There will be three, Kin of you kin.... Who hold the Power of the stars In their paws. A secret prophecy shapes the lives of Firestar's grandchildren, but only one of the three knows about it. Jaypaw is captivated by the power it promises, and he believes the key to that power may lie buried in the distant past -- with the ancient cats who once walked these woods and now prowl through his dreams. His search for answers leads him toward the mountains -- the home of the Tribe of Rushing Water. Lionpaw and Hollypaw feel drawn to the mountains too, for different reasons. But the mountains hide secrets as well as answers, and if the three cats find a way to get there, they may discover more than they ever expected. Three full-length paranormal romances by Maree Anderson. The Crystal Warriors Series Bundle is approximately 234,000 words and contains: The Crystal Warrior (Book One, Chalcedony & Wulf's story), Ruby's Dream (Book Two, Ruby and Kyan's story), Jade's Choice (Book Three, Jade and Malach's story). THE CRYSTAL WARRIOR, Book One: When career-focused dancer Chalcedony (Chalcey) accidentally breaks a wulfenite crystal, she's confronted by a man dressed like an ad for We Love Leather. Wulf has finally escaped from a centuries-long hell and he wants Chalcedony more than

anything he's wanted in his entire life. Before either of them realize what's at stake, Chalcey is bonded to Wulf and his life is in her hands. And when the Crystal Guardian's curse threatens everything she's worked for, Chalcey must figure out how to save Wulf before it's too late. (Winner: Romance Writers of New Zealand Clendon Award for full-length romantic manuscript) RUBY'S DREAM, Book Two: Ruby's plus-sized, boyfriend-less, and turning thirty. But things are looking up when her BFF gives her a piece of kyanite crystal, and Ruby encounters the most beautiful man she's ever seen. Wow, best birthday present ever! Pity a veritable Adonis like Kyan couldn't possibly be attracted to someone like her. Kyan can't figure what makes Ruby tick and seducing her proves to be a big mistake because now he wants more than Ruby's prepared to give. They both think they've got plenty of time to sort through this mess... and then the Crystal Guardian intervenes, and time runs out for them both. JADE'S CHOICE, Book Three: Jade's so desperate to provide for her chronically ill sister that she decides to sell herself. Her first "client" turns out to be the Crystal Guardian, who promptly locks Jade in a motel room with Malach, the Crystal Warrior destined to be her life-mate. Malach is a complex, compelling man, and he soon captures Jade's heart. But Malach has a dark secret: he plans to kill himself rather than risk being imprisoned in his cursed crystal a third time. And saving him could be a losing battle... because he's still in love with the woman who refused to bond with him decades ago. Also available in The Crystal Warriors Series: OPAL'S WISH (Book 4, Opal & Danbur's story) Paranormal Romance and Urban Fantasy fans will become enchanted with this deliciously dark and scandalous series by International Bestselling Author Emily Bex. It's everything vampire romances should be made of! "The DANGEROUS ELEGANCE of these worldly, wine and blood loving Medici warrior vampires and their mates is TOTALLY ADDICTIVE. I cannot wait for more." - Katalina Leon, USA Today Bestselling Author Immortality beckons. Unable to escape crushing grief, Kate needs an outlet to channel her anguish. Turning to Luca, she pleads to be trained to fight like a warrior, but such a thing is in direct violation of Shade's commands. If she can get Luca to agree, her training must be done in secret. Unfortunately, any training is too little too late. Intent on crushing Shade, the Aries coven is pressing in on him from all sides. Shade's only weakness is Kate, who becomes their perfect bait. While Kate has been made stronger, as long as she's mortal, her life is in peril. But going through the turning to become immortal would be a big gamble to her survival. So many decisions, too many obstacles. This second installment in a vampire saga will draw you in from the first page to the spellbinding end. The world she knew changed. And she wasn't ready. She was supposed to be happy and normal. What happened to her normal life? Tula's just an average eighteen year old. So why was she fighting against being possessed? Why was she being man-handled by

Dreadjers? And why were Life Warriors protecting her? Tula's normal world is torn apart by monsters. And her saviour has non-existent social skills, a bad attitude and wicked blade. But he is her only safe place. Marked for Death. Fighting for Justice. Destined for Love. Ex-soldiers Wyatt, Devon, Lex, and Malcolm were all part of the same black ops mind control experiment that left psychic scars on the shifters. They're struggling to recover from what the military did to them when they learn they're marked for death. At first, they're just fighting to survive, but their quest soon takes them on a journey for answers, an opportunity to end the illegal experiments permanently, and a long-awaited chance to get justice for themselves and their fallen comrades. Along the way, they meet their fated mates and discover life is more than surviving, and love is the critical component necessary to really live.

