- Features a collection of original essays that covers such wide-ranging topics as vows in the Hebrew Bible; ancient Greek wedding gifts; Hellenistic civic practices; Latin literature; Roman and Jewish burial practices; and Jewish and Christian religious gifts
- Organizes essays around theoretical concerns rather than chronologically
- Generates unique insights into gift-giving and reciprocity in antiquity
- Takes an explicitly cross-cultural approach to the study of ancient history

The Diva's Gift traces the far-reaching impact of the first female stars on the playwrights and players of the all-male stage. When Shakespeare entered the scene, women had been acting in Italian troupes for two decades, traveling in Italy and beyond and performing in all genres, including tragedy. The

ambitious actress reinvented the innamorata, making her more charismatic and autonomous, thrilling audiences with her skills. Despite fervent attacks, some actresses became the first international stars, winning royal and noble patrons and literary admirers in France and Spain. After Elizabeth and her court caught wind of their success in Paris, Italian troupes with actresses crossed the Channel to perform. The Italians' repeat visits and growing fame posed a radical challenge to English professionals just as they were building their first paying theaters. Some writers treated the actress as a whorish threat to their stage, which had long minimized female roles. Others saw a vital new model full of promise. Lyly, Marlowe, and Kyd endowed innamorata parts with hot-blooded, racialized passions, but made them self-aware agents, not counters traded between men. Shakespeare, Jonson, Webster and others followed, ringing changes on the new type in

comedy, tragedy, and romance. Like the comici they recycled actress-linked theatergrams and star scenes, such as cross-dressing, the mad scene, and the sung lament. In this way, the diva's prodigious virtuosity and stardom altered the horizons of playmaking even on the womanless stage.

Capitalizing on the talents of boy players, the best playwrights created bold new roles endowed with her alien glamour, such as Lyly's Sapho and Pandora, Marlowe's Dido, Kyd's Bel-Imperia, Webster's Vittoria, and Shakespeare's Beatrice, Viola, Portia, Juliet, and Ophelia. Cleopatra is not alone in her superb theatricality and dazzling strangeness. As this book demonstrates, the diva's gifts mark them all. 'Bodden's absorbing page-turner maintains its suspense right up to the final pages.' Sunday Express

\_\_\_\_\_ Sarah Campbell has always known she was different. A slave at Allen Estates, Alabama, and the illegitimate daughter of the plantation

owner Mr Allen, she's used to the other children's jibes, her mother's night-time trips to Mr Allen and, to her delight, her furtive literacy lessons with her white half-sister Clarissa. Slowly, using her forbidden knowledge of reading and writing, Sarah plots an escape to the north and freedom. But Sarah's life is turned upside-down when she learns she will be given to Clarissa's cruel, soon-to-be-husband as a wedding gift, becoming his property. Sarah knows this could be her last chance to escape for good. But will her secret skills and unrelenting willpower be enough to set her free?

An uplifting tale of life's simple pleasures from acclaimed illustrator, Fiona Lumbers. If you were loaned something what would be your course of action in regard to what you were loaned? Wouldn't you use what was loaned to you to complete the purpose at hand, return it to its owner and go on about your business, would you take what was loaned to you and not care for it, not put it into use and disregard it? And if something is given to you in trust, of how much importance is it to you to display integrity and honesty, by taking care of and properly employing what was entrusted to you? i love you Eric to the upside down and back Notebook, Valentines Day Anniversary Gift Ideas For Eric Name Gift Idea Notebook Notebook Birthday Gift is a 120 pages Simple and elegant

book ranges across anthropology, literature, economics, and psychology to show how the 'commerce of the creative spirit' functions in the lives of artists and in culture as a whole. This carefully crafted ebook: "Shakespeare's Christmas Gift to Queen Bess" is formatted for your eReader with a functional and detailed table of contents. Excerpt: "The numberless diamond-shaped window panes of the Mermaid Tavern are twinkling like so many stars in the chill December air of London. It is the last meeting of the Mermaid Club for the year 1596, and not a member is absent. As they drop in by twos and threes and gather in groups about the room, it is plain that expectation is on tip-toe. They call each other by their Christian names and pledge healths. Some are young, handsome, fastidious in person and dress; others are bohemian in costume, speech, and action; all wear knee breeches, and nearly all have pointed beards." Anna Benneson McMahan

(1846-1919) was American scholar and author of several books of classical literary works. Her accomplishments were unusual for a woman of her generation and she has a notable literary legacy.

