This book is the most comprehensive and up-to-date source of information about ways in which consumer activism has reshaped the economic and political well-being of citizens in the United States and around the world. This all-encompassing collection of information about consumer activism and the consumer movement will provide students, public officials, business groups, and other activists with a one-stop source of facts and insights. The contributors explore hundreds of major consumer protections that have significantly enhanced the quality of life and safety for all Americans, showing how these protections were won through the skillful and determined work of leading activists and activist organizations. Many of the stories told here are related by the activists themselves, often for the first time. More than 140 entries offer a comprehensive treatment of the consumer activism of specific organizations, their leaders, and strategies. The book also includes more than 40 entries about consumer movements in Europe, Asia, Africa, and Latin America. A timeline of key events and a listing of the most important books on the subject of consumer activism help provide context for the individual entries as do two introductory essays. Cross references in each entry establish linkages among topics. • Provides the single most comprehensive source available of information about consumer activism and advocacy • Shows how activism has influenced laws and regulations affecting more than 40 consumer issues • Shares personal accounts from activists about their work on these issues • Details information on U.S. national consumer organizations and many state and local consumer groups, including their goals, strategies, leaders, finances, and impact • Offers insights into the ways consumer activist groups have interacted with other nonprofits, policymakers, regulators, and business groups Catalog of the most often requested AT&T documents. The Illustrated User Guide to the iPhone SE 2020 for iOS 14 The iPhone SE is one of the best phones you can get for under \$400.
