Cooking. The novels of Orson Scott Card's Ender series are an intriguing combination of action, military and political strategy, elaborate war games and psychology.' - USA TODAY 'Hugo and Nebula-award winner Orson Scott Card demonstrates again that he belongs in the company of such older masters of science fiction as Isaac Asimov, Frank Herbert and Ursula K. Le Guin.' - Magill Book Reviews At first, Ender believed that they would bring him back to Earth as soon as things quieted down. But things were quiet now, had been quiet for a year, and it was plain to him now that they would not bring him back at all, that he was much more useful as a name and a story than he would ever be as an inconveniently flesh-and-blood person. At the close of ENDER'S GAME, Andrew Wiggin - called Ender by everyone - knows that he cannot live on Earth. He has become far more than just a boy who won a game: he is the Saviour of Earth, a hero, a military genius whose allegiance is sought by every nation of the newly shattered Earth Hegemony. He is offered the choice of living under the Hegemon's control, a pawn in his brother Peter's political games. Or he can join the colony ships and go out to settle one of the new worlds won in the war. The story of those years on the colony worlds has never been told . . . until now. The direct sequel to the Hugo and Nebula Award-winning bestseller, ENDER'S GAME. Books by Orson Scott Card: Alvin Maker novels Seventh Son Red Prophet Prentice Alvin Alvin Journeyman Heartfire The Crystal City Ender Wiggin Saga Ender's Game Speaker for the Dead Xenocide Children of the Mind Ender in Exile Homecoming The Memory of the Earth The Call of the Earth The Ships of the Earth Earthfall Earthborn First Formic War (with Aaron Johnston) Earth Unaware Earth Afire Earth Awakens From the #1 New York Times bestseller At the Battle School, there is only one course of study: the strategy and tactics of war. Humanity is fighting an alien race, and we fight as one. Students are drawn from all nations, all races, all religions, taken from their families as children. There is no room for cultural differences, no room for religious observances, and there is certainly no room for Santa Claus. But the young warriors disagree. When Dink Meeker leaves a Sinterklaas Day gift in another Dutch student's shoe, that quiet act of rebellion becomes the first shot in a war of wills that the staff of the Battle School never bargained for. Orson Scott Card's novel Ender's Game is the basis of the hit movie of the same name. THE ENDER UNIVERSE Ender series Ender's Game / Speaker for the Dead / Xenocide / Children of the Mind / Ender in Exile / Children of the Fleet Ender's Shadow series Ender's Shadow / Shadow of the Hegemon / Shadow Puppets / Shadow of the Giant / Shadows in Flight The First Formic War (with Aaron Johnston) Earth Unaware / Earth Afire / Earth Awakens The Second Formic War (with Aaron Johnston) The Swarm / The Hive Ender novellas A War of Gifts / First Meetings 'ORIGINAL, THRILLING AND POWERFUL' - Guardian 'HAUNTING, HEARTBREAKING' - Vogue The phenomenal word-of-mouth bestseller that is now a BAFTA Award-nominated movie NOT EVERY GIFT IS A BLESSING Every morning, Melanie waits in her cell to be collected for class. When they come for her, Sergeant Parks keeps his gun pointing at her while two of his people strap her into the wheelchair. She thinks they don't like her. She jokes that she won't bite. But they don't laugh. Melanie is a very special girl. Emotionally charged and gripping from beginning to end, THE GIRL WITH ALL THE GIFTS is the most powerful and affecting thriller you will read this year. 'A great read that takes hold of you and doesn't let go' - John Ajvide Lindqvist, author of LET THE RIGHT ONE IN \*Return to the world of THE GIRL WITH ALL THE GIFTS in M. R. Carey's stunning new novel THE BOY ON THE BRIDGE - out now!