*The Speedcafe Annual
Australian Motorsport The LTE
/ SAE Deployment Handbook
Decelerate Blue **Nauti Nights***

The Annual - Australian Motorsport is a comprehensive review of Australian motor racing. The yearbook documents the racing and results from local and international motorsport. From Mark Webbers first GP wins through to full coverage of local touring cars this is a must have reference for all motorsport fans. Now in its' fifth year of Describing the essential aspects that need to be considered during the deployment and operational phases of 3GPP LTE/SAE networks, this book gives a complete picture of LTE systems, as well as providing

many examples from operational networks. It demystifies the structure, functioning, planning and measurements of both the radio and core aspects of the evolved 3G system. The content includes an overview of the LTE/SAE environment, architectural and functional descriptions of the radio and core network, functionality of the LTE applications, international roaming principles, security solutions and network measurement methods. In addition, this book gives essential guidelines and recommendations about the transition from earlier mobile communications systems towards the LTE/SAE era and the next generation of LTE, LTE-Advanced. The book is especially suitable for the

operators that face new challenges in the planning and deployment phases of LTE/SAE, and is also useful for network vendors, service providers, telecommunications consultancy companies and technical institutes as it provides practical information about the realities of the system. Presents the complete end-to-end planning and measurement guidelines for the realistic deployment of networks Explains the essential and realistic aspects of commercial LTE systems as well as the future possibilities An essential tool during the development of transition strategies from other network solutions towards LTE/SAE Contains real-world case studies and examples to help readers understand the practical side of the system Second in a hot and naughty trilogy from the author of Nauti Boy. Angela Knight says, "When I'm in the mood for steamy romance, I read Lora Leigh." So do readers who devoured the author's first novel in the Mackay Cousins

trilogy, Nauti Boy. Now, in Nauti Nights, Leigh delivers an even hotter tale of a Kentucky marine who'll anything to get the woman he wants. Luckily for him, she wants it bad. James "Dawg" Mackay has lusted after sweet Crista for years. Just as many as she's spent running from him-and from a dangerous attraction. But for Crista, running isn't an option anymore because Dawg's got a plan to get her and keep her. It's kind of low-down-but completely hot. The future waits for no one. In this new world, speed and efficiency are everything, and the populace zooms along in a perpetually stimulated haze. Angela thinks she's the only person in her family—maybe the only person on the planet—who sees anything wrong with this picture. But the truth is she's not alone. Angela finds herself recruited into a resistance movement where the key to rebellion is taking things slow. In their secret underground hideout, they create a life unplugged from the rapid-fire culture

outside. Can they free the rest of the world before the powers that be shut down their utopian experiment? From revolutionary and award-winning playwright Adam Rapp and veteran cartoonist and animator Mike Cavallaro comes *Decelerate Blue*, a dark, breath-taking new vision of an all-too-plausible future for America.