Featuring the same unique flip-book design and universal message that made I Love You More a bestseller, this companion book brings the same beautiful lyricism to a new dual idea: A child is a gift to the world, and the world is a gift to a child. Evoking all that makes a child unique, the book then mirrors with the world's special gifts-from mountains to seas to life itself. Inspirational as well as gorgeously written, both poems reach the same moving conclusion: A child in the world is the greatest gift of all. Praise for I Love You More: "I can just see an adult and a kid giggling away, flipping the book over and taking turns reading to get to the middle and a big fat hug... Sweet, simple examples that a little one with a big heart will understand." -Alyne Ellis, AARP Radio Network +ARE YOU

Marie-Claire In this exquisite

story of family, food, grief, and  
endurance, Michelle Zauner  
proves herself far more than a  
dazzling singer, songwriter,  
and guitarist. With humour and  
heart, she tells of growing up  
the only Asian-American kid at  
her school in Eugene, Oregon;  
of struggling with her mother's  
particular, high expectations of  
her; of a painful adolescence;  
of treasured months spent in  
her grandmother's tiny  
apartment in Seoul, where she  
and her mother would bond,  
late at night, over heaping  
plates of food. As she grew up,  
moving to the east coast for  
college, finding work in the  
restaurant industry,  
performing gigs with her  
fledgling band - and meeting  
the man who would become  
her husband - her Koreanness  
began to feel ever more  
distant, even as she found the  
life she wanted to live. It was  
her mother's diagnosis of  
terminal pancreatic cancer,  
when Michelle was twenty-five,  
that forced a reckoning with  
her identity and brought her to  
reclaim the gifts of taste,  
language, and history her

mother had given her. Vivacious, lyrical and honest, Michelle Zauner's voice is as radiantly alive on the page as it is onstage. Rich with intimate anecdotes that will resonate widely, *Crying in H Mart* is a book to cherish, share, and reread. 'Possibly the best book I've read all year . . . I will be buying copies for friends and family this Christmas.' - Rukmini Iyer in the Guardian 'Best Food Books of 2021' 'Wonderful . . . The writing about Korean food is gorgeous . . . but as a brilliant kimchi-related metaphor shows, Zauner's deepest concern is the ferment, and delicacy, of complicated lives.' - Victoria Segal, Sunday Times, 'My favourite read of the year' Features the songs, dances, rituals of American Shakers -- only authoritative account. Origin, development, notation, dance figures. Includes 80 songs in notation and 17 illustrations. Best Valentine's Day gift for her Are you looking for a Valentine's Day gift? Prophecy, Jack Deere describes the operation of the prophetic gift in the church today. He offers not only a balanced overview of the role of prophecy in the Christian community, but also practical information to help readers discern the authenticity of prophecies and learn to exercise the gift themselves.

Topics covered include: learning how God speaks, understanding His messages, avoiding prophetic craziness, giving prophetic messages, discerning deceptions, demons and false prophets and growing in your prophetic gift.

#### RECOVER AND REFORMAT

Caring and thoughtful, the book helps parents embrace the extraordinary time they will have with their child. From the time you were young, you've had a dream that one day you would do something amazing. Several chapters into your life later, you wonder where all the days went and why you've lost or forgotten the dream that you had since you were young. You've searched and at times sacrificed security and sanity

to find it. Even so, you only have more questions than answers and a memory that serves to make you both smile and cry. Where did the youthful heart that hoped and dreamed without bounds and believed nothing was impossible go? Where did the youthful spirit that could create options that did not exist go? Where did the youthful heart that would play with an open mind, open heart, and carefree passion go? Where did the youthful spirit that thrived on challenges go? Where did the youthful heart that believed in magic go? Where did the youthful spirit that was enthusiastically and passionately in love with life go? My Gift to You is the first book in a three-book series that shares the book writing adventures of a spiritual journey from the mind (fear) to the heart (faith). My Gift to You is a story to help you remember and celebrate who you truly are. All that is needed is an open mind and the willingness to discover what is waiting to be found. Few books in theology have faced the twentieth century

with all its horrors and yet convincingly revoiced the redemptive Christian antidote that compels us to reawaken to our true identity as beloved children of God. Joseph Ratzinger's 1968 masterpiece, Introduction to Christianity, is one of those rare books. On the fiftieth anniversary of this classic book's publication, English-speaking scholars from around the globe gathered at the University of Notre Dame to celebrate Ratzinger's lasting influence on the world of Christian theology. Bishops, priests, and lay men and women set their hands to "the trowel of tribute," honoring the theological legacy of Joseph Ratzinger and the pivotal role he has played in the recent history of the Catholic Church, from his early days as a parish priest and university professor, all the way to his election to the Chair of Saint Peter as Pope Benedict XVI. Readers of this collection, Gift to the Church and World, will enjoy the beautiful variety of essays penned by notable scholars that decorate the timeless

insights of Ratzinger's theological genius. Thematic topics include an overview and context of Ratzinger's work, fundamental theology, philosophical theology, dogmatic theology, spiritual theology, and pedagogy. Altogether, readers will deepen their appreciation and understanding of the theological contributions of Joseph Ratzinger to the mission field of the New Evangelization today. Finally, a book that ties two holiday traditions into one inspirational tale of wonder - as Santa

brings gifts to baby Jesus. The cleverly-written, rhyming book reveals Santa's adventure from toymaker to star follower right into the heart of Bethlehem where he meets Baby Jesus in the manger. Delivering toys to a king is a touching experience for both Santa and readers alike, as they discover where the tradition began Santa makes a promise to Jesus to bring gifts to good boys and girls each year on Jesus' birthday. This delightful story is engaging and delivers meaningful lessons using recognizable nativity characters, and of course, Santa and Jesus. "The events that inspired these verses are collections of memories and fragments that have merged to form poems. The stories of loving experiences between players, that looking for love or company ended up with a wounded heart. These stanzas represent detailed images of the experiences leading to disenchantments and frustrations that loving and losing produces; without forgetting the sublime rapture