\* Best Gift idea for Ender UNDER 10 DOLLARS ! A beautifully personalised and stylised notebook for people named Ender. This 6x9 lined notebook is ready to be filled with bright starry ideas and thoughts. Great for organising and chronicling the events of life. This premium, portable design makes a perfect gift for free and creative thinkers! Unable to find a book with your name? Try searching for: Lambda "Your Name" notebook C. S. Lewis was a British author, lay theologian, and contemporary of J.R.R. Tolkien. The Lion, the Witch, and the Wardrobe is the first book in The Chronicles of Narnia. Maeve's strangely astute tarot readings make her the talk of the school, until a classmate draws a chilling and unfamiliar card—and then disappears. After Maeve finds a pack of tarot cards while cleaning out a closet during her in-school suspension, she quickly becomes the most sought-after diviner at St. Bernadette's Catholic school. But when Maeve's ex-best friend, Lily, draws an unsettling card called The Housekeeper that Maeve has never seen before, the session devolves into a heated argument that ends with Maeve wishing aloud that Lily would disappear. When Lily isn't at school the next Monday, Maeve learns her ex-friend has vanished without a trace. Shunned by her classmates and struggling to preserve a fledgling romance with Lily's gender-fluid sibling, Roe, Maeve must dig deep into her connection with the cards to search for clues the police cannot find—even if they lead to the terrifying Housekeeper herself. Set in an Irish town where the church's tight hold has loosened and new freedoms are trying to take root, this sharply contemporary story is witty, gripping, and tinged with mysticism. A sumptuous cookery book and the definitive guide to the life, times and tastes of the world's favourite Victorian cook Mrs Crocombe. As seen on English Heritage's The Victorian Way YouTube series. Mrs Crocombe is the star of English Heritage's wildly popular YouTube series, The Victorian Way. In delightful contrast to the high-octane hijinks of many YouTube celebrities, The Victorian Way offers viewers a gentle glimpse into a simpler time - an age when tea was sipped from porcelain, not from plastic cups; when mince pies were meaty and nothing was wasted; when puddings were in their pomp and no kitchen was complete without a cupboard full of copper pots and pans. Avis Crocombe really did exist. She was head cook at Audley End House in Essex from about 1878 to 1884. Although only a little is known about her life, her handwritten cookery book was passed down through her family for generations and rediscovered by a distant relative in 2009. It's a remarkable read, and from the familiar (ginger beer, custard and Christmas cake) to the fantastical (roast swan, preserved lettuce and fried tongue sandwiches), her recipes give us a wonderful window into a world of flavour from 140 years ago. How to Cook the Victorian Way is the definitive guide to the life, times and tastes of the world's favourite Victorian cook. The beautifully photographed book features fully tested and modernised recipes along with a transcription of Avis's original manuscript, plus insights into daily life at Audley End by Dr Annie Gray and Dr Andrew Hann, and a foreword by the face of Mrs Crocombe, Kathy Hipperson. It showcases the best recipes from Mrs Crocombe's own book, alongside others of the time, brought together so that every reader can put on their own Victorian meal. It's a moreish smorgasbord of social history an absolute must for fans, foodies and anyone with an appetite for the past. Please note this is a fixed-format ebook with colour images and may not be well-suited for older e-readers. "A gripping tale of adventure in space and a scathing indictment of the military mind" -- Library Journal. A young boy named Elijah learns that no gift is too small in God's hands as he watches Jesus feed thousands of hungry people from Elijah's basket of bread and fish. The Gift of the Magi is a treasured short story written by O. Henry. A young and very much in love couple can barely afford their one-room apartment, let alone the extra expense of getting Christmas presents for one another. But each is determined to show their love for the other in this traditional time of giving; each sells a thing they hold most dear in order to afford a present, with poignant and touching results that capture their love for one another. Magic-sensitive Maeve and her friends face off against an insidious threat to their school and their city in this spellbinding sequel to All Our Hidden Gifts. It's senior year, and Maeve and her friends are practicing and strengthening their mystical powers, while Maeve's new relationship with Roe is exhilarating. But as Roe's rock star dreams start to take shape, and Fiona and Lily make plans for faraway colleges, Maeve, who struggles in school, worries about life without them—will she be selling incense here in Kilbeg, Ireland, until she's fifty? Alarm bells sound for the coven when the Children of Brigid, a right-wing religious organization, quickly gains influence throughout the city—and when its charismatic front man starts visiting Maeve in her dreams. When Maeve's power starts