You Deserve It Jul 23 2022 You SERVED. You DESERVE. Brian Reese was good at masking his PTSD, bipolar disorder, depression, and anxiety. He even told himself he did not "deserve" benefits, which he later discovered was complete bullshit. As an air force officer deployed to Afghanistan, he embodied the motto of "service before self." Unfortunately, like many veterans, his service came at his own expense, and abusing alcohol and drugs to cope with mental health issues nearly ended his life. But by the grace of God and the power of pure vulnerability, Brian began a transformational journey of overcoming social stigmas and persevering through adversity. This journey has become a global movement of Veterans Helping Veterans Worldwide(TM). In You Deserve It, Brian provides veterans with a step-by-step blueprint to help them obtain virtually unknown federal and state benefits. With years of personal experience and more than ten thousand hours devoted to helping veterans get the benefits they're entitled to, Brian provides readers with the unparalleled insight and expertise that forms the foundation of his SEM Method. Whether you served thirty days or thirty years, this book will educate and inspire you to reap the rewards for your honorable service to our country.
