Learn to count from 1 to 10 in English and Spanish with Willy Bunny and friends Presents a brief biography of Richard I who ruled England from 1189 to 1199 and provides information on his family the time he spent fighting in the Third Crusade and how he came to be known as Richard the Lionheart. Be careful who you let in... Soon after her twenty-fifth birthday, Libby Jones returns home from work to find the letter she's been waiting for her entire life. She rips it open with one driving thought: I am finally going to know who I am. She soon learns not only the identity of her birth parents, but also that she is the sole inheritor of their abandoned mansion on the banks of the Thames in London's fashionable Chelsea neighborhood, worth millions. Everything in Libby's life is about to change. But what she can't possibly know is that others have been waiting for this day as well—and she is on a collision course to meet them. Twenty-five years ago, police were called to 16 Cheyne Walk with reports of a baby crying. When they arrived, they found a healthy ten-month-old happily cooing in her crib in the bedroom. Downstairs in the kitchen lay three dead bodies, all dressed in black, next to a hastily scrawled note. And the four other children reported to live at Cheyne Walk were gone. Modern editions of a popular and trusted series. Reprint of the original, first published in 1867. Centuries in the future, humankind, an interstellar hegemony operating under the umbrella of the UN, exists alongside five other advanced alien races. Together they form "Tier Three", bound by a diplomatic and trade accord by which little is certain except distrust and conflict. When the kaygryn launch a suicidal assault against an Ascendancy crusade fleet, the fragile imperial compact is thrown into disarray. The Ascendancy is quick to retaliate by massacring the kaygryn, and with a human colony in the midst of the crisis, the UN launches a series of heavy-handed military interventions which succeed only in embroiling it in a deadly alien war. Four UN officials - a petulant strike commander, an ill-informed mecha pilot, a decapitated intelligence agent and an elite, narcissistic diplomat - unwittingly share reservations about the provenance of the conflict. And when the Ascendancy's crusade fleets - vast naval armadas which have been mysteriously pouring into the next galaxy for centuries - begin to slow down, it soon becomes clear that the very survival of the human race is at stake... With the emphasis firmly on Richard's monarchy rather than on his personal life, Gillingham's history aims to explain why the Lionheart's reputation has fluctuated more than that of any other monarch. The study places Richard in Europe, the Mediterranean and Palestine and demonstrates that few rulers had more enemies or more influence. "Eighteenth- and nineteenth-century historians such as Hume, Gibbon and Stubbs criticized Richard for his neglect of domestic government and policy, and cast him as a careless ruler and bad husband."--BOOK JACKET. "Harnessing the latest sources and interpretations, John Gillingham provides a new assessment of Richard I, looking at what matters in history as well as what matters in legend."--BOOK JACKET. The classic foraging guide to over 200 types of food that can be gathered and picked in the wild, Food for Free returns in its 40th year as a sumptuous, beautifully illustrated and fully updated anniversary edition. 'A stunning piece of modern fantasy writing' RJ Barker 'Utterly compelling, thoroughly engrossing and written with such skilful assurance I could barely put it down' Nicholas Eames NO MAN IS ABOVE THE LAW The Empire of the Wolf simmers with unrest. Rebels, heretics and powerful patricians all challenge the power of the imperial throne. Only the Order of Justices stands in the way of chaos. Sir Konrad Vonvalt is the most feared Justice of all, upholding the law by way of his sharp mind, arcane powers and skill as a swordsman. At his side stands Helena Sedanka, his clerk and protégé, orphaned by the wars that forged the empire. When the pair investigate the murder of a provincial aristocrat, they unearth a conspiracy that stretches to the very top of imperial society. As the stakes rise and become ever more personal, Vonvalt and Helena must make a choice: will they abandon the laws

they've sworn to uphold in order to protect the empire? Introducing an unforgettable protagonist destined to become a fantasy icon, *The Justice of Kings* is an unmissable debut where action, intrigue and magic collide. Praise for *The Justice of Kings* 'A fantastic debut' Peter McLean 'The Justice of Kings is equal parts heroic fantasy and murder mystery . . . Richard Swan's sophisticated take on the fantasy genre will leave readers hungry for more' Sebastien de Castell 'A fascinating look at justice, vengeance and the law - great characters, compelling and wonderfully written. A brilliant debut and fantastic start to the series' James Islington 'Totally addictive. A truly riveting tale about law, war, morality and justice' Novel Notions 'A marvellously detailed world with an engrossing adventure from a unique perspective' K. S. Villoso 'Swan has built a dark and gritty world, filled it with beautifully written characters and lays out a master-crafted story to create an incredible book that you can't put down' FanFiAddict 'A brilliant book, with intrigue, excellent character arcs, a brutal magic system and a story I just could not put down' Grimdark Magazine 'Riveting . . . Swan crafts a strong, dynamic character in Vonvalt, and the twists will keep readers turning the pages' Publishers Weekly