to wane, the friends realize that all the local magic is being drained—or rather, stolen. With lines increasingly blurred between friend and foe, the supernatural and the psychological, Maeve and the others must band together to protect the place, and the people, they love. A thrilling sequel to All Our Hidden Gifts. REESE'S BOOK CLUB PICK INSTANT #1 NEW YORK TIMES BESTSELLER OVER 1 MILLION COPIES SOLD WORLDWIDE THE PAPER PALACE IS: "Filled with secrets, love, lies and a very complex love triangle." —Reese Witherspoon (Reese's Book Club July '21 Pick) "Nail-biting." —Town & Country "A magnificent page-turner." —Cynthia D'Apris Sweeney, New York Times bestselling author "[An] irresistible placement of a complicated family in a bewitching place." —The New York Times A story of summer, secrets, love, and lies: in the course of a singular day on Cape Cod, one woman must make a life-changing decision that has been brewing for decades. "This house, this place, knows all my secrets." It is a perfect August morning, and Elle, a fifty-year-old happily married mother of three, awakens at "The Paper Palace"—the family summer place which she has visited every summer of her life. But this morning is different: last night Elle and her oldest friend Jonas crept out the back door into the darkness and had sex with each other for the first time, all while their spouses chatted away inside. Now, over the next twenty-four hours, Elle will have to decide between the life she has made with her genuinely beloved husband, Peter, and the life she always imagined she would have had with her childhood love, Jonas, if a tragic event hadn't forever changed the course of their lives. As Heller colors in the experiences that have led Elle to this day, we arrive at her ultimate decision with all its complexity. Tender yet devastating, The Paper Palace considers the tensions between desire and dignity, the legacies of abuse, and the crimes and misdemeanors of families. INTRODUCED BY JAN MORRIS [This] gloriously ornate account of that epic journey is a classic' ROBERT MACFARLANE 'The feeling of being lost in time and geography with months and years hazily sparkling ahead is a prospect of inconjecturable magic.' In 1933, aged eighteen, Patrick Leigh Fermor set out on his 'great trudge', a year-long journey by foot from the Hook of Holland to Istanbul. Three decades later he wrote A Time of Gifts, the sparklingly original account of the first part of this youthful adventure, which took him through the Low Countries, up the Rhine, through Germany, down the Danube, through Austria and Czechoslovakia, and as far as Hungary. Alone, carrying only a rucksack and with a small allowance of only a pound a week, Fermor had planned to sleep rough - to live 'like a tramp, a pilgrim, or a wandering scholar' - but a chance introduction in Bavaria led to comfortable stays in castles, and provided a glimpse of the old Europe of princes and

peasants. Hailed as a masterpiece, *A Time of Gifts* is in part a coming-of-age memoir, but it is also a rich and compelling portrait of a continent that - despite its resplendent domes and monasteries, its great rivers and grand cities - was soon to be swept away by war, modernisation and profound social change. 'Not only is this journey one of physical adventure but of cultural awakening. Architecture, art, genealogy, quirks of history and language are all devoured -- and here passed on -- with a gusto uniquely his' COLIN THUBRON, SUNDAY TIMES 'One of the most romantic books of the twentieth century, Patrick Leigh Fermor's account of a long walk across Europe is also a literary treasure, a rich blend of action and observation' GUARDIAN Kort science fiction-roman. In this moving and compassionate classic—now updated with new material from the authors—hospice nurses Maggie Callanan and Patricia Kelley share their intimate experiences with patients at the end of life, drawn from more than twenty years' experience tending the terminally ill. Through their stories we come to appreciate the near-miraculous ways in which the dying communicate their needs, reveal their feelings, and even choreograph their own final moments; we also discover the gifts—of wisdom, faith, and love—that the dying leave for the living to share. Filled with practical advice on responding to the requests of the dying and helping them prepare emotionally and spiritually for death, *Final Gifts* shows how we can help the dying person live fully to the very end. *Welcome To The World* is a delightful book celebrating the arrival of