance by the FBI, and people keep wanting her dead. Could a reporter, who's not really a reporter, prove he might just have what it takes to keep her safe—for the long run?

LATROMMI May 25 2020 Lands ravaged by war of supernatural forces leave despair in the hearts of many. Years after the tragic stand of the gifted proving themselves to the ones they used to call family, present a new deadly hurdle that no eyes see coming. Slow and unstoppable sickness known as the Cry Cell Cancer, which plagues countless residents despite age or any other factor. With nowhere to go, trapped within their own lands, the son of the legendary and infamous Nolan Ceeth steps forward. Aiming to correct past transgressions formed from past actions of his relatives. Starting with the most formidable problem first, Cry Cell. Being public enemy number one leaves him alone with just the ambition to put things right. Will his ambition be enough to keep his home from slow, certain demise?

Narratives of Sorcery and Magic from the Most Authentic Sources Jan 21 2020

Pius XII Nov 30 2020 Noel has produced an extraordinary interpretation of the exercise of power and the psychological mechanisms behind it.

No Longer and Not Yet May 17 2022 Stories of small-town life on the Upper West Side of Manhattan. The stories in No Longer and Not Yet look at the ways our lives are lived in the split seconds between what is no longer but is still not yet. Most take place on Manhattan's iconic Upper West Side, in the shops, hallways, and parks that reveal this well-known "big city" neighborhood for the tiny, even backwater village it more

often resembles. An Upper West Sider herself, Joanna Clapps Herman draws her characters honestly yet tenderly, revealing them as much through how they move—the slope of a shoulder, a vocal inflection, the weight of a football—as by what they do, as though their bodies speak the truths they can't express. Here, Hannah Arendt's ghost haunts the building where she once lived, a hawk carries the apparition of a lost loved one, a homeless woman becomes Demeter. Small moments and intimacies of life weave together to form a bigger picture: the squeak of the hotel bed, a leaf on a saucer, the quality of light in the therapist's office, the doorman's familiar jokes, the open cupboards, the unspoken words. These stories show that, although we may think of ourselves in larger mythic narratives, our days are set in the terrain that is the opposite of the vast. "Time and the city are the subjects of these beautifully connected stories: children are born and become themselves, marriages take shape, a handsome doorman opens the lobby door, snow falls on a man who lives in a box outside. Like Tolstoy, the writing is both exquisite and transparent, and everything is bathed in feeling and light and intelligence." — Myra Goldberg, author of *Whistling and Other Stories* and *Rosalind: A Family Romance* "No Longer and Not Yet is a moving and funny collection of stories. Translation always reveals the weaknesses in a text. Joanna's writing doesn't have those weaknesses. She is a very accomplished writer." — Lazare Bitoun, translator of American writers into French, including Grace Paley and Janet Malcolm "Joanna Clapps Herman is both Saint and Bard of the Upper West Side. She illuminates the human spirit pulsing through its vibrant buildings, portraying neighbors linked by history and geography, by shared love and loss. On Riverside Drive, the imposing ghost of Hannah Arendt, a former inhabitant, is as strong a presence as a small boy who covets a corner of the elevator after his sister is born. Herman discovers the human connections that warm the asphalt and brick of New York, delivering benediction along with a healthy dose of humor." — Pam Katz, screenwriter of *Hannah Arendt*

Sadist li: the Duppy King Aug 08 2021 After suffering heavy losses at the hands of the Sadist, Patrick Stetson goes home to properly tend to his wounds. Three years later, Patrick is up for promotion and his life has almost returned to normal. But he learns the danger he fought once before is back, and this time it's hunting him. Paige Stetson left New York and moved to Boston leaving the past behind her. But her new found freedom is short lived once she receives the message encapsulated in a dream. Donald Jones found peace and happiness with his new family. Donald felt the call but ignored it until destiny showed up at his doorstep. Maria Fletcher withdrew from everyone after losing all she loved and cherished. Patrick was the last of her family, so she reached out to him and learned that Cal Johnson was still alive. It wasn't long before her help was sought by Norton Wyle, an ambitious federal agent who wants to harness the Sadist's power. The final judgment has begun, and in the eyes of the Sadist, all are guilty.