J. Richard Biichi is well known for his work in mathematical logic and theoretical computer science. (He himself would have sharply objected to the qualifier "theoretical," because he more or less identified science and theory, using "theory" in a broader sense and "science" in a narrower sense than usual.) We are happy to present here this collection of his papers. I (DS) worked with Biichi for many years, on and off, ever since I did my Ph.D. thesis on his Sequential Calculus. His way was to travel locally, not globally: When we met we would try some specific problem, but rarely discussed research we had done or might do. After he died in April 1984 I sifted through the manuscripts and notes left behind and was dumbfounded to see what areas he had been in. Essentially I knew about his work in finite automata, monadic second-order theories, and computability. But here were at least four layers on his writing desk, and evidently he had been working on them all in parallel. I am sure that many people who knew Biichi would tell an analogous story. This is one in a series of books, which together represent a complete method for learning guitar. Written to reflect prevailing views on good instrumental teaching, it combines teaching techniques from both the classical and pop/folk traditions. A New York real estate tycoon plunges to his death on a Manhattan sidewalk. A trophy wife with a past survives a narrow escape from a brazen attack. Mobsters and moguls with no shortage of reasons to kill trot out their alibis. And then, in the suffocating grip of a record heat wave, comes another shocking murder and a sharp turn in a tense journey into the dirty little secrets of the wealthy. Secrets that prove to be fatal. Secrets that lay hidden in the dark until one NYPD detective shines a light. Mystery sensation Richard Castle, blockbuster author of the wildly best-selling *Derrick Storm* novels, introduces his newest character, NYPD Homicide Detective Nikki Heat. Tough, sexy, professional, Nikki Heat carries a passion for justice as she leads one of New York City's top homicide squads. She's hit with an unexpected challenge when the commissioner assigns superstar magazine journalist Jameson Rook to ride along with her to research an article on New York's Finest. Pulitzer Prize-winning Rook is as much a handful as he is handsome. His wise-cracking and meddling aren't her only problems. As she works to unravel the secrets of the murdered real estate tycoon, she must also confront the spark between them. The one called heat.

Selected articles on quantum chemistry, classical and quantum electrodynamics, path integrals and operator calculus, liquid helium, quantum gravity and computer theory

This incredible board book is filled with your favourite Richard Scarry characters from *Busytown*. You will love Richard Scarry's adorable and imaginative artwork that has made him a favourite with children all over the world. A collection of short stories from the internationally bestselling author and creator of *Inspector Lynley*. Three of these stories were originally published under the title *The Evidence Exposed*. 'Smart, compassionate, warm, moving and so VERY funny' Marian Keyes 'So smart and funny. Deplorably good' Ian Rankin 'Thrilling, moving, laugh-out-loud funny' Mark Billingham 'A gripping read' Sunday Times

**THE FIRST BOOK IN THE #1 BESTSELLING, MULTI MILLION COPY SELLING SERIES BY TV PRESENTER RICHARD OSMAN** ----- In a peaceful retirement village, four unlikely friends meet up once a week to investigate unsolved murders. But when a brutal killing takes place on their very doorstep, the Thursday Murder Club find themselves in the middle of their first live case. Elizabeth, Joyce, Ibrahim and Ron might be pushing eighty but they still have a few tricks up their sleeves. Can our unorthodox but brilliant gang catch the killer before it's too late? The Times Crime Book of the Month Guardian Best Crime and Thrillers ----- 'A great read, I really enjoyed it' Graham Norton, Home Stretch 'As the bodies pile up, and more is revealed of the lives and loves of Joyce, Ibrahim, Ron and Elizabeth, you can't help cheering them on - and hoping to meet them again soon' The Times, Crime Book of the Month 'Mystery fans are going to be enthralled' Harlan Coban, Win 'Pure escapism' Guardian, Best Crime and Thrillers 'One of the most enjoyable books of the year' Daily Express 'A beacon of pleasure' Kate Atkinson, Behind The Scenes At The Museum 'As gripping as it is funny' Evening Standard 'Funny, clever and achingly British' Adam Kay, This Is Going to Hurt 'An exciting new talent in crime fiction' Daily Mail 'A warm, wise and witty warning never to underestimate the elderly' Val McDermid, 1979 'Delight after delight from first page to last' Red Magazine 'I completely fell in love with it' Shari Lapena, Not a Happy Family 'This is properly brilliant. The pages fly and I can't stop smiling' Steve Cavanagh, The Devil's Advocate 'Charming, clever debut' Stylist 'I laughed my arse off' Belinda Bauer, Exit 'A witty and poignant tale' Daily Telegraph 'Clever, clever plot' Fiona Barton, Local Gone Missing 'An absolutely delightful read' Prima Magazine 'Utterly charming' Sarah Pinborough, Insomnia 'Funny and original' Sun 'Properly funny and totally charming... steeped in Agatha Christie joy' Araminta Hall, Hidden Depths 'This is one of the most delightful novels of the year' Daily Mirror 'A bundle of joy' Jane Fallon, Worst Idea Ever It began 100 years ago. They said it would be over by Christmas. They were wrong! Read about the tanks and trenches, bombs and battlefields that make up the chilling story of World War One. Did you know that German Zeppelins were made from cow intestines, the same material as sausage skins, so sausages were banned in Germany? Or that the fighting was stopped on Christmas Day 1914, so that German and British soldiers could play football in no man's land? Discover these facts, and so much more, in this fascinating