and ecstasy that loving also inspires. These verses touch the essence of the heart and soul, appealing to that collective need we call love; that human sentiment so powerful, that it can make us touch heaven or sink us to darkest depths of hell." In this rich interdisciplinary study, Hildegard Hoeller argues that nineteenth-century American culture was driven by and deeply occupied with the tension between gift and market exchange. Rooting her analysis in the period's fiction, she shows how American novelists from Hannah Foster to Frank Norris grappled with the role of the gift based on trust, social bonds, and faith in an increasingly capitalist culture based on self-interest, market transactions, and economic reason. Placing the notion of sacrifice at the center of her discussion, Hoeller taps into the poignant discourse of modes of exchange, revealing central tensions of American fiction and culture. *The Gift of the Magi* is a treasured short story written by O. Henry. A

young and very much in love couple can barely afford their one-room apartment, let alone the extra expense of getting Christmas presents for one another. But each is determined to show their love for the other in this traditional time of giving; each sells a thing they hold most dear in order to afford a present, with poignant and touching results that capture their love for one another. Too often we find ourselves feeling disrespected by others, and are surprised to discover we may be part of the problem. This book will help you to take a look at yourself, learn to respect your self, and in turn, learn how to respect others. Special Halloween gift for Aubrie, Perfect for taking note and write down thoughts, Details journal : Size: 7.44" x 9.69" Pages: 110 pages Paper: white lined paper Cover: High-quality cover with a soft Glossy professional finish Excerpt from The George A. Hearn Gift to the Metropolitan Museum of Art: In the City of New York in the Year MCMVI Objection having been raised to the

condition accompanying my offer of pictures and money to the Museum, I deem it but due to myself to offer justification therefor. It having been said that it is difficult to meet the demand that gifts of paintings be kept together permanently, because such collections represent different nationalities and periods, I would reply, that while such difficulty might arise where the gifts number a dozen or so, it cannot be true where an entire gallery is harmoniously filled from a definite standpoint, for then the collection becomes a unit, or, let us say, a small museum in itself, the separate works contained therein, holding consistent relation to each other, completing the roundness of the whole. This collection is not simply a number of unrelated pictures that happened to please the fancy, brought to the Museum from the walls of my home; on the contrary, it is a collection formed in the gallery where it now hangs, during a number of years, having been subjected to frequent changes, always with

improvement, and, by consent and approval of the authorities, until the present harmony was secured. To scatter these paintings through different rooms would be to undo the result I have desired to attain, and the artist or art lover will find nothing in Gallerv is to interfere with his enjoyment, nor can the effect be said to be disturbing to the Museum. It is but natural that donors should prefer to have their gifts assembled where they maybe seen at their best, rather than scattered through various rooms. Certain collections of paintings, porcelains, jades and musical instruments, now in the Museum, are far more interesting shown by themselves, than if broken up. Furthermore, they are gifts no Museum can afford to refuse on the ground that they are to be kept together permanently; for it is to the generosity of private individuals that we must look for the constant growth of the institution. To distribute this collection now according to schools would be to substitute a mechanical

subdivision for an arrangement arrived at after years of loving study. The objection raised to keeping together individual collections has not disturbed European Museums. For example, in the National Gallery we find the Peel Collection, though purchased in 1871, is still kept together; then there are those notable examples of Turner, which were accepted by the Trustees with the condition that they should hang with the Claudes. In the South Kensington we find the Sheepshank's Pictures kept together, as well as the Forster, the Dyce and others; also the admirable collection of Furniture, Pictures and Art Objects bequeathed by Mr. Jones. In the Louvre hangs the La Caze Collection. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. **\*INSTANT #1 INDIE BESTSELLER\*** From the New York Times bestselling author of *Red, White & Royal Blue* comes a new romantic comedy that will stop readers in their tracks... For cynical twenty-three-year-old August, moving to New York City is supposed to prove her right: that things like magic and cinematic love stories don't exist, and the only smart way to go through life is alone. She can't imagine how waiting tables at a 24-hour pancake diner and moving in with too many weird roommates could possibly

change that. And there's certainly no chance of her subway commute being anything more than a daily trudge through boredom and electrical failures. But then, there's this gorgeous girl on the train. Jane. Dazzling, charming, mysterious, impossible Jane. Jane with her rough edges and swoopy hair and soft smile, showing up in a leather jacket to save August's day when she needed it most. August's subway crush becomes the best part of her day, but pretty soon, she discovers there's one big problem: Jane doesn't just look like an old school punk rocker. She's literally displaced in time from the 1970s, and August is going to have to use everything she tried to leave in her own past to help her. Maybe it's time to start believing in some things, after all. Casey McQuiston's *One Last Stop* is a magical, sexy, big-hearted romance where the impossible becomes possible as August does everything in her power to save the girl lost in time.