Trends in Long-term Care Jun 06 2021

Beatrix Potter Nov 18 2019 Beatrix Potter was one of the inventors of the contemporary picture book, and her small novels published at the turn of the twentieth century are still available and popular today. *Writing in Code* is the first book-length study of Potter's work, and it covers the entire oeuvre, examining all facets of her work in relation to her private life. Daphne Kutzer reveals the depth of the symbolism in Potter's work and relates this to the issues of the author's own development as an independent woman and writer, and her struggles with domesticity, Unitarianism, and the socio-political issues in late-19th and early-20th century England. Weaving the subtle themes inscribed in Potter's own stories with the concerns and temperament of the author who wrote them, Kutzer exemplifies literary criticism as it can illuminate the breadth of allusion in children's literature.

Hearts and Bells and Other Things Jul 27 2020 Everyone believed that Bea and Cassie Bell's father had died when they were four and six. Their mother told them stories about him. According to her, he could have been a combination of Indiana Jones and Superman. When the girls got older, they just assumed the stories were made up from their mother's imagination. Then, after their mother's death, they found a chest and in it logs and letters written by their father. Fairy tale descriptions of lands and animals. Talk of sorcerers and potions. Was their father mad? They needed to find out. Journey with them through other places and strange occurrences. Find out how they get involved with The Agency. Join them as their family grows with unlikely additions. Join them in love, marriage, children and the realization that they may be the guardians of a much greater realm.

Louisiana Coffee ... with Lots of Cream Dec 20 2019 Louisiana Coffeewith lots of cream is Dr. Betty Reynolds fifth book to be published. Not surprisingly, this book is not about coffee, nor is it about cream. Instead, it is a delightful medley of intriguing tales covering four generations of a New Orleans Creole family. Since Creole usually denotes a mixing of bloods, the color of their skin can be as varied as the color of ones coffee ranging from dark, dark chocolate to the lightest of rich cream. This fictional memoir appropriately starts a hundred years ago in New Orleans the home of the family matriarch, Bertha Mayberry. Berthas story is a mysterious one that she preferred to be kept locked among other family secrets. She was particularly sensitive about having to reveal her misfortune of being trapped in a bordello when she first arrived in New Orleans as a young girl. Her romantic rescue ended in tragedy, but she did transcend in the end and married a popular Black jazz musician named William Sweetwater Lewis. Together they gained respectability by working hard and providing their five daughters with a good education, a passion for music, and a young life filled with parties and gala events in a city that was known for them. Berthas children as well as her childrens children follow their own paths in choosing where and how they will live out their lives. Their accounts of triumphs and mishaps take you on a fascinating journey to experience the mysteries of black magic in the Louisiana swamps, a numbers racket in Detroit and the casinos in Las Vegas when the mob was in control. Some leave the safety of their ancestral home on Bourbon Street to carve out new lives in other far-away places such as the Jersey Shores, Philadelphia, or New York. Whatever their destination, each member of the Lewis clan brings to the saga an interesting storyline that shares his/her unique motivations, desires and actions that sometimes lead to less than favorable consequences. Louisiana Coffeeis meant to inform, rather than to alarm. It is a tell-all fiction that might open some eyes as what goes on in a different world on the other side of the cultural divide.

Rice Plus Oct 18 2019 This book explores the economic coping practices of rural widows in the aftermath of the Cambodian civil war. War produces a preponderance of widows, often young widows with small children in their care. Rural widows must feed their families and educate their children despite rural poverty and the lack of opportunities for women. The economics of widowhood is therefore a significant social problem in less developed countries. The widows' predominant economic plan was to combine rice cultivation with an assortment of microenterprises, a "rice plus" strategy. Many widows were unable to grow enough rice on their land to feed their families. They filled the hunger gap by raising cash through microenterprises to purchase additional rice. Gender work roles were both permeable and persistent, allowing a flexible sexual division of labor in the short run but maintaining traditional roles in the long run. Most widows called on relatives or exchanged transplanting labor for male plowing services, although a few women took up the plow themselves. The study also explores widows' access to key economic resources such as land, credit, and education. War decimated widows' family support networks, including the loss of children, their

social security. The study concludes that Cambodia's gender arrangement offered many economic options to widows but also devalued their labor in a cultural structure of inequality. Gender, poverty, and war interacted to reduce widows' financial resources, accounting for their economic vulnerability.