book. Richard Brassey, author of the successful *THE STORY OF THE OLYMPICS*, brings World War One to life in this unique take on the history and events of one of the 20th century's most important episodes. Full of wonderful, full-colour illustrations and interesting stories, this is a timely addition to existing books on the subject that will interest even the most reluctant readers.

What the most notorious of English kings read and what his reading reveals about Richard III's society. Richard Reed built Innocent Drinks from a smoothie stall on a street corner to one of the biggest brands in Britain. He credits his success to four brilliant pieces of advice, each given to him just when he needed them most. Ever since, it has been Richard's habit, whenever he meets somebody he admires, to ask them for their best piece of advice. If they could tell him just one thing, what would it be? Richard has collected pearls of wisdom from some of the most remarkable, inspiring and game-changing people in the world - in business, tech, philanthropy, politics, sport, art, spirituality, medicine, film, and design. From Hollywood greats like Judi Dench and Richard Curtis, to entrepreneurial legends like Richard Branson and Simon Cowell; from sports stars and TV personalities like Andy Murray and James Cordon to political activists and born survivors like Mandela's Comrades and Katie Piper, Richard has picked some of the world's most interesting brains to give you a lesson in how to live, how to love, how to create and how to succeed.

In *Real Estate Titans*, Erez Cohen shares the advice and learnings of the world's leading real estate experts to create a guide for becoming a savvier real estate player. Cohen draws on his experience as a research and teacher's assistant at Wharton Business School with an investment expert—and his mentor—Dr. Peter Linneman. Throughout his career, Cohen has collected first-hand knowledge from meetings with such real estate titans as Ronald Terwilliger, Sam Zell, Joseph Sitt, and numerous others. Cohen wanted to understand how these real estate giants became so successful, so he refined his quest into three critical questions: What inspires these titans to work so hard and reach such extraordinary levels of success? What are the main elements and traits inside of them that propel them to be so grandiose? How have these individuals, who had less resources, succeeded on a much bigger scale than so many of their competitors? *Real Estate Titans* contains the 7 key lessons distilled from interviews with several of the world's greatest real estate investors. These critical lessons offer insight into the mindset, tactics, and habits that each of the interviewed titans possess. Once you implement these key ideas—which you won't find anywhere else—into your business, it will grow exponentially within a matter of months. *Real Estate Titans* offers an insider's view into several of the most successful investors on the planet. The book's compelling stories and lessons show why real estate is such a wonderful and important business, and it also offers a roadmap for becoming a world class real estate player.

In this poignant book, humanist psychologist Richard Sylvester provides readers with unique insights regarding life's most difficult question: Who are we? The human mind is compelled to search for meaning. But when we let go of our notion of the self, we are often confronted with the emptiness of the world. However, even in that emptiness, love and purpose can be found. In *The Book of No One*, Richard Sylvester continues to communicate the radical and uncompromising view of non-duality expressed in his first book, *I Hope You Die Soon*. With clarity, humor, and compassion, Sylvester answers many questions about the harsh truths of reality, especially the nature of non-duality, liberation, and enlightenment. When it snows, magic happens. Follow a boy and his teddy bear on a wondrous snowy adventure which will lead readers of all ages to a surprising place.

