Resistance to Political Violence in Latin America Dec 20 2019 This book analyzes state terror documentation as a form of peaceful resistance to oppressive regimes through substantial research in human rights archives that registered violations perpetrated by Augusto Pinochet's dictatorship in Chile. The contributors provide in-depth analysis on state violence documentation, denunciation and resistance and how it affected civilians, activists and victims. Additionally, the project introduces research in transitional contexts (post-dictatorship, post-apartheid and post-colonialism) showing the role of documentation practices in achieving truth, reparation and

justice. This work will be relevant to academics, students and researchers in the fields of political science, political history, Latin American and memory studies.

A House in the Mountains Jun 25 2020 'Moorehead paints a wonderfully vivid and moving portrait of the women of the Italian Resistance' MAX HASTINGS, SUNDAY TIMES The extraordinary story of the courageous women who spearheaded the Italian Resistance during the Second World War In the late summer of 1943, in the midst of German occupation, the Italian Resistance was born. Ada, Frida, Silvia and Bianca were four young women who signed up. Living in the mountains surrounding Turin their contribution was invaluable. They carried messages and weapons, provided safe houses and took prisoners. As thousands of Italians rose up, they fought to liberate their country. With its corruption, greed and anti-Semitism, the fall of Fascist Italy was unrelentingly violent, but for the partisan women it was also a time of camaraderie and equality, pride and optimism. Through the stories of these four exceptional women, the resolve, tenacity and, above all, courage of the Italian Resistance is laid bare. A Spectator Book of the Year

Girlvert Apr 04 2021 An explicit look into the world of porn, from a woman who was a superstar in the industry. Small, aka Ashley Blue, weaves through the intricacies of a decade in and out of the adult film industry, love, drugs, and her own firebrand of what it means to live ecstatically.

Interviews with History and Conversations with Power ebook Oct 22 2022 A posthumous compilation of this award-winning and best-selling writer and journalist's seminal, historic interviews. Oriana Fallaci was granted access to countless world leaders and politicians throughout her remarkable career. Considering herself a writer

rather than a journalist, she was never shy about sharing her opinions of her interview subjects. Her most memorable interviews—some translated into English for the first time—appear in this collection, including those with Ariel Sharon, Yassir Arafat, the former Shah of Iran, Lech Walesa, the Dalai Lama, Robert Kennedy, and many others. Also featured is the famous 1972 interview in which she succeeded in getting Henry Kissinger to call Vietnam a "useless war" and to describe himself as "a cowboy." To this day he calls the Fallaci interview "the most disastrous conversation I ever had with the press."

Oriana & Aurora Nov 18 2019

Oriana Fallaci Aug 20 2022 The graphic novel follows the three trips made by journalist Oriana Fallaci to Vietnam between 1967 and 1968, when everything happens in America, from the Apollo 11 mission to the Moon, to the protests for the killing of Martin Luther King, to the birth of the pacifist movements against the war in Vietnam. A report from the front that has the pace of an intimate story, from the personal diary of a woman observing a grueling war in which nothing is as it seems.

This Side of Paradise Oct 30 2020 Definitive novel of the "Lost Generation" focuses on the coming of age of Amory Blaine, a handsome, wealthy Princeton student. Fitzgerald's first novel and an immediate, spectacular success. Note.

Woman with the Iceberg Eyes: Oriana F. Wilson Sep 09 2021 Captain Scott's adventure in the Antarctic, the most famous story of exploration in the world, played out on the great ice stage in the south. Oriana Wilson, wife of Scott's best friend Dr Edward Wilson, was watching from the wings. She is the missing link between many of the most famous names, the lens through which their secrets are revealed. What really happened both in Antarctica and at home?

This book presents a valuable and exciting perspective on the golden myth – the widow’s story. Ory’s status as an Antarctic widow gave her access to an unprecedented range of evidence on Scott’s team but it also allowed her into a man’s world at a time when the British Suffragettes were marching. True to her gender and her time, Ory began as the dutiful housewife, but emerged as a scientist and collector in her own right, and the first white woman to venture into the jungles of Darwin, Australia. Ory has been quiet for a century – this biography gives her a voice and gives us a unique view of the first half of the twentieth century seen through her clear blue ‘iceberg eyes’.