First Hymn to Life in Congo Jan 13 2022 Maria had been raped by a way of life a way of life known as Coconis, which refers to various kinds of vicious, horrific, and inexcusable forms of barbaric behaviour. As a direct consequence of this horrific and violent crime, Maria gave birth a few months later, just like several other young girls who had also become innocent, silent, and secret victims of similar crimes in this country. However, unlike some of the other young woman victims, Maria was blessed with a strong faith in God. She was determined not to resort to taking her own life and not to destroy the tiny life which was already gradually starting to grow inside her womb. Maria had simply decided to transform this violent and hateful act which had stripped her of all human dignity into something much more powerful and good. She wanted to be able to truly forgive, not just the kind of forgiveness given by those who have no choice, but the kind of forgiveness proffered by the weak and feeble to those who are stronger because they have no other choice in the matter. Neither was it the biblical kind when one simply forgives ones fellow men for their sins and wrongdoings. It wasn't like the forgiveness given by God either, but more of Maria's own personal and unique quest for forgiveness that she so yearned to be able to give to the young men who had raped her. Maria was determined that her rapists should recognize the brutality and wickedness of their acts and then implore her forgiveness so that she herself could, in turn, sincerely forgive them. It was the only way for her to redeem her personal dignity. She felt that she had suffered enough and that she had every right to expect her rapists recognition of the terrible suffering that they had inflicted on her. So it was on a beautiful sunny Saturday morning of June that Maria finally gave birth to twin boys. She called them Kimia and Elikia (which means peace and faith in the Congolese language). Maria brought up and educated her twin boys in a traditional way. She possessed a sufficient sum of money to pay for their education and see them through to the end of their high school education. She knew that she had done her very best with regard to their civil education. She died not long after receiving her twin sons baccalaureat results. She died in peace, but without having had the opportunity to be able to truly forgive her brutal attackers. She died without anyone coming to ask her for forgiveness and without having been able to offer her sincere forgiveness. But her last thoughts really went out to her wonderful children. She remembered the great ocean of motherly love that she had been able to give them during their upbringing. Before she closed her eyes for the last time, she asked God to bless them. On her deathbed, she didn't have the slightest inkling of the powerful impact of the incredible testimonial that she had succeeded in bequeathing to her children. As Maria, Africa had also been kidnapped, raped (and it's not a Belgian story), and tortured for centuries. From those repeated rapes were born sick and weak republics. None of the many rapists did recognize the shameful paternity despite the fact that their saliva and blood were still visible everywhere, and there was no need for complex DNA analysis to find out whom they belong to.

Controversies in Analytical Psychology Jan 25 2023 Picks up on divisions within the area of analytical psychology and explores many of the most hotly contested issues, with a group of leading international Jungian authors contributing papers from contrasting perspectives.

Hospitality and Treachery in Western Literature Apr 16 2022 In works of Western literature ranging from Homer's *Odyssey* to Albee's *Who's Afraid of Virginia Woolf?* the giving and taking of hospitality is sometimes pleasurable, but more often perilous. Heffernan traces this leitmotiv through the history of our greatest writings, including Christ's Last Supper, Macbeth's murder of his royal guest, and Camus's short

story on French colonialism in Arab Algeria. By means of such examples and many more, this book considers what literary hosts, hostesses, and guests do to as well as for each other. In doing so, it shows how often treachery rends the fabric of trust that hospitality weaves.

The Bible: Translated According to the Ebrew and Greeke, and Conferred with the Best Translations in Diuers Languages. "One world you don't want to miss out on!" - City Of Books ????? "Absolutely in LOVE!" - Girls *Heart* Books ????? "A phenomenally unique and completely captivating tale!" - Jonel's Book Reviews ????? Seventeen-year-old Ciardis Vane grew up in a small village on the edge of the realm. Beautiful, destitute, and desperate she is looking to get out any way she can. She has worked her whole life as a laundress with no hope of escaping her fate anytime soon. But then her life changes when a strange woman appears with the key to Ciardis's escape. With an offer to take her to the capital and a life she'd never dreamed of, it's hard to resist. There's only one catch. She wants Ciardis to become a companion: she'll be required to wear expensive dresses, learn to conduct suitable magic, educate herself on court proclivities, and - in the end - chain herself to the highest bidder. A Patron for life. Ciardis knows that this is her one opportunity to change her life. But what she does not know is that she will soon be at the heart of intrigues and power struggles, and that her new life in luxury demands a high price, perhaps even the life of a prince. Keywords: Courtlight series, fantasy, royals, romance, boxed set, Ciardis Weathervane, dragons, magic, empires, thrones, queens, ebooks, princes, princess, imperial courts, nobility, teen, YA, young adult, epic reads, love, fairy tales, crown, happily ever after, coming of age, mages, kids, middle grade, hearts, collection, romantic, box set, series, engagement, kingdom, action, adventure, betrothed, swords, sorcery.