Public Papers of the Presidents of the United States Een moeder van drie tieners geeft veel aandacht aan haar depressieve zoon, maar ziet niet dat de ex-vriend van haar dochter in nood is. **THE NUMBER ONE BESTSELLER!** 'One of the most readable, emotionally intense novels of the year' Richard and Judy Daniel Hunter has spent years defending lost causes as a solicitor in London. But his life changes when he is introduced to Sebastian, an eleven-year-old accused of murdering an innocent young boy. As he plunges into the muddy depths of Sebastian's troubled home life, Daniel thinks back to his own childhood in foster care - and to Minnie, the woman whose love saved him, until she, too, betrayed him so badly that he cut her out of his life. But what crime did Minnie commit that made Daniel disregard her for fifteen years? And will Daniel's identification with a child on trial for murder make him question everything he ever believed in? A Richard & Judy Book Club favourite and international phenomenon. Deeply psychological and suspenseful, *The Guilty One* is both a legal thriller and a human story of love and redemption. \*PRE-ORDER LISA BALLANTYNE'S NEW NOVEL, *THE INNOCENT ONE*, NOW\* 'Moving, insightful' Guardian 'A page-turner with real emotional depth' Daily Express 'Thought-provoking, brave, challenging, compulsive' Rosamund Lupton 'An absorbing psychological debut' Company 'Sophisticated, suspenseful, unsettling' Lee Child 'Grips like a vice' Daily Mail 'One of the best debuts I've ever encountered. An outstanding work of fiction' Daily Record 'Will touch your heart, even as it leaves you unsettled' Hallie Ephron 'I couldn't get this book out of my head. It kept me up all night and guessing the whole way through. I loved it' Jenny Colgan I gave my life to become the person I am right now. Was it worth it? Would we change if we knew what waits beyond space and time? “With *One*, the ninth novel from the ever spiritual and imaginative author of *Jonathan Livingston Seagull*, [Richard] Bach continues his quest for a deeper understanding of human nature. . . . Although the elements of a great science fiction novel are present, the plot is secondary to the novel's theme of humanity's ability to control destiny”—The Boston Herald “If you have ever tried to judge a book by its cover . . . *One* lives up to this question [in the headline] . . . and more . . . Bach gives the reader much to ponder, so much so in some chapters that the thoughtful may be tempted to read no more than a page at a sitting. Not because it's cumbersome reading, but because the ideas are worth savoring.”—USA Today “*One* is a provocative book . . . it gives beautiful, hope-filled answers.”—Indianapolis News “Uplifting . . . Each of the inspirational set pieces preaches the same message: of the power of each individual to choose the ways of peace, brotherhood and love, to live with a reverence for nature and at harmony with the universe. *Back again* displays an inventive imagination and inspirational zeal.”—Publishers Weekly “*One* presents a number of provocative speculations: What would it be like to meet yourself when you were older or younger? How would your life turn out if you had made different choices, split up with your spouse, been born in a different time and place? . . . With love and hope as their guides and ‘what matters most’ as their destination, the Bachs touch down in different times and places, where they commune with some

of their alternative selves.”—The New York Times Book Review “This is a strange and though-provoking fantasy from the man who gave us Jonathan Livingston Seagull and Illusions, one that is imaginative, playful, and, in places, startling in concept.”—The Anniston Star “Instead of soaring and diving through space, passengers on this flight must be prepared to cruise slowly, making several stops to look at their motivation and lifestyles as the Bachs look at their own.”—Detroit Free Press An American Wind in the Willows, this charming tale of Mr. Lobster and his underwater and dry land friends celebrates curiosity and having an open mind, and will be sure to delight children and parents. Whether you are five or one hundred and five, chances are you’ve never met a lobster as learned and charming as Mr. Lobster—and he’d be the very first to tell you so. Mr. Lobster has evaded the fisherman’s trap for decades, but life in his corner of the ocean seems duller by the day. The time has come to seek new adventures, new friends, and even—gasp!—new, dry lands. Dry land is of course perilous for a saltwater-dwelling creature, as are the folks you can meet there, like badgers, bears, birds, and snakes. But Mr. Lobster has a way of turning every enemy into a dear friend and of escaping the scrapes his curiosity gets him into. An American Wind in the Willows, The Curious Lobster stories have been delighting a small and devoted fellowship of readers for going on eighty years. Sweet but not cloying, instructive but not didactic, they acknowledge the challenges of getting along with others and celebrate the possibilities of a life lived beyond the normal swim of things. This edition collects all of Richard W. Hatch’s Mr. Lobster stories, originally published in two volumes The Curious Lobster and The Curious Lobster’s Island. Mr. Rabbit’s feet are stuck in cement and all of his friends are trying to get him out. Follow their hilarious hijinks in this delightful tale of what happens when you don’t pay attention to where you are going.