The Pencil Perfect Jan 01 2021 The Pencil Perfect is the tangible tale of the pencil: a utensil that crafts its own story as humans use its sharpened point to write their own.

The Force of Reason Jul 19 2022 This work is the follow-up to "The Rage and The Pride," the author's post-9/11 manifesto. She takes aim at the many attacks and death threats she received after the publication of her political views.

Chivalry, Reading, and Women's Culture in Early Modern Spain Feb 20 2020 This book analyses many versions of the romance from Spain, Portugal, France, Italy, and England and tells a new story of the life, death, and influences of Amadís.

International Law's Objects Aug 08 2021 International law's rich existence in the world can be illuminated by its objects. International law is often developed, conveyed, and authorized through its objects and/or their representation. From the symbolic (the regalia of the head of state and the symbols of sovereignty), to the mundane (a can of dolphin-safe tuna certified as complying with international trade standards), international legal authority can be found in the objects around us. Similarly, the practice of international law often relies

on material objects or their image, both as evidence (satellite images, bones of the victims of mass atrocities) and to found authority (for instance, maps and charts). This volume considers these questions: firstly what might the study of international law through objects reveal? What might objects, rather than texts, tell us about sources, recognition of states, construction of territory, law of the sea, or international human rights law? Secondly, what might this scholarly undertaking reveal about the objects-as aims or projects-of international law? How do objects reveal, or perhaps mask, these aims, and what does this tell us about the reasons some (physical or material) objects are foregrounded, and others hidden or ignored. Thirdly what objects, icons, and symbols preoccupy the profession and academy? The personal selection of these objects by leading and emerging scholars worldwide will illuminate the contemporary and historical fascinations of international lawyers. By considering international law in the context of its material culture the authors offer a new and exciting theoretical perspective on the subject. With an image of each object reproduced in full colour, the book will make an engaging and interesting read for scholars, practitioners, and students alike.

Harry's Trees Jul 27 2020 When you climb a tree, the first thing you do is to hold on tight... Thirty-four-year-old Harry Crane works as an analyst for the US Forest Service. When his wife dies suddenly, he is unable to cope. Leaving his job and his old life behind, Harry makes his way to the remote woods of northeastern Pennsylvania's Endless Mountains, determined to lose himself. But fate intervenes in the form of a fiercely determined young girl named Oriana. She and her mother, Amanda, are struggling to pick up the pieces from their own tragedy--Amanda stoically holding it together while Oriana roams the forest searching for answers. And

in Oriana's magical, willful mind, she believes that Harry is the key to righting her world. Now it's time for Harry to let go... After taking up residence in the woods behind Amanda's house, Harry reluctantly agrees to help Oriana in a ludicrous scheme to escape his tragic past. In so doing, the unlikeliest of elements--a wolf, a stash of gold coins, a fairy tale called The Grum's Ledger and a wise old librarian named Olive--come together to create a golden adventure that will fulfill Oriana's wildest dreams and open Harry's heart to a whole new life. Harry's Trees is an uplifting story about the redeeming power of friendship and love and the magic to be found in life's most surprising adventures.

Oriana Fallaci Feb 02 2021 An introduction to the writing of one of Italy's most controversial personalities and widely-read writers, whose ideas have antagonized both feminists and anti-feminists. Analyzes texts written between 1958 and 1995, focusing on her strategies of direct engagement with key issues such as women's liberation, Vietnam, Islamic fundamentalism, and the space program. Distributed by New York University press. Annotation copyrighted by Book News, Inc., Portland, OR

The Egotists Apr 16 2022

Oriana Jun 06 2021 A photographic tour around the beloved Oriana from bow to stern, top to bottom

Interview with History Dec 24 2022 A journalist's portraits of power and dissent around the world.

