Featured content includes commentary on major characters, 25 important quotes, essay topics, and key themes like Tradition versus Technology and Immortality. Does life feel futile? Your failures fatal? And the grave the final stop? If so, there is a truth greater than all the losses and sorrows of life that can be discovered in the life, death, and resurrection of Jesus Christ. This truth was all realized in the course of a single day. A single Friday. All accomplished during six hours, one Friday. In Six Hours One Friday you will delve deeply into the meaning of Jesus' last hours on the cross. Through his death, your life has purpose and meaning. You are forgiven and loved by a Savior who died for you. And an empty tomb proclaims that death does not have the final word. In this book, pastor and New York Times bestselling author Max Lucado encourages us that Jesus bring us: Peace where there should be pain. Confidence in the midst of crisis. Hope that defies despair. Does death have the last word? Jesus winks as he answers, "Not on your life." The CFA Institute has announced that all 2021 exams will continue to reflect the official 2020 curriculum. As we witness unrest, political upheaval, pandemics, and general uncertainty, we have to wonder, "What in the world is going on?" What seems like a continual roller coaster ride is disturbing, and people are looking for answers. You can stop looking because the answers can be found in the writings of the ancient prophets. In this new study guide, *The Hour That Changes Everything*, Richard Pearson will take us through the Bible, highlighting God's plan for America's current and future role in the End Times. Something is indeed happening, and Richard Pearson digs deeply into the Bible to help you understand biblical prophecy from a refreshingly new perspective. With each chapter, you do not only learn more about prophecy, but you'll also clearly discover hidden mysteries pointing to the United States' role in it. *IT WILL COME IN ONE HOUR* While the Bible has plenty to say about the End Times, *The Hour That Changes Everything* will uncover the greatest "time sequence" in human history. In that one hour, an incredible cataclysmic change will cover the world pivoting around The USA. But at the same time, even as the hour brings judgment, Richard Pearson details how the God who delivered Shadrach, Meshach, and Abednego from Babylon's fiery furnace, will once again manifest His presence, in our generation, and miraculously open a door for our escape. Richard Pearson founded Richard Pearson Ministries while serving for twenty-one years on the executive board of Oral Roberts

University. Retired now as CEO of several Canadian transportation companies, He and his wife, Karen, reside in Canada. The Student Workbooks are designed to get students thinking critically about the text they read and provide a guided study format to facilitate improved learning and retention.
