All-new in the New York Times bestselling drop-dead funny series. Vampire Queen Betsy Taylor thought she couldn't die. So what's she doing in the morgue? It could have something to do with

a time- traveling trip she made, and a foe with a wicked agenda that could finally be the real death of Betsy-if she's not careful. A sinner's only hope is true love in this passionate new novel in J.R. Ward's #1 New York Times bestselling Black Dagger Brotherhood series. Syn has kept his side hustle as a mercenary a secret from the Black Dagger Brotherhood. When he takes another hit job, he not only crosses the path of the vampire race's new enemy, but also that of a half-breed in danger of dying during her transition. Jo Early has no idea what her true nature is, and when a mysterious man appears out of the darkness, she is torn between their erotic connection and the sense that something is very wrong. Fate anointed Butch O'Neal as the Dhestroyer, the fulfiller of the prophecy that foresees the end of the Omega. As the war with the Lessening Society comes to a head, Butch gets an unexpected ally in Syn. But can he trust the male—or is the warrior with the bad past a deadly complication?

With time running out, Jo gets swept up in the fighting and must join with Syn and the Brotherhood against true evil. In the end, will love true prevail...or was the prophecy wrong all along? 'Haunting... extraordinary.' STEPHEN KING A stunning, multi-voiced, period piece - tackling race, gender politics, and the volatility of mid '60s America - from the author of SUNBURN Cleo Sherwood disappeared eight months ago. Aside from her parents and the two sons she left behind, no one seems to have noticed. It isn't hard to understand why: it's 1964 and neither the police, the public nor the papers care much when Negro women go missing. Maddie Schwartz - recently separated from her husband, working her first job as an assistant at the Baltimore Sun- wants one thing: a byline. When she hears about an unidentified body that's been pulled out of the fountain in Druid Hill Park, Maddie thinks she is about to uncover a story that will finally get her name in print. What she can't imagine is how much

trouble she will cause by chasing a story that no one wants her to tell. A penetrating critique of America's foreign policy effortlessly mixes military history with keen diplomatic analysis to provide one of the most important assessments of America's international standing in years. Undead shopaholic Betsy Taylor has found that being vampire queen has more problems than perks. It may be easy to find blood in the dark of night, but try finding a strawberry smoothie. And employees at her nightclub Scratch have been giving her nothing but grief since she killed their former boss. Some people...But Betsy's "life" takes an interesting turn at a baby shower for her wicked stepmother, who lets it slip that Betsy has a long-lost half sister. Now twenty years old, this girl just so happens to be the devil's daughter and destined to rule the world. It's no surprise to Betsy that her trip to Hell with her sister Laura landed them in hot water. Betsy isn't exactly sorry she killed the Devil but it's put Laura in a damnable position: assuming the role

of Satan (she may not have the training but she looks great in red) - and in charge of billions of souls as she moves up in the world. Or is that down? But Betsy herself is in an odd new position as well - that of being a responsible monarch suddenly in charge of all things more earth-bound: like her vampire husband Sinclair who has gone from relieved to ecstatic to downright reckless now that he can tolerate sunlight. And if Sinclair isn't enough to contend with, Betsy's best friend Jessica is in her sixth (and hopefully last) trimester. Considering she's been pregnant for eighteen months, she's become a veritable encyclopedia of what not to expect when you're expecting. Oh, the horror . . . And speaking of growing pains, Betsy and Sinclair's adopted little BabyJon is finally starting to walk. And if the increasingly unpredictable toddler is anything like his extended family, precisely where he's headed is anyone's guess. Betsy Taylor, Queen of the undead, has snagged a dream job in a shoe store

(just like a normal person!). But when vampires start getting killed off, Betsy enlists the help of the sexy vampire Sinclair. Now she's really treading dangerous ground-but this time in brand-new high heels. The new Orchard Mystery--from the New York Times bestselling author of Golden Malicious and Scandal in Skibbereen A TREE IS KNOWN BY ITS FRUIT It's harvest time in Granford, Massachusetts, and orchard owner Meg Corey and her fiancé, Seth, are both racing to beat the New England winter. Meg is bringing in her apple crop with a team of workers, while Seth is working to restore an old building in the center of town. But when his project is set back due to the unexpected discovery of a skeleton under the building—and even worse, a young man related to one of Meg's former apple pickers is found dead behind the local feed store—the couple's carefully laid plans are quickly spoiled... Meg can't help but wonder: are they just unlucky, or is there something rotten in Granford? If so, she

