In the struggle between King and Parliament (1642-1648), naval power played a decisive role. Although the first two Stuart Kings took a keen and practical interest in the Navy -building ships, repairing shipyards, raising money though the controversial Ship Money taxation - ordinary seamen in the service of the monarch frequently found themselves without pay, food or shelter. So when it came to choosing sides between King and Parliament, the sailors chose Parliament. This enabled the Earl of Warwick, Parliament's principal naval commander, to control the outer lines of communication, supplying troops, food and munitions to the ports of Hull, Plymouth, Lyme Regis and Milford to prevent their surrender to the besieging Royalists. The struggles for these ports in turn became the key to Parliament's military success in the North and

West. This command of the sea also excluded Charles from his capital, the great port and commercial centre of London, forcing him to make his headquarters in the far less commercially and politically important city of Oxford. The documents in this volume are arranged in chapters on a year by year basis. The editors have supplied a useful Introduction to each of the chapters, from 1642 to 1648. s in the far less commercially and politically important city of Oxford. A collected set of congressional documents of the 11th to the 55th Congress, messages of the Presidents of the United States, and correspondence of the State Dept. Many of these pamphlets have been catalogued separately under their respective headings. Reprint of the original, first published in 1871. The year is 1869. A brutal triple murder in a remote community in the Scottish Highlands leads to the arrest of a young man by the name of Roderick Macrae. A memoir written by the accused makes it clear that he is guilty, but it falls to the country's finest legal and psychiatric minds to uncover what drove him to commit such merciless acts of violence. Was he mad? Only the persuasive powers of his advocate stand between Macrae and the gallows. Graeme Macrae Burnet tells an irresistible and original story about the provisional nature of truth, even when the facts seem clear. His Bloody Project is a mesmerising literary thriller set in an unforgiving landscape where the exercise of power is arbitrary. Excerpt from Calendar of Documents, Relating to Ireland: Preserved in Her Majesty's Public Record Office, London, 1302 1307 For the text of this volume Mr. Sweetman, who had passed the pages through the press, is responsible. He had not, however, completed the index when he had to cease from his labours owing to failing health and eye sight, the latter no doubt aggravated by his zealous efforts to decipher many faded documents and by the arduous task of transcribing the taxation rolls. With reference to these, were he now living, he would doubtless take this Opportunity to

thank the many friends who assisted him in endeavouring to identify the names of churches, &c. Of that date with those of the present day.