Contents:

Hunted: When Wyatt turns his back on the world—and her—Gillian knows he's hurting and needs time to recover from whatever wounds were inflicted on his bear by the military. He reluctantly accepts her help as they flee from a secret group sent to eliminate the shifter-soldiers involved in a black-ops experiment, though he's determined to maintain an emotional distance from her. But bears mate for life, and his human mate is just as stubborn as he is. Nothing could hurt her more than losing him, and she's just the one to help her wounded warrior move from the past and into the future—if they have a future...

Relentless: When tiger-shifter Devon Manchester went looking for his missing teammate, he found Tianna Barrett instead. A citizen journalist, she's been quietly digging into the secrets of Project: Shift and helps Devon find his next lead. Now that the black ops group knows about her existence, she has to come along with him as they pursue clues about a missing teammate's whereabouts into the Canadian wilderness. Having her along is certainly no hardship, since he's soon convinced Tianna is meant to be his mate. He's determined to claim her—if they live long enough...

Marked: When Lex is taken from her teammates, she expects to be eliminated or harvested for Project Enhanced. Instead, Lt. Col. Jasper Caswell, leader of the black ops group pursuing them, has marked her as his mate. It's a fate worse than death, and she is desperate to escape. The mysterious and handsome Aidan, who works in support services, seems like her best chance of doing so. With his help, she discovers what the group really wants from the shifters who have eluded them. She thinks she has also found her mate, but Caswell is determined to claim her. To have any kind of future together, they'll have to find a way out of the secret base—and counter the mating bite on her neck that allows Caswell to track her...

Justice: Clinging to the hope Dr. Daphne Wells can help his teammate and former lover, Malcolm kidnaps the doctor and brings her to Sanctuary. Once she realizes how the black ops group subverted her research, she is eager to help reverse the effects, if she can. While she studies the artificial intelligence systems, Malcolm and the rest of the team set about systematically destroying all traces of Project Shift and Project Enhanced. When they learn of a group of private investors starting their own version of Project Enhanced, they have a new enemy to destroy. It's definitely the wrong time to have his jaguar insist the scientist is their mate. He can't claim her while their lives are at risk—but is life worth living without her? This is the boxed set of the series and includes all four books, which are meant to be read in order. There is a combination

of paranormal aspects, mystery, suspense, science fiction, and action. Danger awaits a young Hucen woman named Irene, who must go into the heart of the Vangarrin Empire to rescue her mother Isabella Stanton. Isabella now finds herself in an unfortunate situation. The Vangarrins have given the Hucens trouble for decades. Irene will venture into the center of the Empire, having remembered her last name being Stanton. She will face any danger to save her mother, the one person who truly knows her. Irene Stanton will have to be faster, stronger, smarter, and luckier than she has ever been, because enemies are cleverly planning her demise. For the shadow of the Vangarrin Empire is the shadow of death, and the shadow of death has Irene Stanton in its sights. Luckily, she has allies who will seek her salvation. But will allies and courage be enough to save her mother and guide all to safety? Constantine, the most valiant of the Vampire Warriors, was sent on the most important mission of his life: he must protect The Chosen One, a mortal who has no idea of who she really is. With a witch and a werewolf assisting him in his quest, he must risk his life and his heart to prevent Anzu, an evil wizard, from taking her and usurping her position as Lore Leader. Lorelei Lenore was just a normal person who had no idea of the destiny awaiting her. A teacher out for a night on the town with her friends, she encounters the man who would change her life forever. Plagued by nightmares of her daughter being kidnapped by evil, she soon realizes that her dream was prophetic, and that she was destined to rule the supernatural world and, by default, the world of mankind. Based on Ephesians 6:10-18, The Prince Warriors is the first book in an epic middle reader series that brings to life the invisible struggle occurring in the spiritual realm. Cosmic Warriors arrive on Deburon, one of the four known worlds, searching for Fydraca, the magical sword of Ionuin. According to Nexus, the Golden Dragon King, Fydraca is a weapon of Light and must be found as it will be needed to aid their cause in the coming Clysm. Fydraca was lost before the battle of Merm where our heroes confronted and defeated the Dark Dragon. After the battle, Nexus informed all four of our warriors that they have become embroiled in the struggle for power between forces of Light and Dark. A titanic struggle where only brave can hope to oppose the powerful destructive forces aligned against them. Should these malignant entities be allowed to rage unchecked, all worlds will suffer, civilisations will crumble and fall, and only tears will be more plentiful. Personifications of Dark and Light are attempting to force the outcome they desire,