It Isn't Cheating if He's Dead Aug 28 2020 Jemima Stone has waited four long years for Gerald, her missing fiancé, to come home. When he is found dead halfway across the country, the news is devastating. Detective Finn Wight has been working Gerald's case from the beginning. He refuses to drop it now, even though it is out of his jurisdiction. He keeps Jemima apprised of all his findings, no matter how painful. Defending her 'innocent' clients fills Jemima's days. Finn's muscular frame and easy smile fills her fantasies. But nothing relieves the guilt. Guilt that she couldn't prevent Gerald's devolution from genius scientist, to absent-minded professor, to 'bat-shit crazy' at the hands of paranoid schizophrenia. Guilt that, not long after his death, she was finding solace, and happiness, in the arms of another man. Feeding homeless in a local park helps ease Jemima's pain. When a new 'resident' shows up, the others are wary. Though he refuses to speak, something in his eyes tells Jemima that he doesn't belong there — that someone is looking for him. Jemima and Finn join forces to discover the man's identity. They uncover the secret that sent him running from home, but there is so much that even he doesn't know. Will the truth send him over the edge for good? Or can Jemima bring him back to reality? Bring him home? Before it is too late.

The Enemy Within Jun 18 2022 Fiction. Asian Studies. Spanning three decades, THE ENEMY WITHIN is a memorable portrait of a woman caught between worlds. Dreaming of college in the tropical paradise of Kerala, India, seventeen-year-old Sita is married off by her parents to an Indian engineer in Quebec City. Set against the backdrop of Quebec politics, it is the story of a courageous woman who breaks with tradition in search in search of peace and love, only to be betrayed by the man she first loved and the land she has thought of as hers.

Thanks to My Killer Wife Feb 02 2021 A middle-aged widow, commuter of Amsterdam goes to Pakistan and weds a gentleman. Soon as the groom arrives into The Netherlands for a family reunion, he shockingly discovers in her a spoiled woman. The man tries to save his bond of marriage but the wronged woman neither wants to be tamed due to aspects of love, nor does she co-operate. Instead, she rather wants her man to close his eyes and to shut up his mouth if ever he wishes to become a legitimate resident in her country. The egoist man doesnt compromise on self-respect of a saintly husband and thus is thrown out into streets quite empty-handed and undocumented. Then he gets afraid of going back to his homeland predicting a social ridiculous. Years passed in such a dreary and stoned life-style that one day the city police arrests him against his unlawful status and surrenders him to the foreign police who when fails to deport, sets him free like a squeezed lemon after he having served a years custodial sentence. The author describes how a few Asian immigrants and their spoiled descendants who once get settled into the Western states . forget about their past of struggling. . trap and bait to their own continent/ country-fellows by showing on them a false fairyland. . and try to demoralize a Western society by using its culture as a shield or weapon to fulfill their own sensual curiosity which seems difficult to meet in their own sender lands. The author also regrets to inflexibility of the constitution and rejects to the old theory nobody is above law. He urges on the law-makers must to defend on humanitarian grounds to those noble outlanders who become illegal by some accident, or by a misfortune befell on them and not by fraud or cheating like do often the professional invaders or regular tress-passers breaking into some countrys barriers. The whole story convincingly draws a picture of human courage and endurance against all odds mixed in shadow of oppression and optimism by giving an entire message never quit. A compulsively true heart saga with a positive energy_ readable, thought-provoking and enjoyable.

Fernare Araldo: 1.The Fateful Day Mar 15 2022 Book One of the epic Fernare Araldo: The rescue of four captive explorers one fateful day becomes the catalyst for conflict between King Derrick Mudor of mainland Caermon and the amazon Queen Eleanore de Sarc of the island realm of Fernare Araldo (the former Ermish realm of Rand-Flanion), despite the desperate attempts of good people on both sides to keep the peace. This is the first of a two part epic about the people caught on both sides of this conflict and the forces of destiny driving them on. This is the Global Distribution edition.