a new baby. The story follows a charming little elephant, on a colorful journey, discovering all the wonders the world has to offer. Beautifully illustrated in full color this book is hard backed with cheerful end papers. With space for you to write a personal message in the front this book is a wonderful keepsake and makes the perfect gift for baby showers and newborn presents. Our *You're The Biggest Book* compliments this title and makes the perfect gift for the older sibling who has just become the biggest. At age thirty-five, Cami Walker was burdened by a battle with multiple sclerosis, a chronic neurological condition that made it difficult for her to walk, work, or enjoy her life. Seeking a remedy for her depression after being hospitalized, she received an uncommon prescription from an African medicine woman: Give to others for 29 days. *29 Gifts* is the insightful story of the author's life change as she embraces and reflects on the naturally reciprocal process of giving and receiving. Many of Walker's gifts were simple—a phone call, spare change, a Kleenex. Yet the acts were transformative. By Day 29, not only had Walker's health and happiness improved, but she had created a worldwide giving movement. The book also includes personal essays from others whose lives changed for the better by giving, plus pages for the reader to record their own journey. More than a memoir, *29 Gifts* offers inspiring lessons on how a simple daily practice of altruism can dramatically alter your outlook on the world. For someone who loves to do the month end! This would make a fantastic gift for family, friend or coworker In modern-day England, where witches live alongside humans, Nathan, son of a White witch and the most powerful Black witch, must escape captivity before his seventeenth birthday and receive the gifts that will determine his future. TWELVE PEOPLE... TWELVE GIFTS... ONE CHRISTMAS TO REMEMBER... Maddy runs the bookshop on Market Square. She's struggling to choose a gift (a watch? a wine subscription? a weekend bag? all too much?) for her old school friend Peter, who's just moved back from London following a messy divorce. Peter doesn't have a clue what to get for his teenage daughter Chloe - furious with her mother, she's decided to up sticks and move to Kent with him, but he worries that he really doesn't know her at all. Chloe wants to buy something special for her grandmother Irene, who lives alone on the other side of town. Irene doesn't get out much these days, but she'd really like to find the right gift for Alina, who's so much more than a carer, really - always stops to chat for a bit, have a cup of tea, even if it makes her late. And Alina, meanwhile, has her eye on something for... From the no. 1 bestselling author of *The Versions of Us* comes a novel about how wonderful and sad and difficult and happy and strange Christmas can be. Stories to inspire, move and comfort. 'He felt it: the lightness, the expansiveness, the anticipation, the sense that something good was coming. And it was, wasn't it - though the world was still licking its collective wounds and there was still suffering everywhere, suffering and loneliness and sadness. Despite all this, it was good: it was kindness, it was giving without thought of recompense, it was light in the darkness' Need a piano music teacher gift item? Show your piano music teachers your love and appreciation by telling them they are awesome with this teacher's gift notebook. This awesome piano teacher appreciation gift notebook and journal measures 8" x 10", with 134 lined pages. Perfect as a teacher birthday gift too. Matte cover lamination for that soft, classic feel and look and durability. A perfect gift all year round, for end of the year or on Teacher's Day and as a piano teacher appreciation gifts / birthday gift / Thank You Gift After twenty-three years, Orson Scott Card returns to his acclaimed best-selling series with the first true, direct sequel to the classic *Ender's Game*. In *Ender's Game*, the world's most gifted children were taken from their families and sent to an elite training school. At Battle School, they learned combat, strategy, and secret intelligence to fight a dangerous war on behalf of those left on Earth. But they also learned some important and less definable lessons about life. After the life-changing events of those years, these children—now teenagers—must leave the school and readapt to life in the outside world. Having not seen their families or interacted with other people for years—where do they