placing our warriors of Merm in great danger. Before the sun has even set, our heroes become separated as the indigenous people of Deburon strive for control of their own affairs. Fydraca is at the heart of the Deburon conflict, causing untold chaos and now appears to be corrupted and has become a sinister tool working for Dark purposes. The ongoing Clysm erupts, much blood is shed and many lives are lost. Kingdoms are about to be hurled into the abyss of ruination and the Reckoning draws ever closer. Only our four warriors can make a difference, but first, they must unravel the mystery surrounding the troubling events that are unfolding, distinguish friends from enemies, ultimately, risking their own lives in order to save the lives of countless innocents. Ionuin and Taj are stretched to breaking point in torturous circumstances, the fighting prowess of Glitch and Spuddle is tested to the limit, sacrifices and ultimate choices between life and death must be taken. What they are about to discover, is that all is not as it seems on this strange new world, for the new protagonists, emerging and entering into the conflict, are both fearsome and deadly. Despite the formidable powers facing them, Ionuin, Taj, Glitch and Spuddle are determined to secure victory. What they don't know, is that the eventual outcome will decide the fate of everyone on all worlds. Princess Maagy has survived Faith Quest and become the second woman to be knighted in five hundred years of noble history--and she is still only sixteen years old. Just when she thinks she has accomplished her greatest glory, her world comes crashing down when her father King Henry is taken hostage and spirited away in the middle of the night. To make matters worse, Maagy and her father are not on speaking terms. She must now assume the crown and take command of the entire commonwealth armed forces before the ink is even dry on her Academy diploma. Dressed in her combat uniform with weapons at her side, she makes a solemn vow to bring her father home. This fourth book in the Maagy Series is the most exciting, mysterious, and action-packed yet. Due to violent, unforeseen circumstances, Princess Maagy is forced to grow up fast and face her worst fears head-on. She must take control of not only the crown but also her emotions to become the warrior she was born to be. A thrilling new adventure begins in Erin Hunter's #1 bestselling Warriors series! They have always lived by the code—but only change can keep the peace. A new age is dawning on the warrior Clans. Now a new generation of warriors rises—one wrestling with the legacy of his great ancestor Firestar, one seeking to protect her troubled Clan, and one yearning to prove herself as a medicine cat—as leaders from all five Clans agree that the Warrior Code must be reformed. But when tragedy strikes RiverClan, old fears will threaten the new peace... unless these three young cats can calm the coming storm. This seventh epic Warriors series is full of action, intrigue, and adventure. This first book is the perfect introduction for new readers, while long-time fans will discover what unfolds after the events of The Broken Code. WARRIOR: LORD OF WAR is the fifth and final ebook novella in the WARRIOR series, telling the dramatic story of Caratacus - barbarian enemy of Rome. Don't miss DEATH TO THE EMPEROR - the thrilling new Eagles of the Empire adventure featuring Macro and Cato! On sale now. AD 27, Britannia. After a terrible betrayal, Caratacus and his surviving men make a perilous escape through enemy lands, hunted at every turn by their relentless pursuers. When they stumble across a hidden enemy camp, they