Ballet in Moscow Today May 05 2021

Finding the Right Time Dec 12 2021 Can dreams tell you about your past life? When Lily moves to Savannah to start her new career she moves into the very house she's dreamed about since childhood. The landlord is a little too familiar and the cemetery on the property carries memories from her past. When she slips into the past everything comes back, even the man from her dreams. Can Rafe keep her in the past or will she slip from him again? Will their love transcend time? This is a hauntingly sweet romance that will keep you guessing until the end. He bowed his head and shook it from side to side. "I don't understand how a man that's been dead for over one hundred years can just take over your heart. How can you even think about going back to him? If you love me, how can you love him too?"

The Use of Decision Theory in the Assessment and Training of Women's Dating-initiation Skills Aug 20 2022

The Mother's Legacy in Early Modern England Oct 22 2022 Using printed and manuscript texts composed between 1575 and 1672, Jennifer Heller defines the genre of the mother's legacy as a distinct branch of the advice tradition in early modern England that takes the form of a dying mother's pious counsel to her children. Reading these texts in light of specific cultural contexts, social trends, and historical events, Heller explores how legacy writers used the genre to secure personal and family status, to shape their children's beliefs and behaviors, and to intervene in the period's tumultuous religious and political debates. The author's attention to the fine details of the period's religious and political swings, drawn from sources such as royal proclamations, sermons, and first-hand accounts of book-burnings, creates a fuller context for her analysis of the legacies. Similarly, Heller explains the appeal of the genre by connecting it to social factors including mortality rates and inheritance practices. Analyses of related genres, such as conduct books and fathers' legacies, highlight the unique features and functions of mothers' legacies. Heller also attends to the personal side of the genre, demonstrating that a writer's education, marriages, children, and turns of fortune affect her work within the genre.

Jessica Nov 23 2022 Jessica had always been haunted by the fear that the unthinkable had happened when she had been “made-up.” For as far back as she could remember, she had no sense of a Self. Her mother thought of her as the “perfect infant” because “she never wanted anything and she never needed anything.” As a child, just thinking of saying “I need” or “I want” left her feeling like an empty shell and that her mind was about to spin out of control. Terrified of who—or what—she was, she lived in constant dread over being found guilty of impersonating a human being. Jeffrey Von Glahn, Ph.D., an experienced therapist with an unshakable belief in the healing powers of the human spirit, and Jessica blaze a trail into this unexplored territory. As if she has, in fact, become an infant again, Jessica remembers in extraordinary detail events from the earliest days of her life—events that threatened to twist her embryonic humanness from its natural course of development. Her recollections are like listening to an infant who could talk describe every psychologically dramatic moment of its life as it was happening. When Dr. Von Glahn met Jessica, she was 23. Everyone regarded her as a responsible, caring person – except that she never drove and she stayed at her mother’s when her husband worked nights. For many months, Jessica’s therapy was stuck in an impasse. Dr. Von Glahn had absolutely no idea that she was so terrified over simply talking about herself. In hopes of breakthrough, she boldly asked for four hours of therapy a day, for three days a week, for six weeks. The mystery that was Jessica cracked open in dramatic fashion, and in a way that Dr. Von Glahn could never have imagined. Then she asked for four days a week – and for however long it took. In the following months, her electrifying journey into her mystifying past brought her ever closer to a final confrontation with the events that had threatened to forever strip her of her basic humanness.

Seduced Into Her Boss's Service Jul 19 2022 This tycoon plays to win! When widower Stefano Gunn meets trainee lawyer Sunny Porter, he's instantly sure of two things--she's the perfect person to take care of his daughter and is by far the most sinfully seductive woman he's ever seen! Once Stefano has ruthlessly coaxed Sunny to trade her lawyer's robes for a nanny's apron, he turns his attention to their undeniable attraction. Sunny might be reluctant to breach the barrier between professional and personal, but this billionaire didn't get where he is by running from a challenge. And in this game of seduction, he will win...

Renegade's Lady Jan 01 2021 Kara Renee Ottis had always known what she wanted in life, just never had the nerve to grab it. After leaving a dream executive chef's job in Chicago returning to her small hometown of Budding Rose to live on the horse ranch where she grew up, she hopes to gain the ability not only to KNOW what she wants, but to reach for it as well. If only the demons that followed her from Chicago don't get her

first. Ty Jones wiped the dust of Budding Rose from his boots over a decade ago, with only intermittent trips back. Now, hes home to witness the birth of his first niece or nephew, a bitter sweet experience in itself. When a neighbor needs his assistance, he may get more than he bargained for.