go now? What can they do? Ender fought for humanity, but he is now reviled as a ruthless assassin. No longer allowed to live on Earth, he enters into exile. With his sister Valentine, he chooses to leave the only home he's ever known to begin a relativistic—and revelatory—journey beyond the stars. What happened during the years between *Ender's Game* and *Speaker for the Dead*? What did Ender go through from the ages of 12 through 35? The story of those years has never been told. Taking place 3000 years before Ender finally receives his chance at redemption in *Speaker for the Dead*, this is the long-lost story of Ender. For twenty-three years, millions of readers have wondered and now they will receive the answers. Ender in Exile is Orson Scott Card's moving return to all the action and the adventure, the profound exploration of war and society, and the characters one never forgot. On one of these ships, there is a baby that just may share the same special gifts as Ender's old friend Bean... THE ENDER UNIVERSE Ender series *Ender's Game* / *Ender in Exile* / *Speaker for the Dead* / *Xenocide* / *Children of the Mind* Ender's Shadow series *Ender's Shadow* / *Shadow of the Hegemon* / *Shadow Puppets* / *Shadow of the Giant* / *Shadows in Flight* *Children of the Fleet* *The First Formic War* (with Aaron Johnston) *Earth Unaware* / *Earth Afire* / *Earth Awakens* *The Second Formic War* (with Aaron Johnston) *The Swarm* / *The Hive* Ender novellas *A War of Gifts* / *First Meetings* Over more than four decades J.R.R. Tolkien's son and literary executor, Christopher Tolkien, published some twenty-four volumes of his father's work, much more than his father had succeeded in publishing during his own lifetime. Standing on the mountain of his son's colossal publishing effort and extraordinary scholarship, readers today are therefore able to survey and understand the vastness of the landscape of Tolkien's legendarium. This collection of essays by world-renowned scholars, together with family reminiscences, sheds new light on J.R.R. Tolkien's work, his son Christopher's unique gifts in communicating and interpreting that work and the debt owed to Christopher by the many Tolkien scholars who were privileged to work with him. What was Tolkien's intended ending for 'The Lord of the Rings'? Did it leave echoes in the stripped-down version that was actually published? What was the audience's response to the first ever adaptation of 'The Lord of the Rings' - a radio dramatization that has now been deleted forever from the BBC's archives? What was the significance of the extraordinary array of doorways which confronted the hobbits as they journeyed through Middle-earth? The book is illustrated with colour reproductions of J.R.R. Tolkien's manuscripts, maps, drawings and letters and, with the kind permission of his estate, photographs of Christopher Tolkien and extracts from his works, some of which have never been seen before, making this volume essential reading for Tolkien scholars, readers and fans. "The classic of modern science fiction"--Front cover. Finest heroic poem in Old English celebrates the exploits of Beowulf, a young nobleman of southern Sweden. Combines myth, Christian and pagan elements, and history into a powerful narrative. Genealogies. Originally published in hardcover in 2012 by Hyperion. Great Thank You Gift Idea for Your Teacher! Doesn't every girl dream of getting . . . something from Tiffany's? 'The kind of book that you can't put down' - Sunday Independent It's Christmas Eve. And on 5th Avenue in New York City, two very different men are shopping for gifts for the women they love. Gary is buying his girlfriend Rachel a charm bracelet. Partly to thank her for paying for their holiday-of-a-lifetime to New York. But mainly because he's left his Christmas shopping far too late. Whereas Ethan's looking for something a little more special - an engagement ring for the first woman to have made him happy since he lost the love of his life. But when the two men's shopping bags get confused, and Rachel somehow ends up with Ethan's ring, the couples' lives become intertwined. And, as Ethan tries to reunite the ring with the woman it was actually intended for, he finds it trickier than expected. Does fate have other ideas for the couples? Or is there simply a bit of Tiffany's magic in the air . . . When soon-to-be-13 Tara spends her summer with her bratty cousin Emily St. Claire in Willow Falls as punishment for a stunt-gone-wrong, she decides that it's time to break out of her shell.