Drawing the Line Jul 07 2021 An exploration of the areas occupied by Latin American art and culture between the ongoing traditions of its indigenous inhabitants, its colonial heritage and its contemporary relationship to the cultural politics of North America and Europe. It

looks at the way cultural identity has been constructed by artists from the 1940s to the present day and challenges the way art criticism has hitherto dealt with Latin American art.

Interviews with History and Conversations with Power Nov 23 2022
A posthumous compilation of this award-winning and best-selling writer and journalist's seminal, historic interviews. Oriana Fallaci was granted access to countless world leaders and politicians throughout her remarkable career. Considering herself a writer rather than a journalist, she was never shy about sharing her opinions of her interview subjects. Her most memorable interviews—some translated into English for the first time—appear in this collection, including those with Ariel Sharon, Yassir Arafat, the former Shah of Iran, Lech Walesa, the Dalai Lama, Robert Kennedy, and many others. Also featured is the famous 1972 interview in which she succeeded in getting Henry Kissinger to call Vietnam a "useless war" and to describe himself as "a cowboy." To this day he calls the Fallaci interview "the most disastrous conversation I ever had with the press."

The Unmasking of Oriana Fallaci Nov 11 2021 *The Unmasking of Oriana Fallaci: Part II and Conclusion to Her Life Story brings to an end years of painstaking research. This biography highlights Fallaci's career as a journalist, interviewer, war reporter, essayist, and novelist. Its uniqueness consists less in a chronological listing of events but rather in emphasis on the core of Fallaci's psychological dynamism. This woman from Florence relentlessly placed her embellished persona in the public eye; she thirsted for stardom, allowing nothing to block her ascent to prominence; she essentially functioned as her own publicity agent. Aricò maintains that this same narcissism is present in all of her early Hollywood articles, celebrated interviews, book on NASA space travels, best-selling*

*novels, and end-of-life trilogy against Islam. Indeed, Fallaci's posthumously published history of her ancestors not only takes on the structure of an epic saga but also of an in-depth autobiography. Her entire history of inserting herself onto center stage received reinforcement by the eye-catching portraits of her by world-famous photographers. Aricò bases *The Unmasking* on extensive investigation, meetings with people who knew her, and fourteen one-on-one recorded interviews at her homes in New York and Florence. His exposé stands as Fallaci's only definitive and authoritative biography in the English-speaking world.*

Inshallah Mar 15 2022 Inshallah claims its place amongst social media poetry and Instagram sensations like Rupi Kaur. These poems are like perfect cups and inside each is something essential.

Personal, observational, and confessional, Inshallah carries themes of self-care, romance, unrequited love, potent femininity, and resiliency. At times, these poems are self-aware and conversational, but there are private moments of self-preservation and self-love, too, reminding us of what it takes to withstand relationships. From romance to motherhood to friendships, these poems refuse to be possessed or destroyed—they explore what it means to navigate love without losing oneself. Inshallah is for the modern reader: no doubt you will find yourself in these pages and understand something about your life that you hadn't before.

Interviews With History and Power Feb 26 2023 A posthumous compilation of this award-winning and best-selling writer and journalist's seminal, historic interviews. Oriana Fallaci was granted access to countless world leaders and politicians throughout her remarkable career. Considering herself a writer rather than a journalist, she was never shy about sharing her opinions of her interview subjects. Her most memorable interviews—some translated

into English for the first time—appear in this collection, including those with Ariel Sharon, Yassir Arafat, the former Shah of Iran, Lech Walesa, the Dalai Lama, Robert Kennedy, and many others. Also featured is the famous 1972 interview in which she succeeded in getting Henry Kissinger to call Vietnam a "useless war" and to describe himself as "a cowboy." To this day he calls the Fallaci interview "the most disastrous conversation I ever had with the press."