learn that the situation is even worse than they feared. The Atrebatas, a Roman client tribe, have laid a deadly trap for Caratacus's fellow warriors. One that could swing the war in their favour. If Caratacus is to avert a catastrophic defeat for his tribe, he must persuade his father that his intelligence is true. But time is short. And as the war bands prepare for battle, Caratacus must confront his greatest challenge yet . . . Warrior: the new series set in Britannia - the wildest reach of the Roman Empire . . . From the Sunday Times bestselling authors of *Invader* and *Pirata*. Centuries ago prophets predicted the rise of a great wizard and a formidable warrior who would save the people of their land. Now an invasion fleet is heading for Aria, is it time for the Wizard and the Warrior to arise and save them all? Runaway bride Aliah wants to be more than someone's wife. Fleeing his destiny, Seamus has no idea what he wants from his future. Thrown together by fate, the two journey to the nation's capital; one to warn the king of an impending invasion, the other to do the unthinkable—train to be a wizard. Their chance encounter takes them on a wild adventure where they must face their pasts and decide their future, all while helping Aria prepare to defend itself. However, fate has not finished with Seamus and Aliah. In an unexpected twist, they are placed at the very centre of the conflict facing their home, and must decide whether or not to take up the challenge. With the gods on their side, it should be easy for Aliah and Seamus to identify and locate the real power behind the invasion and find a way to defeat him; all while pulling together a support team and having mid-night lessons to learn how to use their newly acquired magical tokens. Well, it would be if the gods weren't hiding more than they shared. Aria's future hangs in the balance, can two runaways tip the scales? What one reader said: Great book. I was hooked on the storyline. Can't wait for the next one! Joel and Erin longed for a time when all they had to worry about was school, bullies and birthdays. Instead they are caught in the Intersect, a place where worlds connect and the imaginary and reality meet, just as it is taken over by an unimaginable force threatening all the worlds connected to it—including our world. Now they must journey through fantastic worlds, battling creatures both real and imagined, guided by a private investigator from countless black and white movies. If they fail, the world as we know it will end... Fireheart sprang to his paws at once. "And who gave you the right to question our loyalty?" he spat Twenty-five years ago, Gwen Nicholson-Nelson was in a car accident that almost claimed her life and left behind a strange gift. She can see the future, and death, before it comes to pass. She had a vision of her husband's death ten years before it happened in, for Gwen, chilling *deja vu*. During this time, she's also had a disturbing connection with another like her, a psychic who has the power to not only see into others but to manipulate and destroy. For twenty-five years, as seemingly unrelated events convince Gwen she has no power of her own beyond bizarre sight, she's wondered why she was given the ability to see pain and death yet never to alleviate it. But when her nemesis targets Dylan Mitchell, the man she loves, and his daughter, all the pieces of the puzzle that have tormented her fall into place. Gwen must discover her own power, believe in herself and her destiny, and act—before her vision of Dylan's death comes to pass. Imagine that your world has fallen victim to war and chaos. But things aren't so bad anymore. The army has stabilized now, even if it is at the

expense of taking infants from their civilian homes and training them from childhood to become elite fighters. And you are one of those warriors. Strong, Dedicated. Lethal. That ten foot wall around your village means nothing to you. But what if you found out that you had a family on the other side? Wouldn't you want to meet your twin sister? Join Drew as she learns that her home island of Krystor has a few secrets to keep and that rebellion runs in her family. DIARY OF AN 8-BIT WARRIOR WAS ORIGINALLY PUBLISHED AS WIMPY VILLAGER KINDLES 1-4.** The first volume of this best-selling unofficial Minecraft adventure series begins with Runt, our 12-year-old hero, about to choose his future vocation at the Minecraftia school. His options are less than thrilling: farmer, crafter, miner. But what this noob really wants is to be a warrior like his hero, Steve. So when he learns that the five best students in school that year will get the chance to start warrior training, it's ON. In book two of the Warrior series, Kadesoman, a Malai warrior and the son of Kamarsoman and his Earth mate Cassie, is given command of the new Malai exploration ship Seeker. He's told by the League of Planets that Seekers maiden voyage isn't a test, or one of exploration, but a rescue mission. Two League ships have disappeared beyond an unexplored portal, and its Seekers job to find them. Kade's main crew is comprised of well trained friends he has grown up with. His captain, Zan, is his best friend, and Kades twin sister Jade, is one of Seekers doctors. The varied crew takes off to solve a mystery that has consequences none of them is prepared for, and along the way they find danger, adventure and love. Kade is confronted by Oleda, a descendant of an old enemy that his father killed many years ago, and she's out to destroy him. Vengeance driven Oleda creates half-man half-beasts from the survivors of a dying planet. She viciously experimented on them trying to create her new powerful beast army. She discarded them as failures when she discovered they had too much humanity for her purposes. Turning them out among her other failures, she thought they would be easily killed off. What she didn't know was, led by the big Makcara War, they thrived. The powerful, handsome beings learned to control the beast in them and used it to survive, yet kept their humanity. Jade has a confrontation in the woods with one of them, Chain. He's big, hard muscled, handsome, and extremely sexy. Chain's pale gray eyes bore into Jade as he tackled her when she drew the attention of one of the planets more vicious creatures. The confrontation starts Chain and Jade on a rollercoaster of emotions that will either tear them apart or bring them crashing together. The New Makcara are given a second chance at life, by Kade's people with several twists, and surprises along the way. The mission goes

through many portals and visits to other planets including Earth in their race to stop Oleda. Seekers This book is about courage.