knows she's got to seek out the bad apple before it ruins the whole bunch... Includes Delicious Recipes Afflicted with a rare genetic disorder that leaves him extremely vulnerable to light, Christopher Snow witnesses a murder in the night, a murder only he can solve, that forces him to uncover the many oddities of Moonlight Bay. Betsy Taylor is determined to change the future for herself and her loved ones, but her actions could have life-shattering repercussions. That's to be expected when a friend returns from the dead, when your dear sister just happens to be the Antichrist, and when your mother is the devil. Discover Piatkus Entice: temptation at your fingertips - www.piatkusentice.co.uk We're not dating, we've never been dating, we're not going to hook up, no way, absolutely not...oh. Oops. My primary focus has always been taking care of were-babies in the interspecies foster care system. I am unapologetically a fierce mama bear shifter and I am completely united with my team behind protecting at-risk were-

children. So I have no idea why the appealing scruffy bear shifter PI David Auberon keeps hanging around, asking for sweets, and being charming and flirty. I've certainly got no time for shy solitary bears who can't ask for what they want. But what am I to do when a hideous bad guy shows up and I need to rescue a were-baby, except call on the skills of the handsome and growly PI? And if dodging enemies puts us in a tight spot...well, I'm not against tight spots. Praise for MaryJanice Davidson: "Slow-burn sexual tension and playful paranormal elements make this hilarious, sizzling romance perfect for fans of Kresley Cole's Immortals After Dark series."—Publishers Weekly STARRED REVIEW "Davidson is in peak form in this hilarious, sexy, and heartfelt paranormal romance" —Booklist STARRED REVIEW Hi again! It's me, Kae! After sweating it out with the boys, I've slimmed down again, but the fujoshi in me will never fade away! After everything that happened in the last volume, Igarashi has now fallen in love with the

true me. He's decided to continue his pursuit, but this time, he means business! Igarashi's new resolve also spurs a change in Nanashima, and he doubles his efforts to win me over. It's great that they're both so fired up, but what's firing me up is the thought of them possibly getting hot and heavy with each other... Includes extras such as a White Day-themed bonus comic and sketches of never-before-revealed character designs! SEE LESS First: kill Satan. Second: reorganize Hell. Sounded simple enough back then, but for Betsy Taylor, managing "down below" isn't as easy as she'd hoped - even if she is doing it with her sister, Laura, a bona-fide Antichrist. So yes, Betsy has been shirking her hellish responsibilities, but she's been just so darn busy these days. And she's not just yanking Laura's chain. There's a brand new baby drama involving a pair of uncanny (ok, terrifying) toddler twins, an upcoming birthday party that has to be planned, and, are you ready for it? Betsy's dad - once so very dead - has been

spotted in downtown St. Paul. Now, despite all the chaos, Betsy's friends rally around, helping her to handle all this fire and brimstone jazz. As for Betsy's sister and dad - they have their own surprises in store for the vampire queen. And jolt by jolt, Betsy will discover that there's nothing as heartwarming as family. Yeah, like Hell. If you love Darynda Jones and Janet Evanovich, this is the rip-roaring, devilishly funny adventure for you! What is superstring theory and why is it important? Can superstrings offer the fulfilment of Einstein's lifelong dream of a Theory of Everything? Co-authored by one of the leading pioneers in superstrings, Michio Kaku, this book approaches scientific questions with the excitement of a detective story, looking at new scientific research that may make the impossible possible. The Wyndham werewolves--originally featured in the novel Derik's Bane--join the sexy vampires ruled by Betsy Taylor, the vampire queen, in a quartet of romantic novellas set in the world of the paranormal. Reprint The

New York Times bestselling series. With her wedding fast approaching, cold feet don't come as a surprise to Betsy Taylor—especially with an undead groom. But when her fiancé and most of her loved ones go missing, it's up to Betsy to find them—and whoever is behind the disappearances. Meet the women of Mysteria—and the creatures they fall for—in four stories of paranormal passion from four New York Times bestselling authors. Located in the picturesque mountains of Colorado, Mysteria is a place where the supernatural co-exists with the natural. It's a town of bewitching seduction, dark magic, and sensual demons... In MaryJanice Davidson's "Alone Wolf," Charlene Houtenan is the voluptuous local realtor, who knows a hot property when she sees one. And when a new werewolf appears in town, she's going to make a move he can't resist... In P. C. Cast's "Candy Cox and the Big Bad (Were) Wolf," Candice Cox may be Mysteria High's sexiest teacher, but after five husbands, she's burnt out on romance. Until a

former student—a drool-worthy werewolf—makes her howl at the moon... In Gena Showalter's "The Witches of Mysteria and the Dead Who Love Them," Genevieve Tawdry is a witch with a bad case of unrequited love for the owner of the local bar. But is his sudden change of heart the result of a love potion—or a literally breathtaking passion? In Susan Grant's "Mortal in Mysteria," Harmony Faithfull is the new minister in town. She's having a crisis of faith—in herself—until she finds a buck-naked man in her garden, a former demon who unleashes the devil inside her...