The Origins of the Slavic Nations Aug 28 2020 This book documents developments in the countries of eastern Europe, including the rise of authoritarian tendencies in Russia and Belarus, as well as the victory of the democratic 'Orange Revolution' in Ukraine, and poses important questions about the origins of the East Slavic nations and the essential similarities or differences between their cultures. It traces the origins of the modern Russian, Ukrainian and Belarusian nations by focusing on pre-modern forms of group identity among the Eastern Slavs. It also challenges attempts to 'nationalize' the Rus' past on behalf of existing national projects, laying the groundwork for understanding of the pre-modern history of Russia, Ukraine and Belarus. The book covers the period from the Christianization of Kyivan Rus' in the tenth century to the reign of Peter I and his eighteenth-century successors, by which time the idea of nationalism had begun to influence the thinking of East Slavic elites.

Essays in Modern Ukrainian History Oct 18 2019 Pp. 283-297, "Mykhailo Drahomanov and the Problem of Ukrainian-Jewish Relations", discuss the views of the Russian nationalist as expressed in two articles. In the first (1875) he opposed legal discrimination against Jews, as it was based on medieval prejudice and did not achieve its aim of safeguarding the peasants' interests. The second

was a response to the pogroms of 1881-82. He blamed the Russian policy of concentrating the Jews in the Pale of Settlement for Ukrainian-Jewish tensions. He also criticized the Jews as a parasitic class which felt no solidarity with the Ukraine. He saw the solution in a Jewish socialist movement and a federation of Russia and Austro-Hungary, in which Jews would enjoy equal rights. Pp. 299-313, "The Problem of Ukrainian-Jewish Relations in Nineteenth-Century Ukrainian Political Thought, " discuss the approaches of three Ukrainian thinkers to the "Jewish question": Mykola Kostomarov, Mykhailo Drahomanov, and Ivan Franko. Kostomarov published an article in 1862 in "Osnova" to counter accusations in the Jewish journal "Sion" against the Ukrainian cultural movement. He supported Jewish emancipation, but accused the Jews of clannishness, indifference to the fate of their country, and acting as instruments of Polish oppression and exploiters of the peasants. Franko was a disciple of Drahomanov; he adopted the idea of Ukrainian independence and advocated Jewish-Ukrainian cooperation.

Letter to a Child Never Born Jun 18 2022 A pregnant woman who regards motherhood as a responsible, moral choice prepares for her child's birth by remarking upon and examining her ambivalent feelings toward herself, her society, and her unborn child

Interview with History Jan 25 2023 Probing interviews with fourteen contemporary political leaders, including Kissinger, Meir, Arafat, Indira Gandhi, and the Shah of Iran, reveal their personal attitudes and propensities and survey the workings of the leader in history

Long Live Fair Oriana Jan 21 2020

Nothing, and So be it Feb 14 2022

Leaving Orbit Mar 23 2020 Winner of the Graywolf Press

Nonfiction Prize, a breathtaking elegy to the waning days of human spaceflight as we have known it In the 1960s, humans took their first steps away from Earth, and for a time our possibilities in space seemed endless. But in a time of austerity and in the wake of high-profile disasters like Challenger, that dream has ended. In early 2011, Margaret Lazarus Dean traveled to Cape Canaveral for NASA's last three space shuttle launches in order to bear witness to the end of an era. With Dean as our guide to Florida's Space Coast and to the history of NASA, Leaving Orbit takes the measure of what American spaceflight has achieved while reckoning with its earlier witnesses, such as Norman Mailer, Tom Wolfe, and Oriana Fallaci. Along the way, Dean meets NASA workers, astronauts, and space fans, gathering possible answers to the question: What does it mean that a spacefaring nation won't be going to space anymore?

The Useless Sex Mar 03 2021

If the Sun Dies Nov 30 2020

The Rage and the Pride Jan 13 2022 The writer's first work for ten years, on themes linked to the events of September 11: America, Italy, Europe, Islam and ourselves, interspersed with personal memoirs.

