The fun and easy way to learn essential grammar rules, common usage errors, and other key concepts in the English language - written specifically for the Australian audience Understanding the rules of English is key to being an effective communicator—at work, at school, or anywhere else. If you struggle with the rules—and who hasn't—English Grammar Essentials For Dummies, Australian Edition is the book for you. Covering just the basics you need, the book boils the rules of grammar down to the core concepts that will make you a better communicator in any and every aspect of your life. Ideal for students, job hunters, adult learners, those who speak English as a second language, and anyone who wants to make a good impression Covers the vital essentials needed for better written communication Serves as an excellent refresher course for professionals whose primary mode of communication is increasingly electronic and written Clear and understandable writing can be the key to success in almost any professional field. With English Grammar Essentials For Dummies, Australian Edition, you'll master the basics with ease! English Grammar: The Basics offers a clear, non-jargonistic introduction to English grammar and its place in society. Rather than taking a prescriptive approach, this book helps the reader become aware of the social implications of choices they make to use standard or non-standard (regional/dialect) forms. Readers will consider: • what grammar is and how it fits into the structure of language; • how grammar functions in the school curriculum, the press, broadcasting and social media, as well as how these outlets reflect and reinforce our attitudes towards grammar; •

differences between speech and writing, as well as between formality and informality; • major different approaches to theorising and describing grammar from important grammarians, including Noam Chomsky and Michael Halliday. Featuring a glossary of key terms and practical tips and insights from the author's 50+ years of language teaching experience around the world, this book is for anyone who has ever found themselves questioning the 'rules' of the English language. This step-by-step approach helps you learn the rules of grammar quickly and easily! The English language is full of rules, exceptions, and often confusing concepts, and for many students, English grammar is a difficult subject that only gets tougher as more concepts are learned. That's why Easy English Grammar Step-by-Step, Second Edition is so effective at helping you succeed where other resources and guides fail. Using an original, step-by-step approach, this write-in workbook provides a solid foundation in the basics—the fastest, easiest way to learn English grammar. You'll learn essential concepts and high-frequency skills in grammar proficiency first, allowing you to grasp the subject almost immediately. You'll then discover how these important concepts link together, through clear explanations, level-appropriate exercises, and helpful worked-out problems. Learning the key concepts in order (e.g., learning what a complete sentence is before descriptive words and phrases, pronouns, and punctuation) ensures you'll get a solid foundation before you move on. Once you complete all the steps, you'll be able to approach English grammar—rules, exceptions, and all—with confidence. Stay-in-step" pop-ups" offer helpful advice and cautions against common errors Step-it-up skill-building exercises link practice to the core steps already presented Clear explanations break down concepts into easy-to-understand steps Clear and concise explanations to the exercises and questions throughout the book Fully updated to include current references English Grammar Basics is all about The English Language. This practical grammar book is the result of 16 years of teaching online to adults and young students located all over the world. I believe that French grammar should not been a stumbling block to learning the language and should not discourage learners of French to embrace the beautiful journey of becoming fluent. Hence, I felt that it was important to explain the grammar rules in English and in the simplest way possible without including too much grammar jargon, so that a beginner could grasp the essential elements of grammar to build sentences. Every grammar point is followed with exercises to practice what has been taught. Whenever possible, the answers are included in the back of the book (some answers are open ended questions and

therefore have no right or wrong answers). This grammar book is aimed to teach A1 levels (total beginners) to the B1 level (intermediate level). Perfect for self-study, but also ideal for supplementary grammar activities in the classroom. Step by step with a teacher or on their own, French learners can learn to construct their sentences and gain plenty of practice. Do you have an English or ESL grammar test coming up? Are you constantly asking others to check your writing for grammar errors? Do you currently or are you planning to teach ESL grammar? This book can be helpful for: * ESL learners * English speakers whose writing contains grammar errors * Anyone planning to teach ESL who wants a brief overview of English grammar concepts Perhaps you've never learned the basics of English grammar. Whether you have an upcoming test, need to review the basics, or are just tired of making the same grammar mistakes, this grammar reference and workbook can help you review basic grammar concepts quickly. Whether English is your second language, or you just need a refresher on what's grammatically acceptable, and what's not, this book provides simple, easy to understand ESL grammar rules along with tons of English grammar exercises to practice what you've learned. Perhaps you've forgotten the parts of speech and need to know exactly how nouns, verbs, adjectives and subjects function in a sentence. Perhaps you're having trouble with the English tenses. Among other topics, this book covers the most commonly used English tenses: Past Simple, Future Simple, Present Simple and Present Continuous, how to correctly use the articles (a, an, the), and how to correctly use the apostrophe s ('s). Each chapter provides extremely easy to understand grammar rules, examples and then follow-up English grammar exercises to practice each rule. In the second part of each chapter, there are additional English grammar exercises, dialogues, conversation questions, and even a quiz at the end of each chapter to check your progress. You can easily check your answers for all English grammar exercises and tests since the

answers are provided in the book as well. The format of the book is meant to help students review what they already know quickly, and spend more time on the grammar topics that are not well understood. Reinforce key grammar concepts and skills with these Basic Grammar Series Books. Based on the popular Basic Grammar Series, these books offer the same activity sheets but allow teachers to target one skill at a time. Lesson strategies for teaching the concepts are provided and include suggestions for "hands-on" activities to reach students with different learning styles. Multiple activity sheets allow for repeated practice and reinforcement of skills. Assessments are provided in standardized-test format. These are the basic 26 grammar points a beginner needs to master in order to start using and comprehending Mandarin Chinese. The AllSet Learning Grammar Wiki BOOK series brings to ebook format everything that made the online wiki the internet's #1 reference for Mandarin Chinese grammar: - Beginner's Guide introduction provided as a starting point - Each of 26 grammar points has been carefully selected for beginners - Each grammar point is explained in plain language, dropping technical grammatical terms whenever possible - At least 10 clear, useful example sentences for each grammar point, accompanied with pinyin and English translations - Common mistakes with corrections provided where relevant - Related grammar points are all interlinked, allowing learners to form connections between similar grammar points - The book's content was produced by the AllSet Learning staff in Shanghai, representing dozens of contributors (both native speakers of Chinese and learners of Chinese) - Foreword by linguist Dr. David Moser, author of the well-known "Why Chinese is So Damn Hard" - All content edited by John Pasden, seasoned expert in Chinese learning The 26 grammar points contained in this book are also contained in the longer "Elementary" book; this book is intended as a shorter introduction for beginners who are just looking for a taste in the Chinese Grammar Wiki's friendly format.