With her trademark "sassy dialogue, lusty lovemaking [and] irreverent humor"* New York Times bestselling author MaryJanice Davidson delighted fans with her wickedly sexy and wildly

Now she returns to that sensual and irresistible after-dark realm of werewolves, vampires, and mermaids in three more original novellas—including an all-new Betsy Taylor novella. Magic, danger, and adventure abound for messenger Karigan G'ladheon in author Kristen Britain's New York Times bestselling Green Rider fantasy series • "First-rate fantasy." —Library Journal On her long journey home from school after a fight that will surely lead to her expulsion, Karigan G'ladheon ponders her uncertain future. As she trudges through the immense Green Cloak forest, her thoughts are interrupted by the clattering of hooves, as a galloping horse bursts from the woods. The rider is slumped over his mount's neck, impaled by two black-shafted arrows. As the young man lies dying on the road, he tells Karigan he is a Green Rider, one of the legendary messengers of the king of Sacordia.

Before he dies, he begs Karigan to deliver the "life and death" message he bears to King Zachary. When she reluctantly he agrees, he makes her swear on his sword to complete his mission, whispering with his dying breath, "Beware the shadow man...". Taking on the golden-winged horse brooch that is the symbol of the Green Riders, Karigan is swept into a world of deadly danger and complex magic, her life forever changed. Compelled by forces she cannot understand, Karigan is accompanied by the silent specter of the fallen messenger and hounded by dark beings bent on seeing that the message, and its reluctant carrier, never reach their destination. Suburban housewife and vampire queen Betsy Taylor makes an alarming discovery: her half-sister is truly the Devil's daughter, and she can't wait to raise hell. Fresh meat! From a hospital of horrors to a runaway zombie train, it's an all-new onslaught of the slaving undead in the sequel to Kirsty McKay's killer debut! Just when you think you're out...it's

the morning after the night of the return of the living dead. Or something like that. After running/bus-driving/snowboarding for her life alongside rebel Smitty, geeky Pete, and popular Alice, Bobby thought she'd found the antidote to the Carrot Man Veggie Juice that had turned the rest of their classmates into zombies. When Smitty (mmm...nom, nom) got chomped, Bobby pumped a syringe full of it into him herself. But now Bobby's a prisoner in some hospital of horrors, with no clue how she got there. And Smitty is missing. What if he isn't cured after all? Bobby knows she's got to find him, even if it means facing Scotland's hungry hordes -- plus Alice's buckets of snark -- again. And this time, zombies aren't the only evil stressing her out. The brain-dead are bad enough, but how can Bobby stop the big pharma business behind the epidemic? Especially when her own mom works for the company? "Deep Waters" combines suspense and romance in a story where a mysterious Pacific Rim consultant and a burned-

out female CEO become sparring partners on a fishing pier crammed with secrets, danger, and hidden treasures. Copyright © Libri GmbH. All rights reserved. Werewolf Derik Gardner must save the world by destroying the reincarnation of history's most wicked sorceress.

Unfortunately, the beautiful but ditzy Sara Gunn hasn't a clue that she's the epitome of pure evil. To make matters worse, Derik's falling in love with her. Our enduring love of vampires - the bad boys (and girls) of paranormal fantasy - has persisted for centuries. Despite being bloodthirsty, heartless killers, vampire stories commonly carry erotic overtones that are missing from other paranormal or horror stories. Even when monstrous teeth are sinking into pale, helpless throats - especially then - vampires are sexy. But why? In *A History Of The Vampire In Popular Culture*, author Violet Fenn takes the reader through the history of vampires in 'fact' and fiction, their origins in mythology and literature and their enduring appeal on TV

and film. We'll delve into the sexuality - and sexism - of vampire lore, as well as how modern audiences still hunger for a pair of sharp fangs in the middle of the night. Vampire Queen Betsy Taylor is fed up of trying to decipher the strange things prophesied in The Book of the Dead. At the end of her tether, she strikes a deal with Satan who promises to help - if she and her half-sister Laura pay a visit to Hell. Hell, it would seem, is more terrifying than Betsy could have ever imagined - a waiting room with bad carpeting, re-runs of 70s TV shows and ancient Good Housekeeping magazines. But when Betsy and Laura find themselves catapulted back and forth through time, they realise they could seriously screw everything up for good... Recording memories, mind reading, videotaping our dreams, mind control, avatars, and telekinesis - no longer are these feats of the mind solely the province of overheated science fiction. As Michio Kaku reveals, not only are they possible, but with the latest advances in brain