Interview with History May 17 2022

The Long Game May 25 2020 *In The Long Game, Rush Doshi demonstrates that China is in fact playing a long, methodical game to replace America as a global hegemon. Drawing from a rich base of Chinese primary sources, including decades worth of party documents and memoirs by party leaders, he traces the basic evolution of Chinese strategy, showing how it evolved in response to changes in US policy and the US's position in the world order.*

Juan de la Rosa Apr 23 2020 *Long considered a classic in Bolivia, Juan de la Rosa tells the story of a young boy's coming of age*

during the violent and tumultuous years of Bolivia's struggle for independence. Indeed, in this remarkable novel, Juan's search for his personal identity functions as an allegory of Bolivia's search for its identity as a nation. Set in the early 1800s, the novel is narrated by one of the last surviving Bolivian rebels, octogenarian Juan de la Rosa. Juan recreates his childhood in the rebellious town of Cochabamba, and with it a large cast of full bodied, Dickensian characters both heroic and malevolent. The larger cultural dislocations brought about by Bolivia's political upheaval are echoed in those experienced by Juan, whose mother's untimely death sets off a chain of unpredictable events that propel him into the fiery crucible of the South American Independence Movement. Outraged by Juan's outspokenness against Spanish rule and his awakening political consciousness, his loyalist guardians banish him to the countryside, where he witnesses firsthand the Spaniards' violent repression and rebels' valiant resistance that crystallize both his personal destiny and that of his country. In Sergio Gabriel Waisman's fluid translation, English readers have access to Juan de la Rosa for the very first time.

The Truth in Our Scars May 05 2021 In The Truth in Our Scars, Author Oriana Allen takes you on a journey inward to bear witness to the scars of her life. You will discover how you can heal and uncover your secret self. Visit <https://thisisoriana.com/>

Oriana Fallaci Sep 21 2022 A landmark biography of the most famous Italian journalist of the twentieth century, an inspiring and often controversial woman who defied the codes of reportage and established the "La Fallaci" style of interview. Oriana Fallaci is known for her uncompromising vision. To retrace Fallaci's life means to retrace the course of history from World War II to 9/11. As a child, Fallaci enlisted herself in the Italian Resistance

alongside her father. Her hatred of fascism and authoritarian regimes would accompany her throughout her life. Covering the entertainment industry early on in her career, she created an original, abrasive interview style, focusing on her subject's emotions, contradictions, and facial expressions more than their words. When she grew bored of interviewing movie stars and directors, she turned her attention to the greatest international figures of the time: Khomeini, Gaddafi, Indira Gandhi, and Kissinger, placing herself front and center in the story. Reporting from the front lines of the world's greatest conflicts, she provoked her own controversies wherever she was stationed, leaving behind epic collateral damage in her wake. Thanks to unprecedented access to personal records, Cristina De Stefano brings back to life a remarkable woman whose groundbreaking work and torrid love affairs will not soon be forgotten. Oriana Fallaci allows a new generation to discover her story, and witness the passionate, persistent journalism that we urgently need in these times of upheaval and uncertainty.

Over at Uncle Joe's Sep 28 2020 Oriana Atkinson, a novelist and journalist of the WWII era, expounds on her short but hilarious time in Moscow in 1945-46. It is with her unassuming, but definitely humorous writing that she describes the complexity of life in the Communist state of Stalin, proving even those use to the scarcity from can be bonded to life, family and love.

Oriana Fallaci Oct 10 2021 Internationally acclaimed as a journalist, war correspondent, interviewer, and novelist, Oriana Fallaci's public persona reached almost mythic proportions. It is a myth Fallaci herself created, according to Santo L. Aricò, who probes the psychological forces that motivated one of the twentieth century's most famous and successful women writers. Using his own extensive interviews with the writer, Aricò maps out Fallaci's journey

through life, paying particular attention to her ongoing and painstaking attempts to establish her own mythical status. He first examines her career as a literary journalist, emphasizing the high quality of her writing. From there, he concentrates on how Fallaci's personal image began to emerge in her writings, as well as the way in which, through her powerful narratives, she catapulted herself into the public eye as her own main character.