science and recent astonishing breakthroughs in technology, they already exist. In The Future of the Mind, the New York Times-bestselling author takes us on a stunning, provocative and exhilarating tour of the top laboratories around the world to meet the scientists who are already revolutionising the way we think about the brain - and ourselves. Orchard owner Meg Corey investigates after she discovers a dead body at an old saw mill's forest reserve and an insect infestation comes to the area. Original. Sookie Stackhouse has one last adventure in store. Life has taken her from a waitress in Merlotte's Bar, Bon Temps, to part owner; from social outcast to the heart of her community; from a vampire's girlfriend to the wife of one of the most powerful vampires in the state. She has survived explosions, revolutions and attempts on her life. Sookie has endured betrayal, heartbreak and grief ... and she has emerged a little stronger, and little wiser, every time. But with life comes new trials ... The question is, in the end: who will

love, who will live, and who will be dead ever after? Learn more about Charlaine Harris at www.charlaineharris.com. Vampire Queen Betsy Taylor continues her rule in Hell in the scorchingly funny finale to the Undead series from New York Times bestselling author MaryJanice Davidson. It had been a well-kept secret for centuries, but now the existence of vampires is all over the news, thanks to Betsy Taylor's half sister (and the frustrated former Antichrist), Laura. Life for the undead will never be the same, and it's up to Betsy to do some damage control. But her interview on the local news doesn't exactly put out the fire. It more or less pours kerosene on it. With all the added attention on supernatural beings, the werewolves are more than a little agitated (never a good thing) and demand that Betsy gets her interview skills, and her family, in order. And while things go from bad to worse in the world, Hell continues to be hell--especially when Betsy's new parole program becomes about as

complicated as you'd expect. With a PR team launching a vampire-friendly campaign, the devil at large and out to make trouble, and mermaids on hand to see who falls--and how hard--the end isn't just near. It's here. And if anyone knows how to go out with a bang, it's the queen of Hell. In this thrilling journey into the mysteries of our cosmos, bestselling author Michio Kaku takes us on a dizzying ride to explore black holes and time machines, multidimensional space and, most tantalizing of all, the possibility that parallel universes may lay alongside our own. Kaku skillfully guides us through the latest innovations in string theory and its latest iteration, M-theory, which posits that our universe may be just one in an endless multiverse, a singular bubble floating in a sea of infinite bubble universes. If M-theory is proven correct, we may perhaps finally find answer to the question, "What happened before the big bang?" This is an exciting and unforgettable introduction into the new cutting-edge theories

of physics and cosmology from one of the pre-eminent voices in the field. As her birthday approaches, vampire queen Betsy Taylor finds herself playing politics with a group of European vampires who have come to pay their respects and coping with her reluctant fiancée Eric, who is trying to dodge wedding plans. New York Times bestselling author MaryJanice Davidson “continues to put her own unique spin on paranormal romance” (Fallen Angel Reviews), and in this all-new anthology, she’s three times as outrageous as ever before... Super, Girl! Meet Hailey Derry, human resources representative and round-the-clock superhero. Born with the ability to convert anything she eats into crime-fighting energy, Hailey is now faced with her toughest challenge: the sexy new hire who has a mad crush on her. But how does Hailey break the news that she’s more of a Wonder Woman than he can imagine? She’d better think of something fast, because letting this guy go would be a crime. Undead and Underwater

Betsy, queen of the undead, and Fred, the dour could’ve-been-a-princess mermaid, reluctantly team up to help a mutual friend in trouble. After all, a friend in need is a friend who, well, can really test your patience—because Betsy and Fred aren’t exactly BFFs. What they do have in common is the source of the problem: a man. And what’s more troubling than love? Incomer As leader of the Pack, it’s Lara Wyndham’s job to usher her breed to safety after the cataclysmic Kardashian Riots of 2025—and fend off the advances of Jack Gardner, a sexy Packer with alpha urges and a knack for getting into trouble. No matter how bad Lara wants it, she doesn’t need it. Not that intoxicating scent of his, or his talented mouth, or that perfect ass. Then again... Since tying the knot with Sinclair, like hasn’t been all marital bliss for Betsy. Sinclair has been perusing The Book fo the Dead, Betsy’s being hounded by a ghost who’s even more insufferable in death than in life, and a pack of ancient vampires has decided to pay an

unwelcome visit. After losing his job, his girlfriend, and his home, Brody learns that things can get even worse when he begins seeing a ghostly teenage girl watching him in the street. What he hopes is a hallucination proves all too real when the ghost tells him she needs his help hunting down a dangerous killer, and that he must undergo training from the spirit of a centuries-old samurai to unlock his hidden ghost talker powers. Betsy has plenty of help ruling Hell, but the latest major hurdle in her afterlife is so big she can't even see it until it's on YouTube. Her father and half sister Laura (a former Antichrist with a grudge) have teamed up, for what sinister purpose Betsy can't imagine. Meanwhile, Betsy's marriage is on the rocks. The vampire king is poaching on her territory, and while she loves him, that's not the same as trusting him. Before long, they're not even speaking to each other. No one said life after death would be easy, but c'mon this is ridiculous. BE PREPARED TO FALL IN LOVE
